Division III — The Chronological Roll

PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Chronological Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form, and in alphabetical order. It is our hope that we can present a more detailed as well as a more accurate record of each minister. The information in this division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval. —The Conference Secretary.

Symbols used before each name denote the category of conference relationship and the numbers indicate place in the chronological (or other) order. Hence R—1 means the first place in the Retired category. AM—Associate Member; FC—Effective Members (Full Connection); FT—Full Time; LP—Local Pastor; PM—Probationary Member; PT—Part Time; R—Retired; S—Supply; SLP—Student Local Pastor; AFM—Affiliate Member; HM—Honorary Member.

The symbols used after the name are as follows: D—When Ordained Deacon; E—When Ordained Elder; A—When Admitted on Trial or as a Probationer; FC—When Admitted into Full Membership; T—When Transferred into this Conference; LP—When Approved as a Lay Pastor or Approved Pastor; AM—When Approved as an Associate Member; and PT—Part Time Minister (one who has other employment). *—No Record of Attendance at Annual Conference.

NOTE—Beginning in 1983, the service years listed with each person are “years under appointment” until retirement, NOT years of pension credit. If you need information about pension credit, please contact the Conference Council Staff member assigned to the Board of Pensions. —The Conference Secretary.

secretary shall ascertain whether the upcoming session will be in balance with respect to laical and ministerial membership, and, finding need to name added laical members will follow this procedure: (2) The conference secretary will name the needed number, taking notice of these priorities: (a) The first eighteen will be chosen alternately from the district lay leaders and district presidents of United Methodist Women. The *Journal* shall be printed in such numbers as to provide adequate copies to local churches, a copy to each retired minister and surviving spouse of a minister, to each minister on disability leave, to each minister under special appointment, to each diaconal minister, and to supply requests of boards and agencies beyond the annual conference level.

(b) The conference shall elect an assistant secretary for the *Journal* quadrennially, upon nomination by the Council on Finance and Administration.

(c) The assistant secretary for the *Journal* shall be responsible for preparation of the brochure of conference board and agency reports and for distribution of the brochures to all pastors, all regular laical delegates, conference president of United Methodist Women, conference lay leader, youth delegates, retired ministers and surviving spouses of ministers, ministers in special appointments, conference staff persons, the presiding bishop, the district superintendents, ministers on disability leave, seminary students, district lay leaders, district presidents of United Methodist Women, and diaconal ministers.

(a) No person may serve on more than one quadrennial agency of this conference at the same time, except as provided by the *Book of Discipline*, nor for a longer period than eight consecutive years, nor for more than eight of any consecutive twelve years, except that members of the Commission on Archives and History and the Board of Managers of Pastors' Assembly may serve on another agency of this conference at the same time. Persons may be enlisted to assist boards and agencies for specific tasks in advisory and non-voting capacities and should be drawn from within the bounds of the conference. A minister serving on a board or agency at retirement may complete that quadrennium.

(b) No person shall serve on more than one board of trustees or board of directors of institutions or agencies related to this Annual Conference at the same time. Nothing in this rule shall be construed to mean that persons may not serve concurrently on boards of

trustees or directors and as members of quadrennial boards and agencies or ex officio trustees or directors, where disciplinary provisions apply.

(c) Persons who are inactive, that is, by failing to attend and participate in the meetings and programs of a given board or agency, for one year without legitimate excuse shall be replaced at the end of any current year.

(d) No ministerial member shall serve more than nine consecutive years (three terms) as a trustee of any agency or institution related to this Annual Conference, nor shall this person be eligible for election again to that board until three years shall have passed since termination of the nine years of service.

19. Organizational stipulations for boards and agencies:

(a) All quadrennial boards, commissions and committees, except as provided by the *Book of Discipline*, shall continue through the session of the Annual Conference immediately following the General Conference for the purpose of completing their business.

(b) Every year the Annual Conference Committee on Nominations shall complete its work four weeks before the date set for the regular conference session, in order to inform nominees of their selection and anticipated confirmation at the session, so persons not delegates to Annual Conference may plan to be present for the organizational meeting of all boards, commissions and committees at the conference session. This will allow the secretary of the Committee on Nominations to give notice of the time and place of meeting to each nominee at least two weeks before the session opens, and to provide a list of nominees to each proposed member of a group so previous thought may be given to selection of officers. The time requirements herein shall pertain as well to nominations made to fill vacancies at other sessions of the Annual Conference.

22. Each district shall have a District Committee on Nominations composed of the District Superintendent as chairperson, and with a membership of three clergy and four lay persons, elected annually. No member may serve for more than three consecutive years with the exception of the district superintendent. The District Committee on Nominations may submit to the District Conference the names of one clergy and one layperson for election for each work area and age level, and such other persons as are needed for membership to the District Council on Ministries. Persons to be nominated shall be consulted by the District Superintendent prior to the submission of names. Members are to be elected for the quadrennium or remainder of quadrennium if replacing a member. The District Committee on Nominations may fill vacancies with replacements to take office immediately. Such persons shall be confirmed at the next meeting of the District Conference.

23. In harmony with Par. 710.1 of the *Book of Discipline*, the Council on Finance and Administration shall recommend an annual apportionment sufficient to provide for support of the district superintendents.

24. A district superintendent shall not serve on a quadrennial board, commission or committee, except as specifically provided by the *Book of Discipline*. Vacancies occurring by appointment of members of boards, commissions and committees to the district superintendency shall be filled by the conference session when such appointments are made. There shall be a representative of the Cabinet on each such program agency, who shall be named by the Cabinet.

25. Budget requests and the Council on Ministries.

(a) Boards and agencies requesting funding items to be included in apportionments shall present their askings to the Council on Ministries in writing on the form provided by the council; with such requests to be presented by a representative of the board or agency appearing before the Budget Committee of the council; at a time and place set by the Council

on Ministries, with not less than thirty days' notice of such meetings being given by the council. The chairperson of each conference agency, or other duly authorized person, shall have opportunity to represent the chairperson's agency before the Council on Finance and Administration as provided by the *Book of Discipline* (Par. 710.3).

(b) The Council on Ministries shall present the total amount of the budget request it approves to the Council on Finance and Administration for its action as an item in the conference benevolence budget.

(c) The Council on Ministries may adjust program budget items between Annual Conference sessions if the necessity arises because of inadequate income or changing needs within the council and the Annual Conference operation; provided the total amount approved by the Annual Conference is not exceeded in such changes; and provided, further, that such changes must be accomplished by the following means: the Budget Committee of the Council on Ministries will confer with the boards and agencies involved, and, after thorough study, will present its recommendation to the Council on Ministries, which may then make adjustments approved by a two-thirds vote of members present and voting.

26. In the allocation of askings on the formula basis, the non-building budget shall not include any monies expended for the following items:

- (a) Principal and Interest on capital indebtedness.
- (b) Buildings and Improvements.
- (c) General Advance Specials and World Service Special Gifts.

Reports Of Boards And Agencies

THE BOARD OF ORDAINED MINISTRY

Throughout the 1982-83 Conference year the Board of Ordained Ministry has sought to fulfill its continuing responsibilities of giving guidance and direction to those persons responding to God's call to enter the ministry. As that call comes we seek to give direction to it through the structure of the church as a means of it being fulfilled. These responsibilities are challenging and demanding and the Board of Ordained Ministry feels both deeply. Copies of the booklet "So You Want To Be A United Methodist Minister," containing the requirements and procedures for entering the ministry in our conference, are available.

We have continued to care for our responsibilities in the areas of ministerial relations, continuing education and ministerial evaluation.

Members of our Board make several visits annually to the seminaries of our church in the southeast, in an effort to keep in touch with and give guidance and encouragement to the persons attending seminary from our conference. We feel that this is a vital link that must be maintained and that this is a major part of our responsibility.

We have conducted two pilot projects in Ministerial Evaluation this year as called for in the time-line for this new program adopted by the 1982 conference. These experiences have been helpful to the special task force on Ministerial Evaluation that will be giving further direction to this new dimension of our conference program.

During the year The Board adopted and passed on to the various District Committees on the Ministry an expanded set of requirements and enabling regulations regarding persons coming into the ministry in our conference and church from other Denominations. We trust that these requirements and regulations will serve as a means of such persons finding their place in the ministry of our church and District Committees giving them the guidance and direction that they need.

The Committee on Continuing Education of the Board has worked diligently to implement the expanded program of Continuing Education for ministers. The requirements adopted by the conference two years ago are being applied and we trust that each minister and local church is aware of these.

We continue to be concerned about the level of payment by the churches of our conference to the Ministerial Education Fund. The cost of attending seminary and the summer schools for lay pastors continues to rise. The Ministerial Education Fund is the source from which we give assistance to these persons preparing themselves for leadership in our church and conference. Every church benefits directly from the assistance this fund provides. We urge each church in the conference to pay this asking 100%.

It is a privilege to serve the annual conference through the work of the Board of Ordained Ministry. We covet the prayers and support of our entire conference for the ministers and their families who give of themselves unselfishly in ministry in response to a call from God that each has received.

James P. Dannelly, Jr., Chairman

MAJOR CHANGES IN CONTINUING EDUCATION STANDARDS

1. Full Connection ministers who are appointed or employed in active ministry (local church and beyond) shall be required to meet minimum standards. (Retired ministers not serving a church or employed in ministry during the year will not be required.)
2. The measure of Continuing Education changes from CSU (Conference Standard Unit) to CEU (Continuing Education Unit) and a fuller definition is provided.
3. Student accountability is a trust contract between event coordinator and student.
4. Records are kept by the individual minister and reported at charge conference. Rather than having a conference permanent file of each CEU certificate, the conference file shall contain only a copy of the minister's continuing education report to the charge conference.
5. The minimum standard is set at 2 CEUs per year rather than 3 CSUs.

6. The reading program is set at .5 CEU, rather than 1 CSU.
7. Credit is given for teaching provided that equal time is spent in classroom under responsible instruction for that event.
8. The Journal report of minister's CE credits shall be based on the Charge Conference report.

**MINIMUM STANDARDS FOR CONTINUING EDUCATION
ALABAMA-WEST FLORIDA CONFERENCE
THE UNITED METHODIST CHURCH**

[A PROPOSAL FOR THE 1983 SESSION OF THE ANNUAL CONFERENCE]

I. Continuing Education for the Minister

A. Those required to meet minimum standards

1. Members of the conference in full connection — *including all who are appointed or employed in active ministry.*
2. Probationary members who have completed educational requirements and are appointed full-time.
3. Associate members
4. Full-time Local Pastors who have completed the course of study plus 60 hours.

B. The following areas are included as appropriate Continuing Education

1. Growing in professional competency.
2. Growing in the knowledge and skills of spiritual disciplines through which spiritual formation is an ongoing part of one's total life and ministry.
3. Growing in self-awareness including an understanding of life goals, strengths and weaknesses, and personal characteristics.
4. Growing in skills that enhance the selection and use of support systems. Examples are: relationship building and time management.
5. Growing in non-professional competencies that are essential for effective Christian discipleship; i.e. home and family, leisure, civic, cultural, social, health, etc.

C. Planning the individual minister's continuing education

1. It is largely up to the individual minister to plan his/her own personally designed learning program of continuing education.
2. Continuing education plans, which meet annual conference minimum standards, should reflect a well integrated, systematic method of meeting the individual minister's needs, both strengths and weaknesses; and should show movement in ministerial effectiveness.
3. Help in determining strengths and weaknesses should come from the PPRC in its annual evaluation of the minister. Along with this evaluation should come the local church's willingness to grant study leave and financial assistance to the minister *for continuing education.*
4. Ministers are encouraged to take advantage of life-assessment and growth analysis workshops which will be scheduled annually in this conference.
5. The minister may seek help from the conference *Continuing Education Panel*, when attempting to match future continuing education events with current needs.

D. Minimum Standards for the minister's continuing education program

1. The measuring unit shall be the *C.E.U. (Continuing Education Unit)*.
2. Definitions:
 - a. *ONE (1) CONTINUING EDUCATION UNIT: Ten contact hours of participation in an organized Continuing Education experience, under responsible leadership, capable direction, and qualified instruction.*
 - b. *CONTACT HOUR: A typical 50-minute classroom instructional session, or its equivalent. Ten instructional contact hours are required for one Continuing Education Unit (CEU). A continuing education event must have a minimum of five contact hours to be considered a CE Event, and to be able to grant .5 CEUs.*
 - c. *RESPONSIBLE SPONSORSHIP: CEUs offered by approved agencies such as United Methodist agencies, Clinical Pastoral Education agencies, Institutions*

of Higher Education, and approved professional agencies will be accepted by this Conference.

The sponsor must assume administrative responsibility for the program, including the assignment of direct supervision of the activity to a professionally capable program director or educational administrator, and the maintenance of a permanent record system. (The reputation and organizational integrity of the sponsor are reflected in the quality of the educational experience which is presented.)

- d. **CAPABLE DIRECTION:** *The elements of capable direction include professional educational leadership in program planning and development; selection of the most effective educational format for the intended purpose and objectives; assignment and administration; and the design applicable to both individual participants and the total program.*
- e. **QUALIFIED INSTRUCTION:** *The instructional staff should have the following qualifications: competence in the subject matter; ability to transmit educational content to the participants; understanding of the program objectives; and knowledge and skill in the instructional methodology and learning process to be employed.*
- f. **CONTACT HOURS SUITABLE FOR CONTINUING EDUCATION:** *Classroom or meeting session hours with direct participation between the learner and lecturer or discussion leader; laboratory sessions; clinical experiences; field trips and activities using nontraditional methods of instruction (such as independent study, directed reading or correspondence courses). The last three items must be balanced with an equal number of classroom hours, as determined by the director of the program.*
- g. **ACTIVITIES NOT TO BE INCLUDED WHEN CALCULATING CONTINUING EDUCATION:**
Meeting time devoted to business or committee activities, meeting time devoted to announcements, welcoming speeches or organizational reports; time for study, assigned reading reports, written assignments and other related activities outside of the class or meeting schedule; scheduled time allocated for social activities, coffee hours, luncheons, dinners, etc.
- h. **LIMITATIONS ON AWARDING CEUs:** *The following are examples of types of activities for which CEUs ARE NOT AWARDED to individual participants: Any program carrying academic credit to complete first professional degree or other academic requirements; committee activities; attendance at cultural performances, entertainment or recreational meetings or activities, and participation in travel groups except those tours that grant CEUs or university credit; on-the-job training, apprenticeships; the independent writing of articles or research reports; individual, self-directed studies; and the teaching of CE events, unless balanced with equal number of direct class hours under responsible leadership in that event.*
- i. **MINIMUM CEUs REQUIRED:** *Two CEUs earned each Charge Conference year, beginning with the 1982 Charge Conference.*

E. Application for CEUs

1. Individual minister's wishing to receive CEU credit for their continuing education must apply in advance of the event or study in order that their work may be valid. (Check CEU space on Event Registration form; or see #4 below.)
2. Ministers planning reading programs under proper accountability structures shall report their plan to the charge conference and the Continuing Education Panel prior to the beginning of the program, and to the Continuing Education Panel at the conclusion of the program for .5 CEU. One reading program for credit is allowed each year.
3. Organizers of continuing education events in the annual conference shall make application to the Continuing Education Panel for CEU accreditation. The panel will supply forms, available upon request, which must be approved before any advertisement of CEUs can take place on event brochures. *Brochures of approved continuing education events must carry the following statement: THIS CONTINUING EDUCATION EVENT IS APPROVED BY THE BOARD OF*

ORDAINED MINISTRY'S CONTINUING EDUCATION PANEL FOR ____
C.E.U.s.

4. *Ministers who wish to attend Continuing Education events which meet minimum standards but do not offer CEUs, may apply to the CE Panel for credit prior to attending the event. If the event is approved, a certificate or letter from the event coordinator must be sent to the Panel for credit to be awarded upon completion of the event.*

II. Continuing Education and the Charge Conference

- A. The basis of Continuing Education planning and the integrity of the minister's accountability lie with the charge conference and the *presiding elder*. The annual meeting provides opportunity for launching and debriefing, for planning and evaluating, for dreaming and reporting results. It shall be the duty of the presiding officer of the charge conference to receive the minister's continuing education report and to offer recommendations or observations.

III. The Continuing Education Panel

- A. The Continuing Education Panel shall be established and elected by the Board of Ordained Ministry.
- B. The Panel's duties shall be:
 1. to supervise the program of continuing education in the conference;
 2. to carry out the standards set by the conference with regard to continuing education;
 3. to award CEU values to qualifying events and participants;
 4. to provide forms for group and individual application for CEU credit; and to provide forms for the minister's charge conference report of annual earned continuing education credit;
 5. to provide funds for events, and scholarships for continuing education to participants *as these funds are available*, and to establish criteria for the giving of these funds;
 6. to print a cumulative list of CEU credits earned by the ministers in the conference journal, and to update this report annually *based on the minister's charge conference report*;
 7. to provide events within the conference; to make ministers aware of events being offered through other continuing education sources; and to update ongoing offerings available to ministers.

* *Italics denote that which is a change from the 1982 CE Minimum Standards.*

BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry continues to serve those persons who have been consecrated "... to responsibilities primarily for Service, Justice and Love" as well as other lay professionals in the church and those who are preparing for such. We now have 18 consecrated Diaconal Ministers, 20 certified Directors of Christian Education, 15 Educational Assistants, 12 certified Church Musicians, and two Music Assistants in the Alabama-West Florida Conference.

During this past year we sponsored a Multi-Staff Worship at Blue Lake, attended by 35 persons, on Jan. 31-Feb. 1, led by Kebie Hatcher from Myers Park United Methodist Church, Charlotte, N.C.

It was a thrill for our Board to present for the first time the newly-designed stoles at the Consecration Service during Annual Conference. Our goal will soon be realized when each of our Diaconal Ministers will own the earth-tone, homespun stole representing the badge of our office. The symbol of the servant role is visible close to the heart by an embroidered basin, towel and pitcher; at the points of the stole are found the cross and flame, symbolizing The United Methodist Church, and the appropriate symbol of specialized ministry such as a butterfly for education, treble clef for music, etc.

We are urging pastors and worship commissions to encourage and make opportunities available for the wearing of these stoles so that our congregations can affirm the two kinds of ministry — ordained and diaconal — as working in a partnership, enabling the ministry of all believers as we seek to represent the continuing ministry of Jesus Christ.

Our registrar Mark Stewart is a member of SEJ Assoc. of Conference Educators and Leader Development; also recently elected as National President of Christian Educators Fellowship of The United Methodist Church. Three of our members attended the SEJ Board of Diaconal Ministry meeting in Atlanta in December. The Study Committee is diligently working on a resolution to present to General Conference in 1984. The most recent petition of the Ministry Study Committee suggests legislation to dissolve the present transitional Order of Deacon in The United Methodist Church and give special attention to protecting the probationary process towards Elders Orders; the current Deacons serving as Associated Members of the Annual Conference (possibly as Probationary Elder and Local Elder) and reserve the term "Deacon" for persons called into ministries presently defined as Diaconal Ministry. The Associate General Secretary of the Division of Diaconal Ministry, Rosalie

Benzinger, will lead a meeting at Aldersgate United Methodist Church, Montgomery, on Nov. 19, 1983, when Diaconal Ministers and General Conference delegates will join to discuss ministry.

Our Chairperson Nonie Green represents this Annual Conference on the SEJ Single/Single Again Design Team furthering the specialized ministry to those persons making up one-third of our congregations who are single due to death, divorce, or always single.

UNITED METHODIST WOMEN

"Because We Care," the 1982 program theme of the Alabama-West Florida Conference United Methodist Women, undergirded the year's agenda and activated the purpose: United Methodist Women shall be a community of women whose purpose is to *know God* and to experience freedom as whole persons through Jesus Christ, *to develop a creative supportive fellowship*, and *to expand concepts of mission* through participation in the global ministries of the church.

Highlight of the year was the 1982 Assembly held in April in Philadelphia, Penn. Representatives from every district of the Alabama-West Florida Conference attended the Assembly which drew nearly 10,000 United Methodist Women, guests, and visitors. Keynote speaker was Dr. Helen Caldicott who challenged all women to work for peace and eventual elimination of all nuclear weapons. She said "the imminent threat of nuclear war is the ultimate religious issue facing us today!"

The Assembly marked the beginning of the Centennial era of United Methodist Women which will be climaxed at the 1986 Assembly in Anaheim, California. Goals of the Centennial are:

EACH UNIT OF UNITED METHODIST WOMEN SHALL: increase its giving by 5% each year for the next three years; increase its membership by 10% each year for the next three years; increase "Response" subscriptions by 2 each year; plan a special celebration of the Centennial.

Because United Methodist Women believe that *education is essential* for active, informed Christian discipleship, the year's mission task included a major emphasis on mission education and leadership development through four program events:

— In June, 11 conference officers attended the Regional School of Christian Mission in Madisonville, Tennessee. Ann Gordy, Alabama-West Florida Conference officer from Chipley, was elected Dean of the 1983 Regional School of Missions to be held in Fayetteville, North Carolina in June.

— In August, 108 United Methodist Women attended the Alabama-West Florida Conference Cooperative School of Christian Mission at Blue Lake. Nine United Methodist Women served on the planning team with members of the Conference Board of Missions and the Board of Church and Society. Jan Hulbert was elected Dean of the 1983 School.

— In September, Vice Presidents attended a workshop, "Planning Total Program for Small Membership Churches," at St. Simons, Georgia.

— In February, 1983, 50 conference and district officers participated in a World Development Workshop at Blue Lake to gain greater world understanding with special emphasis on Latin America and the Caribbean, and to view the relationship between local communities and developing nations. Resource persons were Barbara Weaver, Executive Secretary for the Division of Development Education of the Women's Division of the Board of Global Ministries, Virginia Vargas, from Lima, Peru where she worked with the women of the "barrios," Dr. Tom Butts from Montgomery, and Judy Cumbee, Tuskegee, Alabama who addressed the threat of nuclear war.

Under the banner, "*Because We Care*," 600 United Methodist Women and guests gathered at Blue Lake on October 2 for the 10th Annual Meeting. Program highlight was a multi-media presentation created by Dr. Annie Mae Turner which illustrated the Purpose through slides of local, district, and conference activities.

"*The Mission that Heals*" was the theme of the message brought by speaker, Thelma Stevens, retired staff member of the Women's Division. She stressed three major concerns: "powers that oppress, walls that divide, and wars that destroy." She challenged the conference to go into a new age guided by the Biblical basis of Christ's life and example.

The Conference Spiritual Enrichment Retreat, exploring the theme "God Speaks ...," was held at Blue Lake April 20 to 23 and was led by Gwen White from New Jersey. Mrs. White, a well known retreat leader and author, is the wife of Bishop Dale White.

Alabama-West Florida United Methodist Women has a membership of 11,364 and 358 local units. The 1982 pledge to missions, \$127,320.30 was met, and the total giving sent to the Women's Division was \$176,987.22. The Conference has pledged \$139,214 to missions for 1983 which reflects a 5% increase over 1982 ... **BECAUSE WE CARE!**

CONFERENCE COOPERATIVE SCHOOL OF CHRISTIAN MISSION

The Conference Cooperative School of Christian Mission in 1982 was held at the Blue Lake Assembly on August 3-5 (weekday), August 6 (drive-in), and August 7-8 (weekend). The Reverend Leonard Howell served as Dean of the school and Mrs. Jan Hulbert as associate Dean. Studies presented were *Hebrews*, led by The Reverend Charles Copher from Atlanta and Eloise McGucken; *Pilgrimage in Faith*, led by Margaret Wilcox from Maryville, Tenn., and *People of the Pacific Islands*, led by Bernice Dvorak from Syracuse, New York. Music was directed by Irene Miller and pianists were Melinda Bolen and Ann Rew. The new one day "drive-in school" was very successful drawing 130 participants. Overall attendance for the entire school was 326.

Theme of the school was "Through It All — God." In addition to the studies, related resources, films and plenary sessions the program included opportunities for worship, fellowship, and leadership development. Program highlights were the lakeside communion simulating Pacific Island worship, and a Samoan Island festival, the "Fia Fia." *The SERRV Shop* offered crafts of low-income artisans from more than 50 countries.

The Planning Committee included representatives from the following Conference Boards and Agencies: **UNITED METHODIST WOMEN:** Jane Weekly, Geraldine Bay, Mary Willis, Ann Dalton, Alma Singleton, Jeannine Wingard, Frances Jones, Ann Gordy, and Jan Hulbert. **BOARD OF CHURCH AND SOCIETY:** The Reverend Leonard Howell, The Reverend Rual Morris, The Reverend Douglas Golden, Mary Elizabeth Carter, and Lib Claridy. **BOARD OF MINISTRIES:** Gayle Shults, Sue Jones, The Reverend Al Harbour, The Reverend Pruitt Willis, Miss Michelle Anchors, and Dr. Billy Frank Hall. **CONFERENCE HEAD-QUARTERS:** The Reverend Gerald Maddox and The Reverend Everett Barnes. **CABINET REPRESENTATIVE:** The Reverend Walter Ellisor.

The 1983 Conference Cooperative School of Christian Mission will be held at Blue Lake on August 2-4 (weekday), August 5 (drive-in), August 5-7 (weekend). Studies to be presented are *LUKE*, *CENTRAL AFRICA*, and *THE WORLD'S UPROOTED*. Study leaders will be The Reverend Al Harbour, The Reverend H.T. MacLin, Mrs. Florence Isaacs, Mary Elizabeth Carter, and Dr. Billy Frank Hall. New members of the planning team are The Reverend Bobby

Holladay, Bernice Bryant, and Bess Evans. Mrs. Jan Hulbert will serve as Dean and Dr. Billy Frank Hall will serve as assistant Dean.

ALABAMA-WEST FLORIDA
UNITED METHODIST FOUNDATION

The United Methodist Foundation continues to grow faster than anyone would have dared believe. In January, 1979 at the first meeting of the Board of Directors the total assets were \$26,553.73 and no Special Funds. At the close of the fiscal year, December 31, 1982, the total assets were \$1,088,222.55. As this report is being prepared in March, 1983 our records show a total of \$1,208,000 assets with 29 Special Funds. Annual disbursements have been made to 20 agencies, institutions and local churches.

It will be of interest to note the following:

Disbursed to beneficiaries, 1982	\$ 43,575.24
Retained earnings for Funds growth	17,103.47
Interest disbursed to Conference & Churches	23,466.20
Total Benefits paid to Conference, 1982	\$ 84,144.91
Total Operational costs, 1982	26,298.80
Total Earned Income, 1982	\$110,443.71

The reason for requesting financial assistance from the Conference and from the Conference Institutions is that the Foundation has grown so fast and has reached the point of the definite need for a full-time Executive Director, but we do not have sufficient funds to meet this need.

We feel that \$22,500 financial assistance requested in the Conference Budget in exchange for \$84,000 benefits to the Conference (and the benefits will continue to increase) is a pretty good investment for our Conference.

The Board of Directors unanimously endorsed and recommends to Annual Conference the following people for election for a three year period to the Foundation Board of Directors: James C. Bledsoe, Foy Campbell, Alto V. Lee, III, Clyde P. Mahaffey, L.E. Thomas, Waymer W. Bryan, Ben R. Byrd, James Y. Carroll, A. Preston Hood, Cecil C. Spear, Jr., Albert M. Thompson, Edward H. Reynolds.

The following officers were elected by the Directors: *President* — James Y. Carroll, *Vice-President* — K.T. Riley, *Secretary-Treasurer* — Kenneth Cooper.

Sincere appreciation is expressed to the Directors, the donors, the churches, and all who have made the United Methodist Foundation the service agency that it is.

CONFERENCE COUNCIL ON MINISTRIES

Every effort is made in planning by the Conference Council on Ministries to impact the local church and to assist that local church in its efforts to be in ministry. With this in mind, each local church should list its priorities and seek resources in persons and materials to implement.

The Research and Planning Committee recommends that we continue our support of the General Conference quadrennium priority of "The Developing and Strengthening of the Ethnic Minority Local Church." Also, the five special programs: 1. Africa, 2. Church and Campus — an essential Evangelism, 3. World Peace and Self-Development of People, 4. World Hunger, 5. Strengthening the Local Church for its Evangelistic Mission in the World.

We also recommend that we continue the following priorities from last year:

1. We commend the Ethnic Minority Local Church Committee on their progress in training leadership and urge support of them in their future plans.

2. We should, under the leadership of Health and Welfare, continue to emphasize the concerns for the elderly and the handicapped.

3. District Coordinators, selected by the District Superintendents after consultations with staff, boards and agencies should be given guidelines of their responsibilities and training by January 1st.

4. Leadership training should be held annually by each District Council on Ministries. Each district should also provide training for new local church officers by February 15th.

5. We urge every district and each local church to be alert to and cooperate with all plans for the Bicentennial celebration.

6. We should continue our efforts to evangelize 1600 new members each year. This past year 567 new members were added.

7. All churches should seek to become "Four Plus Two" mission churches and all families should become members of the "Ten Dollar Club."

THE REPORT OF THE NEW CHURCH DEVELOPMENT COMMITTEE TO THE ALABAMA-WEST FLORIDA ANNUAL CONFERENCE

At the Fall 1982 meeting of the Conference Council on Ministries, a plan was adopted whereby the Alabama-West Florida Conference could enter into a campaign to raise funds for Church Extensions. It was conceived that part of the funds would be for an Endowment through the Alabama-West Florida United Methodist Foundation and part would be for immediate need.

A New Church Development Committee, composed of the following persons was appointed: Dr. Billy Frank Hall, Rev. Joel Jones, Mr. Doug Link, Mrs. Mary Ellen Bullard, Miss Alice Lee, Dr. Lester Spencer, Rev. Fred Toland, Mrs. Boots Guthrie, Mrs. Nellie C. Davis, Dr. Mike Watson, Mr. Don Lehman, and Rev. Clifford Abbott.

The Blue Lake Commission, sensing a need for the expansion of the facilities at Blue Lake, desired to raise capital funds. It has been agreed by the New Church Development Committee and the Blue Lake Commission, that they would work together in presenting the combined needs to the Alabama-West Florida Conference.

Therefore, we come together to make the following request of the Alabama-West Florida Conference:

(1) That the stream of need converge from the Bicentennial Trust as we look to moving out into our third century and have a joint campaign that will be presented in a complete plan at the May, 1984, Annual Conference.

(2) That in cooperation with the National Division, the Annual Conference enter into a study process for church development to determine the total Conference needs in new church development and to get projections to time-line those needs and access dollar-cost.

This plan would utilize the District Teams and involve staff from the Board of Discipleship and the Board of Global Ministry.

After the perimeters have been determined as to what the approach is going to be, and the preliminaries have been established as to what kind of funds should be needed, the National Division Office will make a study of the Alabama-West Florida Conference. They will then project proposals on the goal on a Conference-wide basis.

(3) That the Blue Lake Commission continue its study of the needs for expansion at Blue Lake, securing cost estimates on the type of expansion needed and in keeping with the Conference program.

(4) That the New Church Development Committee be named New Development Committee for Church Growth and add to its membership three persons from the Blue Lake Commission.

(5) That the New Development Committee for Church Growth be authorized to carry out all details necessary, so that a progress report can be made in the Spring of 1984, to the Conference Council on Ministries. The preliminary report to the Annual Conference be available in the Brochure of Reports prior to the Annual Conference of 1984, and that complete details of the campaign be presented to the Annual Conference for its action in May of 1984.

Lester H. Spencer, Chairperson

STRUCTURE COMMITTEE

In light of the new quadrennium approaching in 1984, Research and Planning recommended and the CCOM has named a *Structure Committee* to study the structure of the Annual Conference boards, agencies, Council on Ministries, and District Councils on Ministry in order to increase continuity from the conference and districts to help strengthen the local church. This committee is asked to present a report to the 1983 fall meeting of the Conference Council on Ministries.

The Conference Council on Ministries recommends that the Constitution of the Conference Council on Ministries be amended as follows:

Membership: Section III, under A3, add t.: "President of the United Methodist Foundation."
For any assistance in any way, please contact the staff at Headquarters.

John Sherrer, Chairman
C. Everett Barnes, Executive Director

BOARD OF MISSIONS

In the book of Isaiah, there is a verse that characterizes the missional priorities of the United Methodist Church. "Behold, I am doing a new thing; now it spings forth, do you not perceive it?" The Board of Missions of the Alabama-West Florida Annual Conference has been aware God is doing a new thing in our time, and we have attempted to be a part of His ministry.

We continue to encourage our Districts to plan a "Mission Saturation Event." The saturation event is unique in that it brings several mission interpreters to a local church for a week-end of information and inspiration. No other event has been devised that reaches so many people in such a brief period of time. In 1982, the Selma District had a successful event, and the Montgomery District held a saturation event in 1983 that was effective.

Church extension in the Alabama-West Florida Conference must take on new meaning for us. The Conference Council on Ministries has proposed a campaign for funds for church for church extension, and the Board of Missions strongly endorses this proposal. It is becoming impossible for a district to generate the resources to begin a new church, and we feel God is ready to do a new thing in extending His ministry.

We commend Dr. Lester Spencer of the Mobile District and Rev. Clifford Abbott of the Pensacola District for the work they are doing in church extension. A new congregation was organized in the Mobile and Pensacola Districts during this conference year, and several sites are being considered in the Pensacola District.

We see a growing interest in the Volunteers in Mission program. Rev. Ted Hoagland is giving outstanding leadership to us, and we ask you to explore this new involvement in missions.

Advance Specials continue to be the primary support for missional projects around the world. For several years, we have experienced a solid growth in our advance giving. In 1982, we gave the following amounts —

World Advance Special:	\$163,942.76
National Advance Special:	45,448.44
Conference Advance Special:	87,228.00
UMCOR:	122,356.25

World Service and Conference Benevolence is the life blood of our connectional system. In 1982, we saw a sharp decrease in our giving to this vital fund. We urge every District Council on Ministries to include the promotion of this fund in your Fall programs.

As chairman of the board, I express my appreciation to all the members who have worked hard to make our work effective. Our new Conference Missionary Secretary, Rev. Gerald Maddox, has enthusiastically accepted the challenge of leadership, and he is gaining confidence and greater determination every day.

I am grateful for the opportunity to give leadership to this board, and I covet your prayers and support.

DUMAS WESLEY COMMUNITY CENTER

The Dumas Wesley Community Center in Mobile represents a continuing commitment to quality of life and the nurturing of human dignity. Following a successful capital fund drive, the United Methodist supported agency is now well on its way to becoming a multi-service community center.

Founded by United Methodist Church Women in Mobile in late 1903, Dumas Wesley Community Center continues to grow and change with the ever present challenge of assisting low-income people.

The Center has its own slate of programs and activities for pre-school, youth and adults, but also serves the community by underwriting the location of other agencies in the Center. The Mobile Pre-School for the Deaf, Department of Pensions and Security, Legal Advocacy for the Elderly and ADDAP, a program of advocacy for the handicapped, all now have offices at the Center. Other programs include the S.A.I.L. activities for older citizens.

Dumas Wesley frequently is the site for tours, meetings and other activities of local United Methodist groups, and its gym was the home court this past winter for a basketball league of United Methodist Church teams.

Two "U.S. 2's," young people who are spending two years in religious related work prior to their final decision to make it a vocation, are now interning with Dumas Wesley under the auspices of the Board of Global Ministries of the United Methodist Church.

Although Dumas Wesley has broadened its base of financial support, it still relies on United Methodist support for the seed money from which its mission takes root and grows.

The present economic conditions and various problems created by unemployment create an especially challenging mission for Dumas Wesley staff and volunteers. Your prayers and financial support are needed.

NELLIE BURGE COMMUNITY CENTER

The varied programs of Nellie Burge Community Center continue to move along in a very positive way. The day care has remained filled to licensed capacity. Our after-school enrichment program, three girl scout troops and boy scout troop are serving a large number of neighborhood children each day.

The Young Mothers Classroom operates year around with an enrollment of 20 ladies who are striving to attain their GED certificates. Along with these academic courses there is also offered a sewing and quilting class as well as cooking and nutrition time. Our hope is that whenever a student receives her GED she will have been exposed to a number of skills which will enable her to have a better chance of leading a productive life.

The use of the former Burge Memorial United Methodist Church continues to be a blessing. Our part-time neighborhood worker is visiting in the community regularly. An adult sewing and ceramics class is now in operation. Because of the availability of this space we plan to again have an all-day Health Fair. This was done last year and offers an excellent, cost-free health screening for neighborhood residents.

The Federal Home Day Care Nutrition Program is growing at a rapid pace. Currently there are 182 homes under agreement with more than 900 children enrolled. Each of their children is assured of well-balanced, nutritious meals each day.

We look forward each summer to the 10-week program which involves about 60 neighborhood youth. The highlight of this time is the week at Camp Discovery at beautiful Blue Lake for 27 of the participants. We are grateful to all who help make this a reality.

As always, we are filled with eager anticipation. Each day is a blessing as we see wholesome changes take place in the lives of those about us. To see and feel the warmth of love in a child makes our days rewarding and rekindles our desire to do even more.

NOAH'S ARK

Noah's Ark has made considerable progress since report time last year. We have completed the much needed dorm rooms which now will accommodate 20 males and 20 females each. Therefore, we now have facilities for accommodating four retreat groups simultaneously — groups of 40 to 45 in our large dorm; groups of 25 to 30 in our small dorm; groups of 35 to 40 in our motel rooms; and groups of 15 to 20 in a three bedroom house.

We urge all conference churches, women's groups, youth groups, men's groups, and others to make use of these facilities for their beach retreats. Furthermore, any board or agency which desires to have workshops, seminars, or retreats, is urged to contact us.

We have purchased a three bedroom house on the adjoining property to be used as an adult retreat house. It will also be used as an overflow house for summer youth groups of 15 to 20. Purchasing this house was a step of faith, and is the first time in Noah's Ark's history that the ministry has been indebted. Eventually, the house will be the Director's parsonage.

During 1983 we plan to do some renovating to our motel rooms to make them more attractive. There is considerable need for maintenance of our facilities. These facilities are now valued at approximately one million dollars and are utilized throughout the entire year.

The summer ministry continues to be very effective in witnessing to the summer tourists. The musical group "Two by Two" is to be commended as a very effective witnessing group. Huntingdon College also is to be commended for their assistance in comprising this group each year.

The winter ministry seeks to meet as many of the needs of the retired winter visitors as possible. We have become the center for the "Snowbird" activities seven days a week during the winter season. Our chapel is filled to overflowing each Sunday morning. God has richly blessed thousands by the presence of Noah's Ark on the beach during this past year.

Mrs. Juanita Hester of the Millbrook United Methodist Church has produced a slide presentation and makes it available to the people of the Conference for information about the Ark. Mrs. Hester's address is: 605 Daffodil Ct., Millbrook, Alabama 36054.

The United Methodist Women continue to promote and support the Ark as one of their projects, for which we should all be thankful.

More and better promotion of Noah's Ark as a beach retreat for our conference is much needed. The churches need to be better informed if they are to take advantage of the facilities which are provided for their use and participation. Ministers of the Conference, the Conference Council, and the Conference staff are called upon and urged to promote Noah's Ark as a Conference program.

Rev. James C. Rains, Executive Director, Noah's Ark

BOARD OF EVANGELISM

The Board of Evangelism is pleased to announce that the churches of the Alabama-West Florida Conference had a net increase in membership of 605 persons in 1982. Again, the newer churches led the way in experiencing growth. It is the conviction of the Board that if every district in the conference could establish one new church per quadrennium, we could see significant growth in our membership.

Along with the establishment of new congregations, we continue to urge churches to make every effort to win new persons in and through the Church School, a valuable evangelism tool.

In a continuing effort to better equip ministers and lay persons to be better evangelists, the Board sponsored a "Caring Workshop" at Blue Lake in September, 1982, along with the Andalusia District. Dr. Ray Sells and his team from the Board of Discipleship led the workshop.

Also, in March, 1983, Dr. Harold Bales led a workshop on "Making Discipleship More than Membership." This was attended by around 100 people.

The first Blue Lake Camp Meeting was at Blue Lake Camp in June, 1982, with Dr. Lawrence Lacour as Evangelist; Joe Pat Cox, Music Director; Jim Hussong, Accompanist; Mrs. Charles Craddock, Children's Worker. The spirit was excellent, and practically everyone present said they would return in 1983. The date for the 1983 Blue Lake Camp is July 6-9, and Dr. Eddie Fox, a leader in Preaching Evangelism with the Board of Discipleship, will be the Evangelist. Joe Pat Cox and Jim Hussong will again be in charge of the music, and there will be special Bible Study leaders and youth and children's leaders. We also hope to have a Continuing Education Event for the ministers.

Dr. George Morris, Candler School of Theology, will lead a workshop on "The Mystery and Meaning of Christian Conversion" at Blue Lake Camp in October, 1983.

We urge every local church to make 1984, our Bicentennial Year, a year of Evangelism Priority. The Board of Evangelism plans to sponsor a reenactment of the Christmas Conference on January 6, 1984 (the 12th day of Christmas), with our Bishop charging the ministers to

"preach Scriptural holiness throughout the land." We encourage every local church to plan special "Bicentennial Revival" services during the month of March and early April, 1984. We also encourage each district to have a "Circuit Rider" itinerate in the district for a period of time preceding the revivals.

We are also hoping to have a workshop on "Evangelism in the Wesleyan Mode" in the fall of 1984.

Southeastern Jurisdiction Evangelism Awards will be presented during Annual Conference to three churches: the one receiving the most persons on Confession of Faith during 1982; the one having the best ratio of persons on Confession of Faith; and the church with the best net gain. The Denman Evangelism Awards will also be presented to the minister and the lay person best representing the Spirit of Evangelism in the conference.

We congratulate the Frazer Memorial United Methodist Church, Montgomery, for being presented the Southeastern Jurisdiction Evangelism Award for the most persons won on Confession of Faith in 1982. This Award was for the entire Jurisdiction, and was presented during the Week of Evangelism and Candler Camp Meeting at Lake Junaluska in August.

We continue to encourage support for the Foundation for Evangelism, a "World Service Special Gift" recipient.

We express our appreciation to Bishop Frank Robertson for his continuing support for the cause of Evangelism, and pray that every minister and lay person within the bounds of the Alabama-West Florida Conference will join with him in making Evangelism come alive in the days ahead. Let us re-dedicate ourselves to become soul-winners for Christ, bringing persons into the Body of Christ, and growing spiritually and numerically. To this purpose, the Board of Evangelism offers every assistance possible to any local church or group.

John W. Bryan, Chairman

THE BOARD OF EDUCATION

The work of the Board of Education of the Alabama-West Florida Conference is coordinated by a Board composed of 33 members, but the actual program work is carried out by hundreds of clergy and lay volunteers who serve as members of committees, as District work area chairpersons, and as volunteers in camps and special training opportunities throughout the year. We are grateful to each and every one of them. Among these many, we would like to single out a few persons for special recognition and a word of appreciation. On our educational staff in the Council on Ministries, there is Mike Roberts, in his second year; Mark Stewart, in his seventh year and Carolyn Cumbe, in her 12th year of volunteer service. Other key leaders have served as chairpersons of our committees:

Children's Ministries — Jim Belcher
 Youth Ministries — Mike Roberts
 Young Adult Ministries — Judd Stinson
 Older Adult Ministries — Ed Britton
 Family Life Committee — Jim Love
 Camping Committee — Charles Hale
 Leadership Committee — Joe Reams
 Experimental Ministries — Dr. Lester Stewart
 Sunday School — Jim Bell

The Children's Ministries Committee has addressed itself to four primary areas in its work for 1982-83:

(1) "Children and Television": Workshops were conducted in 11 churches throughout the Conference from September-December, 1982. The purpose of said workshops was to help people to better use that instrument which has become such an important part of their home and lives. Emphasis was placed on (a) how television transforms the individual's values, and (b) how the consumer is affected by television advertising. The Children's Committee expresses its appreciation to Mr. Mark Stewart, Mrs. Cathie Wilbourne, and the Rev. Libba Stinson for their leadership.

(2) A parenting event entitled, "Parenting: Living the Faith with Young Children" was held at Blue Lake on February 11-12, 1983. The resource person was Ms. Karen Marshall, Dallas, Texas. Activities were planned for pre-elementary and elementary children. Eighty (80)

people attended the parenting event. The Children's Ministries Committee expresses its appreciation to Mrs. Francine LeSchmidt for her leadership.

(3) The involvement of ethnic minority children in the Alabama-West Florida Camping Program has been one of the primary concerns of the Children's Committee. During the summer of 1982, the Committee offered scholarships of \$50.00 to ethnic minority children who wished to attend a camp. All funds allocated for this purpose were exhausted; therefore, other funds were solicited from the Ethnic Minority Fund. Six children and 10-12 ethnic minority youth were enabled to experience the Blue Lake Camping Program. The Children's Committee expresses its appreciation to Ms. Gayle Jordan for her leadership.

(4) "The Children, Yes!," an excellent resource on involving children in congregational worship, was mailed to all of the ministers in the Alabama-West Florida Conference. The Committee requested that those receiving the book return a donation to help defray cost, but no purchase price was required. The Children's Committee expresses its appreciation to Mr. Mark Stewart and to Dr. Henry Roberts, Chairperson of the Conference Board of Education, for their support of this project.

In addition to these primary emphases, the Children's Ministries Committee took an active role in Sunday School Weekend-1982, sponsoring a "Children In Worship" video cassette display.

Plans for 1983-84 include: (a) a continued involvement in the ethnic minority camping program; (b) the publication of a "Children in Worship" booklet, as a prelude to a "Children's Church" interest group at Sunday School Weekend, 1983. The resource person will be Ms. Barbara Garcia, Board of Discipleship, Nashville; (c) a Summertime Ministries event; and (d) a Weekday Ministries event.

Further, the Children's Committee, in response to the success of the Parenting Event, is considering another event of similar nature.

The Conference Council on Youth Ministries (CCYM) is achieving its goal of motivating the young people of this Conference toward involvement in Christian activities. With a council of forty members, the functions of the CCYM have been to effectively communicate to the local church.

Once again, the Youth Service Fund (YSF) Caravan initiated the summer events, traveling throughout Alabama and West Florida. To promote the missions of the YSF and publicize the work of the CCYM, four members created a slide presentation and musical program with the theme "Reach Out and Touch."

This past year, several members represented our conference at the Southeastern Jurisdictional Youth Caucus at Camp Saumatanga, Alabama. Miss Lori Parnell was elected to the National Youth Ministries Organization Steering Committee. Additionally, two CCYM members attended the National Youth Christian Congress, an inspirational seminar for teenagers in Estes Park, Colorado. Lake Junaluska was the setting for the Youth in Missions program which gathered young people from the United States to work in Christian ministry.

United Methodist Day at Six Flags Over Georgia was one of entertainment and fun for thousands of young people and families. Money raised through ticket sales from our youth was donated to the YSF. October brought an adventurous day at our annual Fall Rally at Blue Lake. The theme, "Following in His Footsteps," along with featured speaker John "Rat" Riley, led a day of recreation and worship.

A major task of the year was the rewriting of the CCYM Constitution. This has been accomplished and approved by the CCYM and Board of Education. The council planned several retreats, including "Spring Fling" at Huntingdon, and the Senior High Assembly. The projects selected to be supported by the YSF are: Master City, Inner City, Upper Sand Mountain Parish, La Casa de Amigos and Henderson Settlement. Additionally, the CCYM projected a goal of \$10,500 to be raised by the youth for the USF.

The Young Adult Ministries Committee sponsored a retreat this past summer at Blue Lake for all young adults (married and single) between the ages of 18-35. John and Adrienne Carr, from Emory University, led us in an experiment in Practical Christianity, which served to deepen our level of discipleship.

Our next retreat at Blue Lake will be June 3-5, 1983, at which time Dr. Don Saliers of Candler School of Theology in Atlanta, will be our leader. The theme for the weekend will be "Prayer, Spirituality, and The Ordinary Life." On this retreat we will explore the meaning of

prayer and Christian spirituality in our lives today, drawing upon some of the richness of Christian tradition.

Our Council on Young Adult Ministry, with representatives from each of our districts, plans our retreats as well as district events. This past year, several very successful events have been held in the Dothan, Montgomery, Mobile and Pensacola areas. In 1983-84, more of our efforts are going to be centered around strengthening Young Adult Ministry at the district and local levels.

The Older Adult Ministries Committee sponsored the Older Adult Assembly at Blue Lake, May 9-12, 1983. The Rev. Edwin R. Sells was the inspirational speaker. The theme was: "Who In The World Are We?" As in years past, this was a marvelous experience.

October 18-21, 1982, there were 40 older adults who took a very pleasurable trip to the mountains of North Georgia, Lake Junaluska, N.C., Gatlinburg, TN, and other points of interest. Another trip is being planned for approximately the same dates to Calaway Gardens and on to St. Simons Island Area where we shall experience some of the early surroundings of Methodism in America.

The Ministry with Older Adults is an exciting experience, as more and more persons reach retirement age each year. Every local church in the Alabama-West Florida Conference has an opportunity to minister to and with Older Adults. Let's avail ourselves of that opportunity.

The Family Life Ministries Committee conducted two highly successful weekend retreats during 1982, and one in January, 1983, for single and single again persons. We are indebted to Nonie Green for her splendid leadership of these three retreats. We anticipate another one in July.

Our plans for 1983-84 include two Family Life Camps, a convocation on Family Life, and a training event to assist local church coordinators of Family Life Ministries. We are responding to a request for resources for the local church. We desire to enable the local church to be more effective in this vital area of ministry.

The Committee on Camping is eager to report that the camping program for 1982 was truly a success. During the summer months, almost 1800 campers, counselors and staff participated in the program. The 7 elementary camps had a total of 659 campers and counselors involved. The 4 Junior High camps had 362 campers to participate. Choir Camp involved 170 campers, while Senior High Assembly, Canoe Camp, Backpacking Camp and Youth Adventure in the Bible together touched 251 more campers. The figures of the regular program camps are figures that have greatly increased over the past few years. It is most insightful and exciting to compare the figures:

1982 — 1442 campers

1981 — 1387 campers

1980 — 1207 campers

1978 — 851 campers

1976 — 750 campers

In addition to the regular program camps in 1982, the Summer Special Ministries Camps ended a very successful summer. Almost 300 campers participated in the Bell Camp, the 2 sessions of 4-L Camps, the 2 sessions of Camp Discovery, and the 2 sessions of Sunshine Camp. We appreciate each of the volunteer staff, the camp staff, and the program staff for their outstanding leadership. The camping program for 1982 was successful because so many people were really concerned. We express our appreciation to these people who made the camps of 1982 possible.

In looking forward to the coming summer, the calendar for 1983 is filled with many exciting spiritual experiences for our camps. The plans have been made for seven elementary camps for rising fourth, fifth, and sixth graders, and five Junior High camps for rising seventh and eighth graders. The many specialty camps include Mid-High Youth Adventure in the Bible, Senior High Assembly, Backpacking Camp, Canoe Camp and Choir Camps, as well as other fine camping experiences. We can be proud of the work Blue Lake sponsors in the special ministries camps such as Bell Camp, for those with a hearing loss, 4-L Camp for those children with mental handicaps, Sunshine Camps for the mentally handicapped adults, and Camp Discovery for underprivileged inner-city children.

One of the greatest beliefs of our faith is that we are concerned with the giving of our gifts after the example of our Lord. Seeing to the operation of all these camps is never simple. It takes much time for many people, financial contributions, and spiritual support from each church in our Conference. Please remember the work of the Blue Lake Camps; all who participate, be they children, youth or adults, are far richer for their experience. We are so fortunate to have a facility like Blue Lake Camp in our Conference. We appreciate the cooperative spirit of Rev. Linwood Lewis and his camp staff.

The Experimental Ministries Committee sponsored an Anthem Reading and Music Workshop in Ozark. Attendance was very good (65+ people in attendance). Dr. John Kemp served as consultant.

The annual Confirmation Rally was held at Blue Lake with more than 300 youth in attendance. The program had as its theme, "United Methodism — A Proud Heritage." Many favorable responses were made concerning the rally.

A Backpacking, Rafting Camp was held in North Carolina. This was a co-educational activity, well received by everyone. This appears to be a strong camp for our youth.

The Deaf Camp "Bell," was held with some degree of success. Attendance was not what had been anticipated. Close attention will be given to future activities for this camp.

Overall, the various activities have been rewarding and meaningful. The Futures Committee has evaluated the activities very closely and has planned next year with much enthusiasm.

The Sunday School Committee is pleased to report the successful accomplishment of Sunday School Weekend and Rally Day emphasis in the local church.

The Sunday School Weekend and Curricu-Shop, held in October, at Blue Lake, attracted leaders, teachers, educators and ministers from around the Conference and throughout the Southeast. The Committee is pleased that so many local churches have responded to this training opportunity. Sunday School classes, V.C.S. sessions, U.M.Y.F. programs, weekend retreats, and many other arenas have benefited from this fine experience. Much appreciation is also due the excellent leadership from the United Methodist Publishing House in conducting the efficient Curriculum Workshops and displays. Some 300 persons were involved in the weekend.

Sunday School Weekend 1983 has been set for September 23-24, with the theme, "Telling the Stories of Jesus." Workshops will be available for the great variety of needs shared by local church leaders and teachers.

The Committee recommends that the Conference set aside the fourth Sundays in September, 1984 and 1985, as Christian Education Sundays (September 23 and September 22, respectively). This direction will encourage every local church to emphasize the importance of Christian Education in the ministry they design. Also, the church is encouraged to express appreciation to teachers and leaders for their gifts of extra time, special talent, and understanding love.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

REPORT NO. 1

ADMINISTRATION

In an effort to be good stewards of the money and time of the conference, our board normally meets twice annually for day meetings. The fall meeting has on its agenda the Campus Ministries within our conference. Other matters are considered also. Our winter or early spring meeting is devoted to Higher Education and other pertinent business. In 1982-83 the (episcopal) area task force which is concerned with our church affiliated colleges did not meet. During the 1983-84 year we plan to meet with the two colleges and the two Boards of Higher Education and Ministry (for the episcopal area) to agree on apportionments, askings, quadrennial formulas for division of funds for the new quadrennium. It is our desire to be cooperative and effective in our causes.

APPORTIONMENTS

Once again we are grateful to the churches of our conference for their generous giving to the Huntingdon-Birmingham Southern Fund. In 1982 the people of our churches paid \$229,135.66 into the fund. Actually 65% of the asking was paid. This is an increase of \$3,557.87 over last year. Our colleges are appreciative of this increase in times when some other sources of income are decreasing. We commend our churches for their marvelous response. The Wesley Foundation Fund was apportioned at \$75,000 for 1982 and \$55,279.05 was paid. Actually 74% of the apportionment was paid. This represents a decrease of almost \$1,000 when compared to 1981 receipts. We simply must do better in order to provide viable programs on our state college campuses. Hopefully the \$90,000 apportionment for 1982 will improve our performance. The Wesley Foundation programs is a much needed witness. Plans are underway to strengthen this important work.

PROGRAMS

Several committees in our Board are working to make our performance better. Our Wesley Foundation Committee (Frank Arnold, Chairman) has devised a much improved report and request form for all Wesley Foundation units. A task force is planning promotional work for Wesley Foundations in the fall of 1983. We want the Wesley Foundation story told and strengthened.

Our Huntingdon-Birmingham Southern Committee (Stanley Mullins, Chairman) has given good promotion of our colleges. In an effort to minimize conflict, the Committee has recommended and our Board has approved a cooperative effort between the two conferences and the two colleges of our area. We are asking that the two colleges and the two Boards of Higher Education and Campus Ministry work together to work out funding. Such matters as apportionments, askings, quadrennial formulas for division of funds will be discussed and solutions presented to both conferences.

The 1983 Wesley Foundation Fund is distributed on these percentages: Auburn — 52%; Livingston — 10.5%; Marion — 2%; Pensacola (Gulf Coast) — \$200; South Alabama — 12.5%; Troy — 23%. We commend our Wesley Foundation units for their work although they receive such meager support financially.

We applaud Huntingdon College and Birmingham-Southern colleges for their continued success. In a day when many private colleges and many state institutions of higher education are experiencing declines in enrollments, both of our colleges are increasing! In a day when financial bases for operation are diminishing, both colleges have been able to balance their budgets and add to their endowments. Both colleges offer quality education. It has become an annual fact that both colleges have high percentage of acceptance in professional and graduate schools. Without apology both colleges acknowledge their affiliation with the United Methodist Church. Both colleges make a determined effort to serve our churches and our students. We must never forget that our colleges need our support, especially student aid. Both colleges have funds for student aid which are supported by the conferences in which they are located. A hard and long look at needs for the colleges in the next four years will be the subject of a joint effort of our two conferences.

We commend Huntingdon College for seeking to implement many suggestions included in the 1982 Task Force Report.

PROPOSALS

1. We propose that the Huntingdon/Birmingham-Southern College Fund be set at \$2.75 (based on conference formula) per member and that the funds be divided at 90% for Huntingdon College and 10% for Birmingham-Southern College for the year 1984.

2. We propose that the two colleges join with the two Boards of Higher Education and Campus Ministry in making a recommendation to the two Annual Conferences that a Task Force be set up to work out funding including apportionments, askings, quadrennial formulas for division of funds for Huntingdon and Birmingham-Southern.

3. We propose a \$80,000 asking for student aid for Huntingdon College students for 1984. This is the same amount as 1983 and is approximately 60¢ per member.

- (a) United Methodist students be given priority in the granting of this aid by the college, and
- (b) That local churches may nominate students for this student aid.

(c) We recommend the payment of Y.E.S. (Youth Education Scholarships) by individuals and churches.

4. We propose and request that each church in the conference set aside a Sunday to have an emphasis on Huntingdon College.

5. We propose that the Wesley Foundation Apportionment be set at \$90,000 for 1984 (same as 1983).

6. We propose that October be designated as Wesley Foundation emphasis in local churches and districts of the conference.

PROPOSED CHARTER AMENDMENTS FOR HUNTINGDON COLLEGE

By action of the Board of Trustees of Huntingdon College meeting at Huntingdon on October 28, 1982, action was taken proposing to amend the Charter of the College so as to add two trustees elected by the Alumni Association.

To incorporate this amendment adding two alumni elected as trustees of Huntingdon College, the following changes are recommended for approval by action of the Alabama-West Florida Conference and the North Alabama Conferences of the United Methodist Church:

A. In substitution for former Article V, paragraph (b): The affairs of the corporation shall be managed and controlled by a board of trustees as hereinabove defined and described, which board shall be composed of life members as provided in subparagraph 4 below and thirty-eight members chosen as follows:

B. In addition the Charter is further amended to add a new paragraph 4. of Article V as follows:

4. Two trustees shall be elected by alumni. One shall be the president of the Huntingdon College Alumni Association, who is elected to that office by members of the Association, and shall serve as a trustee so long as he/she holds the office of President of the Huntingdon College Alumni Association. The second trustee elected by the alumni shall be elected by the Huntingdon College Alumni Association to serve a regular term of three years. In case the person elected for a three year term is unable to complete the term, the vacancy shall remain unfilled until a successor trustee is elected by the Huntingdon College Alumni Association.

C. Former paragraph 4. shall be paragraph 5.

Educational Ministries with the Church has continued to grow. Requests for services have

come from various areas of the Conference. Responses have been made to these requests and the following programs are underway:

SCHOOL OF LAITY

A new School of Laity was developed at the *Fort Deposit United Methodist Church*. The school is well attended and will hold its third quarter of study this spring. *Montgomery School of Laity* is in its seventh quarter and anticipates continuing studies for several quarters. Two morning classes have been added in addition to the regular evening classes.

The *Pensacola School of Laity* began its fourth quarter in March 1983. Fifteen Certificates of Recognition were presented at *Annual Conference 1982* to participants of the *Greenville School of Laity* who completed Foundational Studies in the Christian Faith. This certificate was awarded by *Huntingdon College and the Alabama-West Florida Conference of the United Methodist Church*. Certificates of Recognition have also been awarded in the *Montgomery School of Laity*.

CONTINUING EDUCATION EVENTS

Two *Candler Seminars* will be held in 1983 in cooperation with *Candler School of Theology*, *Emory University*, and the *Board of Ordained Ministry, Alabama-West Florida Conference*. These are day-long continuing education events for clergy and will earn .5 CEU (continuing education unit).

On May 2, 1983, a *Candler Seminar*, "The Bible and the Pulpit: Current Developments in Biblical Interpretation and Its Implications for the Task of Preaching," will be led by Dr. Gene M. Tucker, Professor of Old Testament and Associate Dean of *Candler School of Theology*. The seminar will focus upon the importance and use of exegesis in preparation for Biblical preaching.

On November 14, 1983, a second seminar, "Voices of the Gospel," will be led by Dr. John M. Stapleton, Professor of Church Ministries and Director of the Doctor of Ministry Program.

Responses to the *Doctor of Ministry Program* of *Candler School of Theology* which will be hosted by *Huntingdon* are continuing to come in. Dr. John M. Stapleton came to *Huntingdon* on March 10, 1983 to interview prospective candidates. The Core Seminar will be held on the second Mondays and Tuesdays of September, October, November, and December 1983.

Meetings have been held at *Huntingdon College* and at *Blue Lake* with leaders of the *Town and Country Commission* and the *Andalusia District* in program planning designed to strengthen small membership churches.

As continuing education is now required for professional development, clergy and Christian educators have requested continuing education unit credit (CEU) through this office from *Huntingdon College* for educational programs they plan. Requirements and procedures have been developed and made available to these groups. *The Christian Educator's Fellowship* of the *Birmingham area* was awarded CEU credit for a retreat held in February.

INSTITUTE OF RELIGIOUS DRAMA

The *Pulpit Players* traveled to *New Orleans* in September to perform at the *General Convention of the Episcopal Church*. They have also given performances at *Gonzalez United Methodist Church, Pensacola*; *Fort Deposit United Methodist Church, Westminster Presbyterian Church, Montgomery*; and *First United Methodist Church, Montgomery*.

The *Institute of Religious Drama* received a request from the chaplain at *Julia Tutwiler Prison for Women* to help in developing a religious drama group among inmates. Four volunteers are working with this group every two weeks for two to three months until the group is established. They will produce an Easter drama. The chaplain and recreation director of the prison are working with our volunteers.

A new *Board of Directors* has been elected for the *Institute*.

"At Great Price," the bicentennial drama on the founding of the *Methodist Church*, has been written by *Martha Rankin* at the request of the *Alabama-West Florida Conference Bicentennial Committee* for production by *Pulpit Players* in each of the nine district bicentennial rallies. *Pulpit Players* have also been scheduled to perform "At Great Price" on Tuesday night of *Annual Conference, May 24, 1983*.

A historical tour of *Montgomery* was planned by this office for the *Bishops' wives* who attended the *Council of Bishops of the United Methodist Church* in *Birmingham* last

November. A luncheon was held for 54 guests at Huntingdon College on November 18. Genuine appreciation is expressed to Mrs. Allen Jackson and Mrs. John Lane who were chairpersons and hostesses for the day.

BOARD OF CHURCH & SOCIETY

The purpose of the Board of Church and Society is to relate the gospel of Jesus Christ to the members of the church and to the persons and structures of the communities and world in which we live. We proclaim the Lordship of Christ over the whole life of man and woman, their activities, possessions, and community and world relationships. We seek to demonstrate to all persons that the reconciliation which God effected through Christ involves personal, social, and civic righteousness.

We affirm our belief that the gospel relates to the total needs of persons and we try to plan programs of the Board in the context of this understanding. Through a process of research, education, and action, the Board of Church and Society seeks to implement its purpose.

The work of the Board through its ongoing relationships with such bodies as the Board of Missions, IMPACT, jurisdictional and national Board of Church and Society personnel, the Ethnic Minority Local Church Task Force, etc., has continued. These relationships and the program stemming from them are an important part of the Board's overall task.

The highlight of the Board's year has undoubtedly been in the area of Peace with Justice, an emphasis called for by the 1980 General Conference and assigned to the Board of Church and Society for implementation. At the last annual conference, this Board asked the conference to approve October, 1982 as Peace with Justice month in Alabama/West Florida, with October 24 set as Peace with Justice Sunday in every local church.

The conference agreed. The Board then used the summer and early fall to help districts and local churches receive training and resources for this event.

Reports of results of the October emphasis from across the conference were drawn into a final report on the entire effort, prepared by the Board and distributed widely in the conference, jurisdiction, and general church. The wide variety of responses to Peace with Justice, the numbers reached, the quality of the experiences, and the interest expressed by many to carry the issues raised well beyond last October all point to the success of this emphasis and the need to capitalize on the concern generated.

Hence, the Board has determined to ask the conference to move ahead in this field by designating October 23, 1983 as Economic Justice Sunday. The Board further asks that October 23, 1983 be the opening of a study period on the theme: "Economic Justice — A Way To Peace." The Board considers this as Phase II of Peace with Justice, and believes that in light of the serious relationship between security questions and the current unemployment, hunger, and scarcity in the nation and world, this is a logical next step in considering Peace with Justice.

Several Board members will be trained in economic justice issues this summer at Lake Junaluska, and will return with the resources necessary to lead the conference in this matter.

The Board also desires to pursue criminal justice issues beginning in 1984, perhaps conducting another conference-wide effort. "Criminal Justice — A Way to Peace" is currently being considered by the Board as Phase III of Peace with Justice. Preliminary work on this should be completed by next annual conference and some decisions will have been made by then. This is very much in keeping with the concern and stands of this Board throughout this quadrennium regarding penal reform and criminal justice issues.

The Board, moved by recent increases in the number and severity of automobile accidents caused by drunk drivers, forcefully endorses the efforts of citizen groups like Mothers Against Drunk Drivers (MADD) to get stiffer laws on the books in regard to this matter and to have them enforced. We further urge all United Methodists to actively support any state legislation which would better protect innocent Alabamians, West Floridians against the slaughter on the roads. We also reaffirm the strong Wesleyan tradition of abstinence as the one sure way to stop any and all injuries to people because of alcohol abuse of any sort.

In January of 1983 the Board passed and sent to the Bishop, Cabinet, and Board of Ordained Ministry a statement of concern regarding the projected use of a certain form of evaluation of clergy by Pastor-Parish Relations Committees. The Board called upon these leaders of the conference to alter plans being considered for evaluation in order to protect the free pulpit and a prophetic ministry on the part of ordained clergy. The Chairperson of the Board of Ordained Ministry responded promptly. The Board of Church and Society requests dialogue with all parties to the matter and continues to hope for such interaction.

The Board looks forward to a new year of identifying and responding to the divine business

of the church and the society it serves, always knowing that the grace and truth of our Lord Jesus is the ultimate resource available to disciples of stout heart and good will. May the Lord use us creatively and redemptively.

COMMISSION ON RELIGION AND RACE

The function of the Commission on Religion and Race is to monitor the progress of racial inclusiveness in the Annual Conference and to promote such inclusiveness in every way possible. We have sought to carry out this responsibility at both the Annual Conference and District levels. The major event of the year was the conference-wide Workshop on Religion and Race held October 29-30, 1982 at Huntingdon College. Our major speakers and leaders were Bishop Frank L. Robertson, Dr. Gilbert Caldwell of the General Commission on Religion and Race, district superintendents, pastors, and lay persons in the Alabama-West Florida Conference.

The report and actions of the workshop were sent to all pastors of the conference with the request that racial inclusiveness be made highly visible in every church and every district. We urged more inclusiveness in the Annual Conference sessions and throughout the church. The recommendations of the workshop were:

1. We request the bishop and cabinet to hold each year a convocation on inclusiveness within the bounds of the annual conference with top flight leadership that will give high visibility to the need to eliminate all racism.

2. We request that each district of the conference, under the direction of the District Council on Ministries and the District Director of Religion and Race, hold annually a district workshop or seminar on the elimination of racism in our church and society.

3. We urge pastors and churches in the conference to promote pulpit exchanges between ethnic minority and ethnic majority churches.

4. We request that the Annual Conference Ethnic Minority Local Church Task Force increase its efforts to surface some specific projects and place these on a time line of accomplishment. These projects should be put in writing and publicized throughout the Annual Conference.

5. We request that the Annual Conference strengthen the core of the Commission on Religion and Race and urge that the Nominating Committee for the Conference give special attention to this matter.

6. We urge every conference board and agency, particularly the Town and Country Commission, the Board of Missions, the Board of Church and Society, the Board of Education, the Commission on the Status and Role of Women, the Board of the Laity, the Council on Youth Ministries, the Board of Christian Unity and Interreligious Concerns, to increase efforts in relation to ethnic minority local churches and racial inclusiveness.

7. We urge increased efforts to bring black delegates, lay and clerical, into a better working relationship in the Annual Conference and to empower them as active participants.

8. We urge more dialogue and genuine fellowship at the district level in order that we may remove fears and promote inclusiveness.

9. At the local church level we urge more cooperation across ethnic lines and suggest that the Hurtsboro experience (following the devastating tornado in 1981) as reported by Rev. Spencer Turnipseed be studied as a model.

10. We lift up the need to have racial inclusiveness manifest in the lay and clerical delegations to the General and Jurisdictional Conferences.

11. We urge a completely open itineracy in our Annual Conference.

12. We request our bishop to make inclusiveness a theme of the coming annual conference session and to preach to the annual conference the sermon he brought to us at this workshop titled "The Road Ahead in Racial Inclusiveness."

13. We urge each local church to seek ways to promote fellowship, acceptance, and inclusiveness across all racial and ethnic lines in the local community where the church ministers.

14. We urge every local church to seek actively for pastoral and lay leadership among the young people, challenging bright, attractive ethnic youth to accept the call to the Christian ministry.

We wish to commend every effort being made in the conference to further racial inclusiveness and to develop the ethnic minority church. Especially we wish to commend the Ethnic Minority Task Force and the Rev. E.D. Ridgeway for developing the effective School on Wheels program for the ethnic minority churches.

Our plans for the 1983-84 conference year include two strategically placed workshops in the conference on "The Church in Transition." We appreciate the fine cooperation of both the ministers and the laity in working toward the goal of a church fully inclusive of all racial and ethnic groups. We look forward to the day when all persons are seen as persons regardless of race, so that any ethnic or racial distinctions are forgotten altogether.

BOARD OF HEALTH AND WELFARE MINISTRIES

REPORT NO. 1

The United Methodist Church is very much involved in the health care concerns and the well-being of people all across this country. Genuine concern for human health and welfare, shown at its best in unselfish service, is freedom's best safeguard. So strong was this concern among early Methodists that John Wesley gave his motto of service: "Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you live."

Through the growth of unity among Christians today, the concern among United Methodists for human health and welfare is gaining momentum. When you render acts of service, you are ministering in the Master's stead — "Inasmuch as you have done it unto one of the least of these my brethren, you have done it unto me."

From the Biblical mandate and example of Christ's helping and healing ministry, to the appeal of St. Paul to the Church in Jerusalem for an offering for the needy in Asia Minor, to our United Methodist Church founders who organized prison ministries, medical dispensaries, special relief efforts and a network of hospitals, homes and services across the United States, love and caring and concern have reached millions of persons because we in the church see unmet needs and take action. Whether it be through the "Ministry of Caring and Concern," or to meet the needs of local persons who are shut-in, without transportation, experiencing a health or other crisis, or through the varied medical services — the church is there, ministering to the broken, the sick, the troubled, the forsaken of God's people.

The Board of Health and Welfare Ministries of the Alabama-West Florida Conference seeks to express this God-given caring as we share with the overlooked children, the disturbed youth, and the forgotten elderly. Unless someone close to you is a resident of one of the United Methodist homes, you may not be aware of the kinds of care your generosity has helped to insure. Often it is not more advanced age alone that dictates the level of care required by an individual. Some of our elderly are able to do the most for themselves.

The man and the woman in the pew — every pew — from the small rural or open country church to the large, urban, high-steeped church, United Methodist men and women, children and youth, are reaching out and effectively touching the lives and healing the hurt of humanity through approximately four hundred (400) health and welfare ministries agencies.

Every United Methodist is deeply involved in the helping and healing ministry of the denomination where lives are touched, helped, healed, strengthened, and enriched in a miraculous way! Your open hearts and open hands have been an inspiration to all of us who labor in a caring and sharing ministry to children, youth and adults. With the evidence of your caring about others, we know that we will find the faith and support to do what must be done. Wherever there is a gift to be given, please remember there is always a United Methodist home which can use your help to help others.

The White Christmas offering for our United Methodist Children's Homes must continue to increase, so that our ministry to children and their families may expand and serve more persons in other parts of Alabama and West Florida. The local church has responded to the call and we are most grateful to you. In 1982, the generous persons in our Conference gave \$500,572.92 to the United Methodist Children's Home and many thoughtful acts to the residents and staff at Selma, Mobile, Pensacola, and Wiregrass Homes. The White Christmas

Campaign increased motivation as the District Directors and District Superintendents received their kits on October 25. Sunday, December 19 was designated as White Christmas Sunday. As of March 3, 1983, the total amount contributed was \$509,369.

Expressions of concern for our other Health and Welfare Ministries in 1982 was \$33,300.70 (Mother's Day Offering) and \$10,509.46 (Golden Cross).

We are happy to cooperate with the District Directors of Health and Welfare Ministries for participation by every district in the Chaplain-In-Service Program each week at Wesley Manor in Dothan, Alabama.

The District Directors of Health and Welfare Ministries are to be commended for their fine spirit of cooperation and active participation in the total program and work of the Board of Health and Welfare Ministries. These district directors are:

Andalusia District:	Rev. J. Joel Jones	Evergreen, Alabama
Demopolis District:	Rev. Charles B. Craddock	York, Alabama
Dothan District:	Rev. Richard O. Sigler	Enterprise, Alabama
Marianna-Panama		
City District:	Rev. Haroll DeVane	Lynn Haven, Florida
Mobile District:	Rev. R. Neil McDavid	Theodore, Alabama
Montgomery District:	Mr. William H. Wilson	Montgomery, Alabama
Pensacola District:	Rev. J. Lamar Brown	Shalimar, Florida
Selma District:	Rev. William H. Griggs	Selma, Alabama
Troy District:	Rev. John H. Weeks	Clayton, Alabama

Another dream became a reality as a large group of clergy and laity met for Open House at Wesley Terrace in Auburn, Alabama on October 21.

Every church can expect to have one out of four members handicapped at some point in their life. Some will have to use a wheelchair, a crutch, a cane or other mobility aid such as a walker. Some members will suffer strokes or heart attacks or will have reduced vision or hearing as the result of serious accident or the aging process. Even pregnancy will temporarily handicap some members of the church each year.

When I look at the needs of persons in the local church and community, my concern is PEOPLE, whoever they are and wherever they may be, who experience the terrible pain of loneliness, sickness and disease, death and dying, exceptional children and youth, the needs of persons with handicapping conditions, those in jail and prisons, and the struggles of frustrated families. ALL PERSONS need us to demonstrate an expression of the Christian gospel in our service and to share their suffering. This concept of the CARING and SHARING ministry is our goal for each local church.

REPORT NO. 3

UNITED METHODIST CHILDREN'S HOME SELMA, ALABAMA

Loving, caring persons throughout Methodism in Alabama and West Florida made it possible for the United Methodist Children's Home, a multiple service child care agency, to minister to 592 children during 1982. The totals for each program are as follows:

Children's Village	104	Emergency Shelter Care	361
Group Homes	66	Children's Village	150
Florence	8	Birmingham	191
Huntsville	8	Wiregrass	20
Scottsboro	8	Foster Homes	6
Tuscaloosa	9	Adoption	0
Mobile	10	Scholarship	6
Pensacola	16	Family Aid	49
Wiregrass	7	TOTAL	592

The Wiregrass Group Home changed from short-term emergency care to long term group care in early 1982 because of a decreased need for emergency care. The Tuscaloosa Group Home program provided care for only part of the year due to lack of child care workers but this problem was resolved by year's end.

Rev. Ann Lohr joined the staff in May as Chaplain for the Children's Home. She supervises a full Christian Nurture program, including two weekly worship services, at the Children's Village. In addition she consults regularly with pastors of local churches who minister to children in the group homes. Her ministry has been a blessing to youngsters and staff alike.

The youngsters, staff, and Board of Directors express grateful appreciation for your prayers and support during 1982 and request that you continue those on behalf of this caring ministry, "Unto the Least of These."

REPORT NO. 4

THE METHODIST HOMES FOR THE AGING

Twenty-five years ago on the agenda of Alabama (now Alabama-West Florida) and the North Alabama Annual Conferences was the subject of the need for developing a Retirement and Health Care Facility in the Birmingham Episcopal Area. Decisions were made and approval was given to develop a program that was to be taken back to the Annual Conferences in 1959. At those sessions of the two Conferences, authority was given to build Fair Haven in Birmingham. The name of this home was taken from the place where Paul and his friends dropped anchor to avoid the tempestuous winds and seas. Fair Haven as to become a home where God's "Older Children" could spend the "winter-times of life" in a haven of refuge and peace.

Since the initial beginning of our Homes For The Aging program, Wesley Manor has been built in Dothan, Wesley Acres in Decatur, and in November of 1982, Wesley Terrace was opened in Auburn. Our four homes provide care for nine hundred and fifty persons on a daily basis. Many of these persons can well afford to live in our homes and pay their own charges, while a number of them could not live with us without the support and assistance from the Annual Conferences and other designated gifts.

During 1982, we were confronted with more persons having less income than their monthly charges. Even more persons have requested financial assistance in 1983 due to inadequate resources. We are well aware that there is no way to receive persons into our homes unless their incomes are adequate or unless we are able to raise funds from sources to underwrite their expenses.

We are indeed grateful that the Alabama-West Florida Annual Conference has helped

make it possible for us to provide a home for sixty-five persons at Wesley Manor whose funds were inadequate and the North Alabama Annual Conference helped make it possible for us to provide a home for eighty-six persons at Fair Haven whose funds were not adequate. This is a positive and visible way of the Church at work and we give Thanks!

We appeal to our Churches to help us face the issue of more and more of our people outliving their income. If the present trend continues, we will have eighty-five to ninety persons at Wesley Manor and one hundred and ten to one hundred and fifteen at Fair Haven by the end of 1983 who will be needing financial assistance. At the present time we need \$75,000 at Wesley Manor and \$125,000 at Fair Haven to assist those who already need financial help. We must not come to the position of asking persons to leave our homes because they cannot pay nor can we continue to say to persons who seek admission, "we have no funds to assist you." Please help us to be able to take care of those who have come to the mature years of life.

One of our residents at Fair Haven gave these words to me:

"Today, I am a resident in this Home
I need help, I need care, I try not to cost too much.
I have paid my way during my productive years,
I worked hard; I paid my taxes; I did my share at the church.
I tried to mold and make a "better life" for myself
and for those who would come after me.

I am now and always have been "Somebody."
I am a wife to a man, A husband to a woman,
A Mother; A Father; A Sister; A Brother.
Yes, the years have come and gone.
Don't blame me if I don't see too well or hear too well
and spill my food and need help often.
You see, I could be your mother or your father.
I cared for you, please care for me.
Because someday, you may be me."

Through Wills, Memorials, other designated gifts and continued Annual Conference support, our Homes will be able to assure those in the "winter-times of their lives" that they need not be afraid.

Thank you for helping to make it possible for us to help those who want so desperately to feel that life for them isn't over but that there is still something left in it for them to enjoy.

REPORT NO. 5

GOLDEN CROSS

Golden Cross is the fund of the Alabama-West Florida Conference which gives financial aid for medical bills to United Methodist families who are in extreme financial need because of hospital and medical bills which are beyond their ability to pay. During 1982, ten families were assisted with a total of \$4,818 or an average of \$482 per family.

Golden Cross receives financial support from the Golden Cross Sunday offering which is taken the first Sunday after Labor Day. Your gifts to this offering enable Golden Cross to respond to the medical expenses of needy United Methodists in our conference. Golden Cross brochures are available from your District Superintendent or from the Golden Cross director.

The rules that govern the Golden Cross Fund are as follows:

(1) Assistance shall be for United Methodists and any payment toward assistance shall be only to the hospital, doctor, or drug store and only after receiving a copy of the hospital, doctor or drug bill showing the amount of the unpaid balance.

(2) No assistance shall be granted to laymen except upon the recommendation of a pastor in a position to know the circumstances. Assistance to pastors shall be granted only on the recommendation of the district superintendent.

(3) The amount of assistance granted to any person shall be limited to a total of \$600.00 for any combination of hospital, doctor and drug bills.

(4) When, in the judgment of the Golden Cross director, extreme poverty seems to justify it, full payment (not to exceed \$600.00) may be made or financial aid may be given to the same person twice during the period of a year.

CONFERENCE BOARD OF LAITY

Following an effective leader is a challenge. Jack Temple provided such leadership to this Conference for the past four years. Jack, we thank you for your devotion and untiring efforts.

The annual Lay Sponsored Retreat will be June 24 and 25, 1983, at Blue Lake. If you have not made your reservations, please do so by June 15th.

The Laity Banquet at Annual Conference is not being scheduled this year in an effort to shorten the Conference and reduce overall expenses. Tuesday night will be a business session only.

It has been my privilege to represent this conference in Atlanta for a meeting of the Association of Conference Lay Leaders Southeastern Jurisdiction. The meeting proved to be a valuable training time for me as we planned the SEJ Laity Conference Retreat at Lake Junaluska for July 28-31, 1983.

A meeting of the National Association of Annual Conference Lay Leaders was held February 18-20, 1983 at Scarritt College in Nashville. I represented this Conference at that meeting and received valuable ideas and information which will be implemented through your Board of Laity.

Laity includes men, women and children. May we all prepare ourselves to be useful tools for His service everyday.

John F. Sherrer, Sr., Conference Lay Leader

COMMISSION ON THE STATUS AND ROLE OF WOMEN

The Commission on the Status and Role of Women continues to work toward carrying out its disciplinary responsibility "to challenge The United Methodist Church ... to a continuing commitment to the full and equal responsibility and participation of women in the total life and mission of the church, sharing fully in the power and in the policy making at all levels of the church's life," (Paragraph 2201-2209, 1980 Discipline) as advocate, catalyst, and monitor.

To implement the goals set by our conference commission within the commission's mandated function of advocate, catalyst, and monitor on behalf of women within the church, two regular meetings and a nurturing/training event in July, sponsored cooperatively with the North Alabama Conference Commission, gave members as well as representatives of United Methodist Women and Church Women United opportunity to become more familiar with responsibilities and help to enable them to do their work better. A major emphasis of the nurturing/training event was identification of women's needs and what the Commission on the Status and Role of Women should do. The consensus of our commission was that our first priority should be to reach women in the local church. To do that we must concentrate on: (1) more communication with District Superintendents; (2) attendance at all district meetings; (3) use of newsletters; (4) development of one to one communication on the local level; (5) more dialogue with the Bishop.

The Commission was represented at the Alabama-West Florida Annual Conference Workshop on Religion and Race held at Huntingdon College October 29-30, 1982.

The Reverends Libba and Judd Stinson represented Alabama-West Florida Conference at the third National Clergywomen's Consultation in Glorieta, New Mexico in February, 1983 with the help of funds provided through the commission clergywomen's task force funds. Approximately 750 women attended, gaining a sense of hope as they learned that Duke's

applications are nearly 50-50 male/female ratio for 1983-84. An earnest desire to work through the difficulties in areas of concern was expressed across the board and legislation addressing these issues is expected to be introduced at General Conference.

A survey designed to find women interested in serving on boards and agencies has been implemented and plans are underway for a training event to be held in January, 1984.

Two task forces will work on research monitoring lay and clergy salaries together with women and ethnic/minorities in cabinet and conference staff positions, and problems confronting clergy spouses considering the study by the United Methodist Church and the resolution presented at our Annual Conference.

The commission hopes to encourage churches to provide fuller participation of women in worship services through cooperation of district superintendents and commission district secretaries in acknowledging this, and giving recognition to these churches.

Monday, May 23, 1983 the Alabama-West Florida Commission on the Status and Role of Women will hold its annual breakfast meeting with women delegates to Annual Conference. An opportunity for sharing concerns and getting to know our nominees for election as delegates to General/Jurisdictional Conferences will be the agenda for this meeting.

The Commission welcomes opportunities to cooperate with conference groups as we celebrate our past and prepare for the future, seeking the improvement of the status and role of women in Alabama-West Florida Methodism.

Boots Guthrie, Chairperson

COMMITTEE ON CAREER/LIFE PLANNING

On May 13 and 14, 1983, the committee will sponsor a "Mid Life Journey" Conference at Oakwood Lodge, Blue Lake. The Resource leaders are Mrs. Verna Chesser and Ms. Nonie Green.

We are implementing a Summer Intern Program. This program will seek to help young people who are looking for positions in churches as summer youth directors and churches who are looking for youth directors to find each other. We are grateful to the Diaconal Ministers in the conference for providing the three-day training event for the intern program.

Charles R. Walker, Chairperson

BLUE LAKE ASSEMBLY GROUND COMMISSION

Blue Lake has completed another successful year in serving 17,849 persons. There were 114 United Methodist sponsored groups and 31 non-Methodist groups represented at Blue Lake during 1982.

We look hopefully to 1983 with expectations that we can complete some greatly needed repairs and improvements and chart the course for long range needed development with the continued fine support of the Churches of our Conference.

The rising cost of food, labor and utilities is still a factor in the operation of your assembly grounds. Because of these factors it was necessary to raise the rate for the first time in three years. The rates are as follows:

Alabama-West Florida United Methodist groups at Oakwood \$18.00 per person per day (which is three meals and one night lodging), Dogwood and Pinewood, \$16.00 per day per person. The rate for non-Methodist and all family reunions at Oakwood \$23.50 per person per day and Dogwood and Pinewood \$21.00.

The Blue Lake Partners program continues to grow. Through the use of these funds we have been able to continue our program of upgrading that which we have in the way of buildings and grounds. This money helps us to go farther than we would normally go. We urge each church to become a life partner in the Lake and give the opportunity for individuals and classes to become partners also.

The Blue Lake Fund apportioned to the local churches is essential to the operation of Blue Lake. Inflation and increasing cost of operation make this fund a must. I urge each local church to accept and pay "in full" the Blue Lake apportionment.

The financial support of the United Methodist Women of the Alabama-West Florida

Conference has made many of our facilities at Blue Lake possible. Their continued support in helping to further develop and improve our United Methodist Assembly Grounds is greatly appreciated.

The Assembly Grounds Commission wishes to express its appreciation to the ministers and lay persons of The Alabama-West Florida Conference for their support of Blue Lake and their cooperation in the program here.

COMMISSION ON TOWN AND COUNTRY WORK

Ask a grandparent about the grandchildren and immediately pictures and events are proudly revealed. Pride and love are very evident. Ask a member of the Commission on Town and Country Work where his or her interest lies, and quickly you will hear that there is a growing awareness of the value of the churches in the Town and Country area. You will hear about efforts to provide encouragement, training, and programs that are strengthening to many small membership churches. Self-image is improving across the Conference. It is evident that the commission is committed to programs and training events that will enhance the effectiveness of many congregations. We are ever challenged to be forceful and creative as we continue to search for new models for ministry to be implemented in our Conference. We encourage your suggestions.

Hinton Rural Life Center in Hayesville, N.C. is an agency of the National Advance. Their mission is to the Small Membership Church — supplying research, planning, and models of leadership rarely found anywhere else. Resource persons from Hinton provided the leadership at the Convocation of Small Membership Churches in April 1982 and 1983. These experiences are very valuable to those who serve the small membership church because they are directed toward the unique circumstance of the majority of the churches of our Conference.

The Commission on Town and Country Work can provide workshops for churches, cluster groups, sub-district, and district training events. Members of the commission have received training at Hinton Rural Life Center, Lake Junaluska, and beyond, acquiring leadership skills that qualify us to lead similar quest groups. We continue to expand the resource-talent bank for use within the Conference. We are available on request.

The Minister's Workshop continues to be very valuable to ministers of our Conference, particularly those who are serving their first or second appointment. However, its value is not limited to these, and, participation is open to any minister who feels that the material presented will be beneficial to his or her ministry. This workshop, so capably led by The Reverend Winston Jay, utilizes leadership skills from across the Conference in most of the areas of a minister's ministry. We are indebted to the District Superintendents and other

outstanding ministers of our Conference for their willingness to participate with us in this most worthy event.

The Bicentennial Celebration of the United Methodist Church during 1984 gives us opportunity to acknowledge and affirm our heritage. The roots of Methodism lie in Rural America. The Circuit Riders are numbered among the frontier pioneers. Wherever the people moved, so did these stout-hearted preachers, and Methodism spread across the country from the Atlantic to the Pacific. The reverse migration of the last 50 years, as we moved from an agrarian society to an industrial society, has once again created a frontier of limited population. The Commission on Town and Country Work is interested in making visible the needs of United Methodist churches that have experienced loss of membership and are of limited resources. We challenge every United Methodist in our Conference to be aware of opportunities for united efforts to make our connexional system truly inclusive.

Celebrating Rural Life Sunday provides us with an opportunity to affirm the ministry of the churches serving Rural America by acknowledging the valuable resources we all depend upon that come directly from the rural areas. Many of the ministers serving the urban churches, and members of their congregations have roots reaching into rural Alabama and West Florida. These rural churches provide training, experience, and encouragement to many ministers of our Conference and we need to undergird them. The commission urges you to be especially aware of Advance specials which assist programs that strengthen small membership churches and those who serve them. Materials were made available to encourage all churches to observe Rural Life Sunday. An offering received on this Sunday could be applied to Advance Specials with Rural significance, such as Ten Dollar Club, Heifer Project, Hinton Rural Life Center, or, a qualifying church in your district.

Curtis S. Ford, President

HINTON RURAL LIFE CENTER HAYESVILLE, NORTH CAROLINA

There are no small churches. There are small ideas — small numbers — small efforts — small self-images — small commitments — but, where people gather to worship God — where lives are changed by faith in Christ — that is greatness and there is cause to celebrate.

The Hinton Rural Life Center, Hayesville, N.C. 28906 is focusing attention to this greatness in its commitment to strengthen the small membership church. The ministry and mission of

Hinton Rural Life Center are supported by the Advance Special giving of The United Methodist Church particularly across The Southeastern Jurisdiction.

The programming of the Hinton Rural Life Center is built upon the ingredients of research, models, and renewal.

1) Research and data gathering focus on churches with small memberships and churches located in Town and Country settings for the purpose of strengthening their ministries.

2) Models are developed from experiences and learnings in small membership churches and Town and Country churches.

3) Renewal of the spiritual health of a congregation is a prerequisite to effective ministry and missions.

Events for this purpose are held at Hinton Center, and, in Annual Conferences where the Hinton staff is invited.

Staff personnel have led or been a part of workshops in our Conference the last three years. Their knowledge, skills and leadership qualities have enhanced the success of these workshops. Hinton Center provides a variety of resources for our Conference in programming for Town and Country churches.

The Council on Ministries of the Southeastern Jurisdiction has recommended that each Annual Conference of the Jurisdiction establish a goal of \$25.00 per church for the support of Hinton. This is not an unrealistic goal for an agency that offers so much service to the small membership churches of our Conference.

Many churches of our Conference have selected Hinton Center as an Advance and have given support. These churches are commended for their response, and are encouraged to continue this support in future years. There is a need to increase the number of participating churches and individuals who recognize the value of Hinton Center and will give financial aid. Film strips and personal presentations are available upon request.

You are invited to come to Hinton and enjoy the mountains, meet the staff and take a tour of the buildings and the area.

Curtis S. Ford
Alabama-West Florida Conference Representative
Hinton Rural Life Center

The Town and Country Commission is a member of the Southeastern Jurisdiction Association of Town and Country Leaders. Fred Bailey is the Conference Representative to the Association and a member of the Executive Committee. Some functions of the Association are to be sensitive to and supportive of Town and Country concerns in the Southeast, such as parish re-formation, cooperative ministries, teaching parishes, small membership church development, economic developmental needs of Town and Country Churches and Communities through the Association's representative to the SEJ Committee on Program and Leadership Development and the Commission on Missions and Ethnic Minority Concerns; and to develop and promote an annual meeting of the Association in the Southeast and promote meetings of Town and Country Leaders nationally.

Each fall at Hinton Rural Life Center, Hayesville, North Carolina, the Association holds a Delegated (Program Exploration Committee) Meeting. Each Annual Conference will delegate six persons to serve as a program "seed bed" work group for the purpose of exploring, initiating and strategizing Town and Country concerns. Their recommendations may become program emphases for consideration by Hinton's Board of Directors.

Summer events at Lake Junaluska have been planned by the Association. This summer a Convocation on Churches with Small Membership will be held July 18-21 for all persons who affirm the validity of the small membership church, who celebrate its contribution to the denomination and society, and who are willing to help design a practical plan of vitalization for those congregations who comprise seven out of ten churches in this Jurisdiction.

COMMISSION ON WORSHIP

The Commission on Worship of the Alabama-West Florida Annual Conference is seeking to help our people experience the joy and gladness, the wonder and grandeur, the peace and comfort, and the hope and inspiration that comes through true worship. Nothing is more essential to our Christian faith than worship, and the Commission on Worship desires only to increase our dedication to offering God our best as we worship. Worship is an offering to God. It is the giving of our praise and thanks, of our time and talents, and of our very lives to God, our Creator and Sustainer. The ways we worship are many, and so are the styles of worship. There is no absolutely right or wrong way to worship. Rather, true worship happens when we offer God our best. The sermon you preach, the song you sing, or the prayer you pray is wholly acceptable to God when it is the best you have to give.

Within the last year, the Commission on Worship has provided leadership for several district workshops on worship, and we are ever anxious to work in more. We offer our services to any district superintendent, pastor, or local church to help them however we can in the area of worship.

The Commission on Worship is working with the Bicentennial Committee in several ways to help celebrate our 200 years of American Methodism. One of these joint efforts is the collection and distribution of "Bicentennial Minutes" to be used in our worship services during 1984. We are also planning to sponsor a Bicentennial Sermon Contest next year.

The Youth Choir Camp, which the Commission on Worship sponsors, continues to be a meaningful experience in the life of our conference. Last year the camp was held July 25-30, 1982, at Oakwood Lodge. Our guest clinician was Dr. Allen Pote, and Mr. Larry Lord of Jay, Florida, was the dean. The Reverend Libba Stinson, Secretary of the Commission on Worship, served as chaplain. Choir Camp is a wonderful experience and good training in the lives of many young people in our conference. The 1983 Youth Choir Camp will be held July 25-30, 1983.

Our Commission on Worship joins with the Commissions on Worship of North Alabama, North Georgia, and South Georgia in sponsoring the annual Convocation on Worship in Columbus, Georgia. February 11 and 12, 1983, were the dates of the most recent event.

The worship services at the Annual Conference Sessions are taken very seriously by the Commission on Worship. We appreciate the leadership given by Bishop Frank L. Robertson in emphasizing the importance of worship at Annual Conference. The Morning Devotional Services for 1983 have been planned by a task force of the Commission on Worship. The Reverend Marcus Smith is chairperson of this task force.

As the Commission on Worship, we stand ready to offer any assistance we can to help us all to worship God more faithfully. We believe that our theology, our devotion to Jesus Christ, and our love for each other grow out of our experiences in worship. Therefore, let us worship God with our total lives to the end that we will grow in discipleship to our Lord.

AREA BOARD OF PASTORAL CARE AND COUNSELING

The Area Board of Pastoral Care and Counseling continues its ministry to those in ministry. Our statistical summary for this past year indicates that 294 different persons or units were actually seen for counseling or consultation. The Executive Director has seen 209 individuals,

couples, or families and our Associate-in-Training has seen 85. These figures suggest our services are being fully utilized and our outreach great.

Our staff continues to be a resource in the area where expertise in the field of pastoral care and counseling is needed. In fact, the demand is greater than can be fully met. Proposals and funding requests have been placed before the annual conference to increase our Associate-in-Training Program by two. Hopefully, we will be in a position to have a person in Pensacola and Decatur three days per week. This plan will not only increase the availability of services but will establish our annual conferences as leaders in pastoral counseling education.

Our board continues to examine needs for training and continuing education in pastoral care; and where they are discovered, attempts are made to meet them. A recent example of this effort was the highly successful Cancer Counseling Seminar offered to selected clergy in every district of our area.

Our Executive Director will be participating over the next two years in the Academy for Spiritual Formation sponsored by the Upper Room. This continuing education experience for him will undoubtedly benefit us all.

Thank you for continuing to support a ministry to those in ministry.

SUPPLEMENTAL REPORT CHURCH-OWNED PARSONAGE/HOUSING ALLOWANCE

In 1981, the Systemic Issues Committee of the Board of Pastoral Care and Counseling (Birmingham Episcopal Area) conducted a study of the church-owned parsonage/housing allowance issue as it relates to the itinerant system of the United Methodist Church. As a part of that study, two interviews were conducted regarding churches that had made a transition from church-owned parsonage to a housing allowance.

One interview involved the pastor of a city church in the North Alabama Conference: Rev. Joe S. Elmore, First United Methodist Church, Tuscaloosa, Alabama. The other interview involved the lay chairman of the committee established to study and make recommendations regarding parsonage/housing allowance for a small city church in the Alabama-West Florida Conference: Mr. Jere Gault, Gulf Breeze United Methodist Church, Gulf Breeze, Florida.

The similarity of accounts given in these two unrelated cases is striking. In both churches, there had been a recognition that there was a need to do something with the existing parsonage. Committees were appointed to study the matter, and each committee functioned without any direct participation by the pastor. Various alternatives were examined, with a conclusion that the local church was not locked into a particular house, nor locked into the idea of a church-owned parsonage.

In both churches, the committees agreed to recommend that the pastor be given a housing allowance, instead of purchasing a new parsonage. And both ministers were given the power to veto the proposal. In neither instance did the minister initiate the discussion of a housing allowance. The idea came from laypersons.

There were several reasons for this decision which were common to the two committees: We want to do what is best for our pastor.

We want our minister to have a house which will meet *his* and his family's needs.

We want to end the landlord/tenant kind of relationship between the church and the pastor.

We believe that this transition will have a good psychological effect on the pastor and his family.

There would be a tax advantage to the minister under existing laws.

In the North Alabama Conference church, the old parsonage was sold, with some of the proceeds used to lend the minister money for down payment on a house, and with the church holding a second mortgage on the house. When the minister is transferred, the second mortgage will be due. That money, plus the interest paid, will be used to lend down payment money to the next pastor assigned — if he elects a housing allowance to buy a home. In the Alabama-West Florida church, the old parsonage was rented, rather than being sold.

The objections voiced regarding adopting a housing allowance seemed mainly to center around potential difficulty to the appointive process. However, it was believed that the consultative process in the appointment-making process would reduce the difficulties involved.

From the ministers' point of view, the satisfaction of being able to choose a house suited to their own family needs, and the joys (as well as the frustrations) of home ownership have been very positive experiences. As one minister put it: "Having our own home is the best thing that ever happened to our family." And this arrangement is not seen as locking them into their present appointments, nor as locking them into a housing allowance arrangement.

In neither instance was there any adverse effect on the church budget. But each of the persons interviewed expressed awareness that the decision to change from church-owned parsonage to housing allowance would not be appropriate for all churches. For the churches with which they were involved, however, they indicated that it had been a very satisfactory solution to an existing problem.

PROPOSED PROJECTS FOR THE BICENTENNIAL CELEBRATION

Methodism: For Two Centuries Proclaiming Grace and Freedom

"Claiming the past, Celebrating the present and Challenging the future."

1. Plan for attendance at the drama "At Great Price" which will be given in every District by the Huntingdon College Pulpit Players.

2. Issuance of certificates honoring churches and congregations which have been established 100 years or more.

3. Memorial gifts to your church library. Books pertaining to early Methodism and its founders.

4. Museum room for displaying your church's artifacts. This can be pictures of Sunday School picnics, weddings, past ministers. It can be Communion Services no longer in use. Appoint a curator who will be responsible for cataloging items and locking room when it is not being monitored.

5. Costumes to be worn by members on Heritage Sunday and on other special days during the celebration.
6. Bicentennial Minutes to be given every Sunday during the Worship Service in 1984. These can be an event in the life of your congregation, The United Methodist Church, the United States, The Mississippi Territory, music by one of your choirs. Use your imagination! The important idea is to remind every United Methodist that we are, and have been, making a "joyful noise unto the Lord."
7. Visit members of your church who do not attend regularly and ask them to attend. Include them in Bicentennial fellowship suppers, etc. Evangelize!
8. Consider forming task forces from your local church and district who will instigate and execute local planning for our Third Century. Find out what your church and/or community needs are. Is it a hotline for runaways, is it meals for shut-ins, is it visiting the jails, is it the founding of a food bank??? Your community needs United Methodists who will dedicate themselves to celebrating our past 200 years and who will make our Third Century aware that we believe what we say.
9. Honor members who have been important in the life of the church, city, county, state and nation. If there are people you wish to honor posthumously, attempt to have descendants of the family present on the Sunday the past member is memorialized.
10. Check the Cokesbury Catalog for pins, bells, literature, etc.
11. Plan an intergenerational Vacation Church School for 1984.
12. Plan for a delegation from your church and/or district to attend Covenant Renewal Sunday on May 27, 1984, in Montgomery.
13. Tape recorders for sermons to take to shut-ins and hospitals.
14. Sponsor a Mother's Morning-Out. Enlarge on the idea and invite ambulatory golden agers who may be living with a daughter or daughter-in-law. They might enjoy a Grand Recess.
15. Shopping trips for elderly and/or infirm friends and members.
16. Sitters to aid families of terminally ill patients. Set up a register of people willing to give an hour or two a week to perform this valuable service.
17. Form religious drama group with other denominations if your church is not large enough to sponsor one among its membership.
18. Ask other denominations in your community for the privilege of interpreting and/or explaining Methodism and its Bicentennial to them.
19. Plan trips to Savannah, Georgia, and other historic Methodist sites. Do not forget McIntosh, Mossy Hill in West Florida, and the area around the Asbury Mission School.
20. Subscribe to the Christian Advocate. Know what your Area, Conference, Jurisdiction, District and local Church are, or are not, doing.
21. Form study groups to review the books being published by the General Board of Discipleship. They are soul shaking! Don't miss these books.
22. Appoint a church historian to compile your history and see that it is current. Remember our Depository. Tape oral histories from older members. Cokesbury has a pamphlet on "how to."
23. Plant red, white and blue flowers which will bloom at the same time. If your church needs landscaping, use Alabama/Florida's wild flowers. Your gardening members will enjoy this project.
24. SING! Ask your Choir Director to plan to use John and Charles Wesley's hymns. Participate in the Bicentennial Hymn Contest.
25. Become penpals with other United Methodists in other places. Find a spot on the globe that interests you and we will try to find a penpal!
26. Plan to use a sign in your yard on Heritage Sunday, 1984, which says, "A UNITED METHODIST HOME CELEBRATING 200 YEARS." Use a Bicentennial logo. Let's show Alabama and West Florida that we are alive and well and ready to take on our Third Century and win.
27. Encourage your minister to participate in the Bicentennial Sermon Contest which will be sponsored by the Commission on Worship.
28. Contact the Bicentennial Interpreter or your local or district representative if you think of projects we should be undertaking.

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS AFFAIRS

The United Methodist Church throughout its history has been committed to the ecumenical spirit by promoting the *Gospel* of Christian unity which has its beginning theological statements in the New Testament. *The Book of Discipline* (1980) and the Scriptures (Galatians 3:28) give to us the responsibility of promoting unity and fellowship among the peoples of all denominations and faiths. We are directed to break down the barriers which separate Christian peoples through seeking "oneness in Christ Jesus" by finding a common bond of fellowship among the religious faiths of the world.

Therefore, we urge the members of the Alabama-West Florida Conference to commit themselves to the strengthening, in unity, the wholeness of the Christian Church and its effectiveness in God's mission to his peoples in and through the Covenant relationship. We are encouraged to promote reconciliation among Christians of all denominations through our demonstration of the one, true form of the Body of Christ. Through our membership in the National and World Councils of Churches we are called to make application of the Gospel in all of life by working together on the major issues facing the world and the churches and to facilitate programs which cannot be done by any single denomination through our compassionate concern and service to all human needs.

We encourage each local church to initiate ecumenical services and mission in their communities. We urge the observances of Christian unity by our congregations in promoting ecumenical programs through

- The Week of Prayer and Christian Unity
- Brotherhood Week
- Consultation on Christian Unity Sunday
- Reformation Sunday
- All Holy Days

Planning special ecumenical programs is most important in the ministry and mission of the Gospel of Christ Jesus. The Church's vision includes all peoples of God through its fellowship in one Lord, Redeemer, and Saviour.

H. Stanley Mullins, Chairman

AREA BOARD OF COMMUNICATION/ADVOCATE

The Area Board of Communication is pleased to report that during 1982 the Office of Communication/Advocate continued to show an increase in its activities and a diversification of its function.

The office continued to operate smoothly and ended the year within the approved budget. At the close of the business year, December 31, 1982, the total income from all sources amounted to \$189,923.29. This exceeded the estimated income for the year by more than \$8,000. Budget expenses for the year totaled \$181,275.00, actual expenses for the year totaled \$169,093.00. Miss Suzanne Kennemer's title has been upgraded to assistant editor and Mrs. Jeanne Glasgow was employed full time as the circulation manager/secretary.

The Advocate, like all facets of the church, felt the effects of the economic recession and experienced a drop in subscriptions from its early peak, due to the cancellation of large church lists. Subscriptions increased to about 12,000, which is well above the beginning figure, 9,000 at reorganization in 1981. We are happy to report that the Advocate is now operating without deficit in its publishing and mailing expense.

The office staff has been involved in either presentations promoting the Advocate or in training sessions for local church communicators in all districts of the Episcopal Area. In addition to these presentations, the editor participated in the worship services in three churches.

The Communications staff also planned and implemented three major workshops. A Newsletter Workshop was conducted for the Sylacauga District for which the staff served as resource persons. Computer in the Church Workshops were conducted in Birmingham and Montgomery.

Ten radio spots were produced and aired over 15 of the larger radio stations in the Episcopal Area. These were aired one week each month during June through September.

The Lake Junaluska Singers Thanksgiving television show was aired over cable television stations in Birmingham and Montgomery. The Bishop's T.V. spot for the Lenten season was produced and aired over five major television stations covering the entire Episcopal Area.

The editor also attended a Communication Training Workshop at St. Simons Island.

The Area Board of Communication/Advocate and the office staff appreciate the support given by Bishop Robertson, the District Superintendents as well as the clergy and lay persons of both conferences. The Area Board also wishes to express appreciation to Dr. Paul Ruark, editor, Ms. Suzanne Kennemer, assistant editor, Mrs. Jean Glasgow, circulation manager/secretary, and to Mr. Robert Walston, bookkeeper, for their dedicated service to this mission.

The year 1982 can be characterized as a year of regrouping, continued growth and changes. We are thankful for the ministry that we have been able to perform and thankful for God's guidance in performing it.

The Rev. Joe Lisenby, Chairman
Dr. Paul Ruark, Director/Editor

THE BOARD OF MANAGERS — THE PASTOR'S ASSEMBLY

The Pastor's Assembly Board of Managers rejoices over the well-attended (best in years) and effective Pastor's Assembly held on September 20-21, 1982, at Blue Lake. We regret that our Bishop Robertson could not be with us due to illness in his family. Our resource leaders were outstanding. Dr. Albert C. Outler, Professor Emeritus, Perkins School of Theology, Southern Methodist University, Dallas, Texas stimulated us as he spoke of Wesleyan theology and its application to our living. Dr. Anthony Campolo, chairman of the Department of Sociology and Youth Ministries at Eastern College, St. Davids, Pennsylvania, made us more aware of our obligations as Christians in every area of life. Chaplain Don Reeves, U.S. Air Force, gave us some light and probing moments of humor. For the first time, continuing education credit, was available for those who met the requirements. Theme for the 1982 Pastor's School was "The Gospel In A Changing Society."

Our 1983 Pastor's Assembly will be held October 17, 18, 1983, at Blue Lake. The theme is: "The Word For All Seasons." One resource person will be Dr. Bruce C. Birch, Professor of Old Testament, Wesley Theological Seminary, Washington, D.C. He will be our Bible Scholar. Dr. Leontine T.C. Kelly, The Board of Discipleship Staff, Nashville, Tennessee, will be our second resource person. She will be our preacher. Both of these persons are qualified to deal creatively and helpfully with the theme. Cost of the 1983 Pastor's Assembly will be \$30 (a five dollar increase over 1982 due to increase of costs at Blue Lake). Our dean this year is Rev. Walker Epps. Rev. Bobby Holladay is assistant dean. Rev. Kathryn Gatewood is registrar. Rev. Lee Allen is assistant registrar. Continuing education credit will be offered again this year.

Already plans are underway for the 1984 Pastor's Assembly. The theme will be: "Into Our Third Century." Hopefully we can enlist an outstanding authority on Methodist tradition and heritage and another authority on our present world and the future.

We express gratitude to our Bishop, the Cabinet, and the membership of the Conference for their continued support of the Pastor's Assembly.

Billy D. Gaither, Chairman

THE BOARD OF PENSIONS

REPORT NO. 1

PENSIONS, ANNUITY RATES, APPORTIONMENTS

We recommend that the total annuity rate for service years prior to 1982 be one hundred sixty-five (165.00) dollars per service year as a minister or approved lay pastor with pension credit; the total rate for widows be one hundred fifteen dollars and fifty cents (115.50), provided that, for ministers, lay pastors and widows who are provided homes by the confer-

ence the annual pension amounts be adjusted by a reduction equivalent to \$15.00 for ministers and \$10.50 for widows for each year of service as a minister with pension credit in any conference or under special appointment with or without pension credit upon the Alabama-West Florida Conference.

We recommend that the apportionment to the local churches for the pensions and benefit program of the annual conference be \$1,300,000 for the calendar year 1984.

We call attention to paragraph 726.4 of the 1980 Discipline relative to the requirement that the apportionment for the pensions and benefit programs be paid in proportion to payment of a ministers salary and to the policy of the Board of Pensions charging defaults to ministers which constitutes a lien upon pension claims if not otherwise paid. Interest is added to other unpaid obligations at the rate of 7 per cent annually.

REPORT NO. 2

We further recommend that premiums for Death Benefit programs be maintained by the Conference Claimants Fund and that ministers' premiums for the DBP-Plus be \$31.00 per year.

We recommend that the present policy for eligibility, enrollment and participation in the DBP-Plus plan be continued.

REPORT NO. 3

RESERVE FUNDING OF PENSIONS

We recommend that the resolution designated as report number 1, page 161 of the 1969 Journal and subsequent amendments, recorded on page 154 of the 1972 Journal and page 135 of the 1973 Journal shall be further amended to provide that, effective with the deposit made monthly, the level annual deposit for the purpose of funding pensions through the Ministers Reserve Pension Fund shall be such adjustment being required to fund prior years at the rate of \$165.00 per service year.

REPORT NO. 4

HOMES FOR CLAIMANTS

We recommend that \$50,000.00 be apportioned for Homes for Claimants subject to the approval of the Council on Finance and Administration for 1984.

The Conference now owns 39 units, having an insured value of \$1,179,000.00. Thirty-three of these are in Alabama; six are in Florida. At the beginning of the year, 1983, the outstanding indebtedness on these homes was \$30,604.00. Payment on this debt is \$515.15 per month.

The cost to maintain and repair these homes and insure them was \$37,783.69.

The Board has on deposit in interest bearing accounts a total of \$90,518.00, of which \$36,000.00 is held in reserve and pledged to pay two annuities to those who have deeded their homes to the Board. During 1982, \$3,500.00 was paid on these annuities. The remainder of the invested funds provides funds for the maintenance of our homes.

The Board holds three mortgages on property it has sold to individuals which produce \$678.73 per month. When homes are available, they may be rented. We receive income from the rented homes which assists in the operation of this program.

The Board is in the process of evaluation and study of our homes program. A survey of our ministers is being conducted which projects the need for homes in the future, the location and type of housing desired. From this information and from careful study, we hope a workable homes program for the future will be planned. The high cost of housing, interest rates, and availability of housing forces us to take a careful look at this program and the type housing we can best afford. If we are to be in the homes program, we must provide the resources for the best possible housing of our retired ministers and their families.

One aspect of our housing program we wish to encourage is the continuing emphasis upon our people considering leaving their homes to the Board for use by the Board in this program. As of this date, March, 1983, we have eight homes provided for in this manner. Interested persons in our churches should contact the director of our homes program for information and assistance in this effort.

CLAIMANTS MEMORIAL FUND

We recommend the continuation of the Claimants Memorial Fund, such funds being invested by this board with interest being used for the benefit of the conference claimants. Individuals and groups are invited to make voluntary contributions in any amount to the fund as memorials to deceased ministers or members of ministers families or lay persons. Checks should be made payable to the Alabama-West Florida Conference and sent to the Conference Treasurer, Box 700, Andalusia, Al. 36420, with the name or names of persons being memorialized. The families of the memorialized persons will be notified of such memorial gifts.

We recommend that special appointments to non-Methodist institutions shall be listed as without pension responsibility on this Annual Conference.

We recommend that all missionaries shall be listed as with pension responsibility on the Board of Global Ministries of The United Methodist Church.

REPORT NO. 7

DEPOSITORIES

We recommend that the official depository for the pension funds shall be the same as that designated by the conference for other conference funds and the General Board of Pensions of The United Methodist Church; provided, that the Board of Pensions and Homes for Claimants may from time to time determine other depositories for invested funds among financial institutions that are insured by a government sponsored agency.

REPORT NO. 8
PENSIONS FOR LAY EMPLOYEES

We strongly endorse the reserve pension plan administered by the General Board of Pensions for lay employees of United Methodist agencies and local churches. We recommend it to our local churches and agencies and urge that they use this official plan for The United Methodist Church to provide pension coverage for the devoted lay men/women who serve in their employ just as the Annual Conference provides for pensions for ministers.

Interested churches and agencies should contact: Wayne L. BonDurant, General Board of Pensions, The United Methodist Church, 1200 Davis Street, Evanston, Illinois 60201. Phone (312) 869-4550.

REPORT NO. 9
FULL-TIME SERVICE AS A REQUIREMENT FOR PENSION CREDIT

We call attention to the following provisions which appear in paragraph 1706.4a of the 1980 Discipline relative to full-time service as a normal condition for pension credit.

a. Full-time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part-time service by a three-fourths vote of those present and voting in the Annual Conference, on recommendation of the conference Board of Pensions (and Homes for Claimants).

b. Full-time service shall mean that full time is devoted to the work of a pastor by one who has not attained the age of mandatory retirement for a conference member, who is not attending school as a regular student, who is not substantially employed in nonpastoral work; and whose cash support per annum from all (church) sources is not less than the schedule of equitable salaries adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full-time service as defined, except in cases of approved part-time service.

REPORT NO. 10
**RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES
FOR RETIRED MINISTERS OF THIS CONFERENCE**

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed minister in consideration of previous, active service; and

WHEREAS, the Internal Revenue Service has recognized that the Alabama-West Florida Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this conference;

NOW THEREFORE BE IT RESOLVED, that an amount of 100% of the pension payments received during the year of 1983 be and is hereby designated as a rental/housing allowance for each retired ordained or licensed minister of The United Methodist Church who is or was a member of the Alabama-West Florida Conference at the time of his or her retirement: that the pension payment to which this rental/housing allowance applies shall be the pension payment resulting from all service of such retired minister from all employment by any local church, Annual Conference or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of:

- 1. the amount of the rental/housing allowance designated by the minister's employer or other appropriate body.
- 2. the amount actually expended by the minister to provide his or her housing, or
- 3. the legally determined fair rental value of the parsonage or other housing provided.

As specified in IRS ruling 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107 (2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

PENSION FUNDING CRUSADE

With the end of 1982, we can point with pride to the successful completion of our Pension Funding Crusade. At that time we had received a total of \$3,431,169.43 for the Crusade. Receipts through February, 1983, have raised this total to \$3,434,959.29, and each month more is added to our Crusade receipts. At the end of February, 1983, we had received 84.24% of our adjusted fair share goal of \$4,077,859.00.

The number of churches paying 100% or more of their fair share goal, through February, 1983, was 386 out of a total of 726 churches which were in existence at the time the Crusade began. The district totals are:

	100% Plus	No. of Churches	Per Cent
Andalusia	49	89	55
Demopolis	42	109	39
Dothan	41	83	49
Marianna/Panama City	41	70	59
Mobile	25	64	39
Montgomery	39	82	48
Pensacola	54	72	74
Selma	43	74	58
Troy	52	83	63
Totals	386	726	53

Certificates of appreciation for these 100% churches have been given or are awaiting delivery. If we have overlooked a church, we apologize and will be happy to send a certificate when informed to do so.

We hope churches will continue to try to reach their fair share goal if incomplete. We will maintain our books on the Crusade through 1983, but church by church reports will not be sent as in the past.

We are exceedingly grateful for the support of all the churches in funding our pensions program in the manner they have. Each church has played a significant part in this pensions program that will mean so much to our future funding efforts.

COMMISSION ON EQUITABLE SALARIES

The purpose of the equitable salary fund is to provide assistance to those ministers and their families serving charges whose salary will not assure a minimum standard of living. We believe that every charge desires to provide its minister with an adequate salary without assistance.

1. We, therefore, recommend that all charges receiving equitable salary assistance continue a program that will eliminate the need for salary supplements for their pastors.

2. The DISCIPLINE requires that a fully scheduled equitable salary be paid before pension credit can be granted by the Board of Pensions. To participate in the Insurance and Death Benefit Programs the minister must have pension credit. To receive fully scheduled equitable salary for the minister's category the Church must pay 80% of the equitable salary schedule for 1984. Pastors of newly organized congregations can for two years receive up to one-half of the equitable salary schedule from the fund for its pastor.

3. The equitable salary schedule shall be based on the average Conference salary of the full connection and probationary members as determined by the Board of Pensions. The schedule for the various categories (rounded to the nearest \$100) will be based on the following percentages of the average Conference salary:

Members in Full Connection, 80% of average Conference salary

Probationary Members, 80% of average Conference salary

Associate Members, 75% of average Conference salary

Seminary Students (married), 62.5% of average Conference salary

Seminary Students (single), 58.5% of average Conference salary

Full Time Local Pastors, 66% of average Conference salary

Local Pastor-Student (married), 50.5% of average Conference salary

Local Pastor-Student (single), 46.5% of average Conference salary

4. The amount of equitable salary a minister is eligible to receive is based upon the total of his salary, travel allowance, utilities and other approved church related allowances.

5. Only full time pastors, retired pastors as specified in Item 6, and student pastors are eligible for equitable salary support.

6. If the combined total of all income received from The United Methodist Church by a retired minister (plus his Social Security) is not equal to the equitable salary schedule then the Commission on Equitable Salaries shall pay the difference up to \$2,400.00. To qualify the retired minister must be serving full time.

7. It is recommended that the equitable salary secretary be authorized to issue check orders for equitable salary only after each District Superintendent has certified (a) complete income and amount of need of each pastor who is to receive equitable salary aid; (b) that the charge did conduct an Every Member Commitment program emphasizing the total program of the United Methodist Church; (c) that the pastor gives leadership in promoting the total financial program with special emphases being given to the ministerial support and World Service and Conference Benevolences apportionments. It is not the responsibility of the Commission on Equitable Salary to determine all the ramifications of a man's employment; this is the responsibility of the Superintendent. It is recommended that the secretary withhold any funds until the District Superintendent has provided all the information as accurately as possible on the forms provided by the secretary.

8. No pastor of any classification shall receive aid from the fund if he receives income from any other church source, if the income, plus salary from the charge he or she serves, is more than the equitable salary for his or her classification, except as provided in 16 and 17 of this report.

9. No person qualifying for equitable salary which amounts to less than \$100 will receive any equitable salary. We feel that local churches can take care of this small amount.

10. The administering agency will grant aid only to persons who have met the requirements and are certified by the Board of Ordained Ministry as eligible to receive equitable salary payments.

11. No associate pastor shall receive aid from this fund.

12. Each District Superintendent is required to review all equitable salary situations in his district to reduce the need of equitable salary funds. No charge shall receive equitable salary assistance when divided unless the Town and Country Commission has surveyed and recommended, and the Commission on Equitable Salaries has approved the division. We

recommend that churches or charges, to be eligible for equitable salary aid, should consist of three or more churches of a minimum of 100 members, except in the case of a new church.

13. We recommend that the Conference Budget provide the funds necessary to carry on the equitable salary program as directed by the Annual Conference.

14. The secretary of equitable salary shall file with the Assistant Secretary of the Journal for publication in the Journal each year a report listing the payments for the equitable salary fund during the year, giving names of the pastors and charges, and amounts paid from equitable salary fund.

15. We recommend that no pastor serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable salary unless there is no appointment available for him in this Conference and he is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the pastor himself shall not be considered reason enough to receive equitable salary aid.

16. The Commission on Equitable Salaries feels that there may exist from time to time certain situations within our Conference where special attention may help a church to more quickly become self-sustaining. In such situations, a supplement, determined by the Commission on Equitable Salaries, above the regular equitable salary, may be given the pastor, provided the money is available for this purpose. Normally no situation will receive this special consideration for more than four years. Ordinarily no more than three such situations will be considered during a year, based on money available. Such cases will be called Growth Potential Situations. In order to be considered, every case will be judged by certain criteria, and final determination will be done with the approval of the Board of Missions, since the board handles the money for church extension. Each situation will be judged by the following criteria: a. growth potential; b. leadership requirements; c. age of the church; d. indebtedness.

17. In the case of cooperative parish ministries or specialized ministries the District Superintendent, in consultation with the District Board of Missions and Commission on Equitable Salaries, shall be allowed to supplement the salary of a pastor/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable salary, without any reduction in the equitable salary support.

18. The Commission on Equitable Salary feels that there may exist from time to time hardship cases, which need to be considered for help. These cases may be presented by the District Superintendent to the Commission. Sensing a need for such help for a charge, the District Superintendent should hold the Charge Conference before the November meeting of the Commission on Equitable Salary. The final decision on each situation will rest with the Commission on Equitable Salary.

19. As an incentive to motivate churches to begin to reach toward total support of their pastoral leadership, we propose to give the preacher 60% of any salary increase above the amount currently paid by the church after the Minimum support required for his or her category has been reached. This would apply to the charge which he or she is serving at the beginning of our payment period, which is January 1. This supplement is to be recomputed each year and we recommend that the Cabinet consider this accumulative amount as part of his salary when appointed to another charge.

20. We recommend the following be the Equitable Salary Schedule for 1984.

Member in Full Connection	\$14,300.00
Probationary Members	14,300.00
Associate Members	13,400.00
Seminary Students (Married)	11,200.00
Seminary Students (Single)	10,500.00
Full Time Lay Pastor	11,800.00
Local Pastor Student (Married)	9,000.00
Local Pastor Student (Single)	8,300.00

ETHNIC MINORITY TASK FORCE

The General Conference established a Missional Priority for the quadrennium 1981-1984. That priority is "Developing and Strengthening the Ethnic Minority Local Church." It is a

response to a critical need in God's world which calls for the United Methodist Church to take action in ordering or reordering programs and budgets at every level of the Church as adopted by the General Conference. This need is evident and requires response beyond any single agency or Annual Conference.

Many thanks go to our boards and agencies which are a supporting arm to this existing need. In the interest of our Conference and extending through the General Church, our Task Force Program Designs have been accepted by the United Methodist Communications in helping other Conferences to set up and implement their programs.

Under the dedicated leadership of Rev. E.D. Ridgeway the Task Force has moved forward in many avenues in strengthening the local church. It is setting for itself a record that the hands of time will not be able to erase.

Since merger, six church plants have been erected, four have been completely renovated, and others have had extensive and minor repairs. Three parsonages have been purchased and built and repairs have been done on others.

In the avenue of recruitment for the Christian ministry, eighteen persons have made full commitment. Two of the recruits have finished Gammon Theological Seminary; one will complete studies at Candler School of Theology in May of 1983. Three are attending Huntingdon College and will complete their studies by 1984, and enter Gammon and Candler Schools of Theology. Three have been recruited from other areas of our conference.

The Task Force is now making a concerted effort to further strengthen the local church by:

1. School on Wheels — The purposes of the schools are: to help develop and enhance leadership among minority youth and adults in the areas of outreach ministry through teaching and learning experiences; to help become better informed church members and give more effective leadership to the local church; to help ethnic minority youth and adults to understand the function of the church on the local, district, and conference levels.

The basic courses taught are as follows: "Structure and Organization of the Local Church"; "The Local Church Educational Ministries"; and "How and Where the Money Goes."

2. Scholarships — The EMLC Task Force has been able to make a tremendous impact on its goals and objectives drawn up at the organizational meeting in December of 1981.

The Task Force has made it possible for scholarships totaling \$4,252.83 for ministerial students studying, who have committed themselves to the ministry in the Conference.

The following grants have been awarded:

Ethnic Youth Delegation — \$500.00

Chapel United Methodist Church — \$2,000.00

Gulfside Assembly, Waveland, Mississippi — \$1,000.00

BMCR Convocation — \$374.58

The Task force highly recommends:

1. That all goals and objectives adopted in the 1982 session of the Annual Conference which we have not achieved be continued.

2. That the executive and ex-officio members remain in their present positions.

3. That Gulfside be given a grant of \$2,000.00 for operational support.

4. That the Alabama-West Florida Conference continue to extend unlimited support to the goals and objectives of the Task Force.

(Para. 710.5, 1980 Discipline).

10. The adoption of reports and recommendations of the council by the Annual Conference shall become the final action of the Annual Conference, and shall be accepted regardless of the adoption of any and all reports and recommendations of boards, commissions and agencies. An exception is made when there is a difference between the report of the council and the request of the Board of Pensions and Homes for Claimants, in which case the latter shall take precedence.

11. In order to avoid the depositing of conference funds in any one bank in excess of the insured limits, the council shall serve as clearing house for all agencies in the Annual Conference making deposits in any bank, either savings or check accounts, and no such deposits shall be made by any agency without approval by the council.

12. A Committee on Investments and Audits within the council will be responsible for reviewing, approving, and supervising all banking relationships of the council with special attention given to investments including conference agencies. REPORT NO. 5

POLICIES AND GUIDELINES FOR ANNUAL CONFERENCE REGISTRAR

Standing Rule 8 of the Annual Conference makes the Council on Finance and Administration the Committee on Arrangements for the Annual Conference Session. In keeping with this, the Council on Finance and Administration has selected one person as conference registrar to supervise registration of and assignment of rooms to Annual Conference dele-

gates; handle calls for persons attending sessions; supervise displays and allocations of rooms for such; handle reservations for meeting rooms and for dining areas.

In order to implement and prevent overlapping of authority, the Council on Finance and Administration adopts the following guidelines:

1. The Conference Registrar shall have full responsibility for interpreting the eligibility of those covered under Standing Rule 8 for entertainment at the Annual Conference Session. This may be appealed to the Council on Finance and Administration.

2. Chairpersons of boards and agencies who are not elected delegates and attend the Annual Conference in order to give reports shall have their expenses paid by their own board or agency.

2. We recommend that those receiving salaries from benevolence funds be a priority in those funds allocated (administrative staff, director of Pastoral Care and Counseling, director of United Methodist Communications, those funds historically known as Aid to Action Ministries).

3. We recommend that there be a two percent (2%) service charge placed on all funds that remain within the boundaries of our conference which the conference treasurer manages in bookkeeping, check writing, and other services connected therewith. The accrual is to be credited to the Conference Administration Fund to help defray the costs of fiscal management. The following funds are excluded from the service charge: World Service, Children's Home, General Administration, Episcopal Fund, Interdenominational Cooperation Fund, One Great Hour of Sharing, Conference Claimants Fund, Pension Crusade Funds, all of the Advance Specials, SEJurisdictional Administration Fund, Aid to Action Ministries Funds from the General Board of Global Ministries, Mother's Day offering and Golden Cross Ministries.

REPORT NO. 8
STEWARDSHIP RESPONSIBILITIES AND LOCAL CHURCH CONCERNS

1. The council believes that all apportionments are needed in the amounts apportioned. Further, the council believes that it is within the capacity of the churches to pay the apportionments in full. Great effort has been made to apportion more realistically and even greater effort will be made in the future to accomplish more manageable apportionments. We urge full acceptance and payment of all apportionments by each church.

2. We recommend that district superintendents establish suitable apportionments for new charges in harmony with the adopted basis for apportionments.

3. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and the council may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanations by the district superintendent to the church involved.

4. We recommend that local churches provide for the audits of local church records as provided in paragraph 266:3c of the 1980 Discipline. It is our suggestion that audits of local church financial books should be done by someone other than church staff and should involve others, though members of the Committee on Finance may be included.

REPORT NO. 9
DISCIPLINARY REQUIREMENT

Paragraph 714.1 of the 1980 Discipline requires the council to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts for which treasurers are bonded. The council recommends that the present policy of bonding be continued.

REPORT NO. 10 FORMULA AND ALLOCATIONS

1. We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% non-building budget (see Standing Rule 26), and that apportionments be determined by local church decimals applied to the cost of each ministry at the conference level.

2. It is recommended that the spring meeting of the council be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requests for information requested and required by the Council on Ministries.

3. We further recommend that apportionments be developed and distributed to each church in order that they may be used for development of local church budgets for the calendar year. A tentative apportionment schedule will be mailed June 30, 1983, to be reviewed for errors and corrections. A final apportionment schedule will be mailed August 30, 1983, to be used for budgeting purposes in the local church, after which no corrections will be made.

4. Attention is called to the closing of the books of the Conference Treasurer on January 10, 1984. All funds to be applied to 1983 receipts must be in the office of the treasurer on that date.

5. Preparation of the Statistical Tables for 1983 shall be handled in the conference office. Report forms will be mailed in December to each local church from the conference office for reporting local church expenses. These forms are to be returned to the conference office by January 15, 1984, for preparation of the Statistical Tables on the computer.

REPORT NO. 11 MINISTERS MOVING EXPENSE

We recommend that upon retirement or disability the conference pay up to \$500 for documented moving expense to his first place of retirement for each minister, such expense to be paid for moving within the bounds of the Annual Conference. Expense will not be paid beyond conference boundaries. This policy with special regards to the adequacy of the amounts is to be reviewed by the Council on Finance and Administration after careful examination of the annual experience.

BOARD OF TRUSTEES OF THE ANNUAL CONFERENCE June 1, 1982 to May 31, 1983

The Board of Trustees of the Alabama-West Florida Conference of The United Methodist Church holds title to the following bequests:

1. Norris-Allen Bequest	\$44,000.00
2. C.B. Gillmore Bequest	20,000.00
3. Hattie B. Norred Bequest	25,000.00

At this report we are in the midst of preparing to receive a bequest from the estate of Mrs. Mary Lloyd Reynolds formerly of Brantley, Ala. We would like to remind our Methodist people of the possibility and the need for remembering your Church and Conference through gifts and bequests both while you are living and in your wills. Many people, programs and institutions can continue to carry on the work of Christ for YOU long after your death.

The Conference Trustees also hold title to the following real property:

1. Conference Headquarters Building, E. Three Notch St., Andalusia, AL
2. Staff Parsonage, Valleyview Drive, Andalusia, AL
3. Staff Parsonage, Prestwood Bridge Rd., Andalusia, AL

- 4. Staff Parsonage, Redbud Drive, Andalusia, AL
- 5. The Wesley Foundation Building, Auburn, AL
- 6. Wesley Foundation Parsonage, Auburn, AL

Through the year we have kept these buildings in good repair. We have also provided some minor improvements and replaced some furnishings during this year. All buildings are adequately insured.

Needed funds for our operation come from the Maintenance and Amortization Fund which is an asking apportioned to each local church. Some of our property is getting old and will require increasing expenditures. It is of pressing importance that **EVERY** local Church pay its apportionment in full to enable us to protect our investment and keep our staff and offices comfortably housed.

A CABINET VIEW OF THE SPIRITUAL STATE OF THE ALABAMA-WEST FLORIDA CONFERENCE

Many years ago a man stood behind a railing overlooking the American side of Niagara Falls. He was Robert McIntyre, a poet, a preacher, and a Methodist Bishop. His eye was caught by the sight of the little steam boat, The Maid of Mist, pushing upstream against the strong downward whirl of the Niagara River below the Falls. His imagination took fire and he cried out, "Thank God for something that moves up." As we the members of the Cabinet stand in imagination overlooking the downward rushing whirlpool of life, we see the United Methodist Church launching out into that stream and we can exclaim, "Thank God for something that moves up."

Membership across the nation in the United Methodist Church now stands at 9,457,011; down 62,396 or a decrease of .66%. This is the second smallest loss in over a decade. But we can report to you that in the Alabama-West Florida Conference there was a net gain in membership of 154. "Thank God for something that moves up."

Three years ago we went to the people of our Conference and explained the difficult position of our Board of Pensions. They involved themselves in a glorious response to our crusade. As of January 1, 1983, all unfunded liability has been funded, thus, we have become the most funded pension program in United Methodism. "Thank God for something that moves up."

During the time of an unstable economy in our nation, the people of the Alabama-West Florida Conference have responded with an increase in General Advance Specials that amounts to \$10,424.00 and an increase in Conference Advance Specials of \$12,528.00. Also in 1982, 83% of our askings were paid; this was an increase in 1982 over 1981 World Service and Conference Benevolences of \$65,848.00. "Thank God for something that moves up."

C. Peter Wagner has said, "There is no more effective way to church growth than planting new churches."

During this Quadrennium we have started eight (8) new congregations in the following Districts: Mobile — 2, Pensacola — 2, Dothan — 1, Marianna-Panama City — 1, Montgomery — 1 (Korean Church). A new Oriental Church is to begin June 1, in Pensacola. "Thank God for something that moves up."

Throughout many of the Districts of our Conference there have been Training Events, such as Super Sunday that have been attended by unusually large numbers of people. This indicates that they want to be disciplined in the faith in order that their churches might be in ministry in their community. This is a sign of intense loyalty and commitment to the message of the church.

Of the 727 churches of our Conference, 71% have a membership of 150 members or less with 59% of them having 100 members or less. We believe any church is big if God is working through it, and the small membership churches of our Conference can have vital ministry as they reach out to witness in the name of Jesus Christ.

As we approach the Bicentennial Year of our beloved church, we urge our people to prepare for it with great hope in the future. May we suggest the following steps for each congregation and District. (1) Develop a clear sense of direction and purpose for The Church's life and work. (2) The development of a major program of stewardship education for the laity. (3) The development of significant programs of outreach and evangelism. (4) The major reallocation of resources to reach those not now members. (5) The aiding and the starting of new congregations at the Annual Conference level. We urge that if these steps can be taken, that in the future we shall continue to "thank God for something that moves up."

As the Superintendents of the Conference, we feel that we must express our appreciation to two friends who have worked with us very diligently in the program of the Conference, and who will be retiring at this session of our Conference. To Mr. Art Copper and to the Reverend E.D. Ridgeway, thanks for your extra effort that has made a difference in our Conference.

Someone once asked John Wesley for the rule by which he lived, he replied, "Do all the good you can by all the means you can and all the ways you can and all the places you can and all the times you can to all the people you can as long as ever you can." On this the eve of our Bicentennial Year, we urge this to be the motto for the people and churches of the Alabama-West Florida Conference.

Lester H. Spencer
Mobile District Superintendent

REPORT OF THE COMMITTEE ON COURTESIES AND INTRODUCTIONS

There are many whose efforts and energies, prayers and purposes were to enhance our corporate life during those days together.

On Sunday evening, we were welcomed by Rev. John Ed Mathison and his cordial lay people and magnificent choir and orchestra under the direction of Joe Pat Cox. In a rare blend of color and light, sight and sound, tension and peace, division and unity, we came together in the tradition of the family of the Wesleys as we voiced "O For a Thousand Tongues to Sing." Bishop Robertson, from the beginning of our time together, addressed us as our pastor. As our shepherd, he warned us to beware of "party spirit," and he has guided us daily in clarifying our work as we moved through the business of debate and detail, and for his guidance, we express our sincere appreciation.

On Monday evening, in the setting of the First United Methodist Church, we were addressed by Emory University's President Jim Laney who reminded us all to claim the virtuous life of a true disciple of Jesus Christ. We celebrated together the ordination of the Deacons and some 14 Elders of the church — one of the largest classes in recent years. We were made to feel welcome by the lay persons of First Church who entertained the ordinands, their families and guests in a lovely reception in their usual manner of grace and charm.

On Tuesday evening, we were entertained by the colorful play "At Great Price," depicting our early beginnings. The play was produced under the watchful eye of its author and director, Martha Frazer Rankin. How impressive was the costuming and performance of the Pulpit Players. We mark it up as one of the many delightful experiences on this wonderful campus.

And speaking of Huntingdon College, our host, we say thank you once again to Dr. Allen Jackson and his accommodating staff. Indicative of the desire to go the second mile is the gift of time and energy of James Bradford who duplicated the many petitions for the almost 900 delegates of the Conference.

To remember the highlights of our Conference affords us an opportunity to voice our appreciation to some people: The Conference paid tribute to Miss Alice Lee for her many years of sacrificial service and leadership, both in our Conference and throughout the general church. She chose not to run for one of the delegate positions representing the laity. Some, like old soldiers just "fade away," others disappear in the quadrennial shuffle, while still others graciously take their leave. Alice Lee just rises above it all — and we say thank you for who you are, what you have done, and will yet do for our common good; we express a deeply felt thank you. Art Copper, after giving his life's energies for 23 years as Conference Treasurer, moves toward retirement in December of this year. And there was E.D. Ridgeway who, after more than 45 years, retired. He was presented with an appreciation plaque from the Ethnic Minority Local Church, and much to the envy of every clergyperson, he also received a generous check. Torrence Maxey spoke for 11 other ministers who retired this Conference session, bringing tears to our eyes and pride to our hearts. One of our retired brothers, Dr. J.B. Nichols, pointed out to us in the Memorial Service Address, that "We are products of the past and producers of the future." To Alice, Art, E.D., J.B., Torrence, and the others, we thank God for your exemplary lives.

We were grateful for our guests who took of their valuable time to visit with us, especially the many ministers from the North Alabama Conference, the Rev. Joshua Tien, pastor of the new Oriental Church in Pensacola, and Rev. Buel Dalton, pastor of the new Compass Lake Church in the Marianna District. These men gave visible evidence of our commitment to new church development and the fact that we have 8 new churches in our Conference and this year again realized a net increase with our membership having moved beyond 130,000.

We are further grateful for our Secretary, Charles Langford and his assistants, for Elvin Edgar, the Secretary of the Journal, and our Registrar for the first time, Rev. Tom Shephard, and his busy assistants who have recorded our presence and cared for our many needs. And especially the tellers working with Lawrence Crawford and Bruce Burson, Charles Avery and Fred Zeigler, often referred to as the "A" Team and "B" Team — we say thank you for your gift of tedious work and long hours.

And a word of appreciation to the members of the Board of Church and Society who have decorated our meeting place with the banners proclaiming the theme, "Peace with Justice." In anticipation of our bicentennial observance, the central backdrop, designed and produced by

Ellen Caldwell of the Clanton Church, projected in dramatic and arresting fashion that we are claiming the past, celebrating the present, and challenging the future. You will notice that the symbol of our church on the banner begins to fade as we move from the past to the future. This by design is due not to the possibility that the artist gave out of ink as she proceeded with her work, but rather that as we move toward the future, we see less clearly, yet we move into that uncertainty with confidence. We have been reminded by Charles Alexander as he spoke to us as a pastoral advisor, that we are not to forget the past — the banner suggests that we claim the past and then challenge the future together!

Council on Finance and Administration
Alabama-West Florida Conference of
the United Methodist Church
Andalusia, Alabama

We have examined the statement of receipts, disbursements and transfers of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1982 and the statement of investments at December 31, 1982. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Council's policy is to prepare its financial statements on the basis of cash received and cash disbursed, consequently certain revenue is recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in accordance with generally accepted accounting principles.

In our opinion, the accompanying statement of receipts and disbursements and statement of investments present fairly the recorded receipts and disbursements of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1982 and the investments held at December 31, 1982.

PENSION FUNDING CRUSADE

The fifth year for receiving payments on the Pension Crusade ended April 30, 1983. The Crusade began May, 1978. The following report lists payments to the Crusade and is ranked according to percentage received of the adjusted fair share goal. The per capita giving for each district is also shown.

I will continue to record receipts by church and will report quarterly. Also, we will continue to keep a record of those churches paying 100% and send a certificate of appreciation.

HORACE COY ALLMAN

1899-1983

Horace Coy Allman was born January 3, 1899 in Bexley, Mississippi. On April 13, 1924 he married Nellie Elizabeth Cone who survives him.

Brother Allman was licensed to preach June 26, 1934 from Leakesville Charge, Leakesville, Mississippi at the District Conference of the Seashore District which took place at the old Camp Ground in Biloxi, Mississippi.

He moved to Eight Mile, Alabama in 1937. Brother Allman was approved by the Alabama-West Florida Conference in 1946 and was then appointed to serve the Chunchula-Dauphin Island Charge. He served Chunchula-Satsuma during 1948; Dumas 1949; Dumas-Dauphin Island 1950; Dumas 1951; Dumas-George Town 1952-53, and Chunchula-George Town 1954 until his retirement in 1968. Brother Allman was ordained a Deacon May 29, 1952, and Elder June 7, 1954, in Montgomery, Alabama, by Bishop Clare Purcell. Eight Mile United Methodist Church had the privilege of having Brother Allman serve as Minister of Hospital and Shut-ins from 1979 until his death March 7, 1983.

Horace Coy Allman was buried at the Cross Roads Methodist Cemetery, located in Lucedale, Mississippi, on March 10, 1983. Funeral Services were conducted by The Reverends Tom Ellisor, Jr., George Turnipseed, Jr., and Lloyd Brown.

Brother Allman was a Christian gentleman in the highest sense and loved his Lord, his Church and his people. He was loved not only by the people he served but by the Community in which he resided.

He will be missed by Family and Community. Brother Allman has entered into the Father's House where he surely heard the words, "Well done my good and faithful servant ... enter into the joy of the Lord."

— George S. Turnipseed, Jr.

HERMAN MINTER CONNER

1899-1982

Herman Minter Conner was born September 13, 1899 and died December 27, 1982. His parents were Frances Boyer and Andrew Jackson Conner, members of the East Brewton Methodist church. They died when he was only eight years old, leaving him to make his home with the older children. He felt the call to preach at the age of 23, and through preaching while he studied he was able to attend Berry College, Chipola College, Troy State University, and Emory University. In his early preaching he walked 20 miles each Sunday from Evergreen to Oakey Streak, a church which has been beautifully restored and is on the National Register of Historic Places. Even though retired, he never stopped preaching, and his last sermon was preached at Shady Grove, at the age of 82. Being of an evangelistic nature and a lover of people, he was never happier than when preaching and souls were saved. He helped build churches at Shady Grove and New Hope.

Brother Conner was married in 1935 to Eunice Gladys Moody of Opp. Their two children are Herman Jackson and Agatha Katy Conner.

Besides preaching, he enjoyed singing, being blessed with a strong voice, and he composed two songs, one of which was "The Straying Sheep," which he and Mrs. Conner often sang together.

Brother Conner's grandmother Conner's family Bible, containing one of his sermons, is in the Archives and History Depository at Huntingdon.

Herman Jackson Conner is buried in Beulah Cemetery, Opp, Alabama. He has been referred to as "a saint on earth."

ERROLL LANTY FRALISH

1911-1982

Erroll Lanty Fralish was born August 11, 1911 in Dale County, Alabama to the late Charlie and Tellie Elizabeth Fralish.

Brother Fralish confessed his faith at an early age in his life.

He was joined in holy matrimony to Vivy Langford in the year 1931 and to this union were born eight children, and five survive. These are: Mrs. Catherine Burke, Anniston, Alabama; Mrs. Elaine Dasingel, Panama City, Florida; Bobby Fralish, Montgomery, Alabama; Jerry Fralish, Jackson, Mississippi; and MSgt. Perry Fralish, Ft. Meade, Maryland.

Brother Fralish was a fine and outstanding Christian layman many years before entering the ministry. He was a lay speaker for a number of years and he was also District Lay Leader for a number of years during which time he helped to organize several Men's clubs in the District.

He entered the ministry in 1969 and served the following churches: Pleasant Ridge near Enterprise, Coffee Springs, Pond-town and Echo. He retired in 1977 due to his health.

He departed this life December 14, 1982. Funeral Services were conducted December 16, 1982 in the Arton United Methodist Church by the Reverends Floyd Enfinger, Douglas Golden, and Pruitt Willis.

JAMES LEE HARTZOG

1910-1982

James Lee (Jimmie) Hartzog was born October 21, 1910 in Barbour County, near Texasville, Alabama. He was the first of four children born to Lee Cader Hartzog and Annie Laura Stephens. Jimmie was married to Evelyn Walker and from this union came eleven children — Helen Mathis, Joe Hartzog, Joyce Tice, James Hartzog, Ann McCalister, Buddy Hartzog, Terry Dasinger, Bobby Hartzog, Lyn Smith, Beth Hartzog, Beverly Scott.

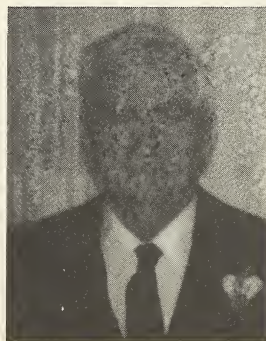

Jimmie was a sincere Christian and loyal churchman. He loved the United Methodist Church and most of his ministry was that of a faithful layman in his local church. All that he wanted was a place to serve the Lord whom he loved and the people he loved.

Sensing the need to share his ministry beyond the local church, he became a certified Lay Speaker in the United Methodist Church and served in this capacity for many years.

In 1973, Jimmie felt the call to become a local pastor. He met the requirements and was licensed to preach. In 1974, he was appointed pastor of the Webb United Methodist Church in the Dothan District. He served with distinction until 1977 when he was forced to retire to care for his ill wife. However, he continued to supply pulpits for his fellow clergypersons during this time. His wife died in 1979.

On August 3, 1980, Jimmie married Melonae Bullington. They resided in Midland City, Alabama until his death August 1, 1982.

The memorial service was held in Dothan, Alabama with the pastor of the Midland City United Methodist Church, Reverend Kathryn B. Gatewood, and the writer of this memorial officiating.

JOEL ROBERT HELMS

1897-1982

Joel Robert Helms was born July 8, 1897 in Coffee County, Alabama and died July 27, 1982 in Dothan, Alabama. He was preceded in death by his faithful companion, Ida Willis Helms, who died October 4, 1981. They were married in Coffee County on January 20, 1920. Brother Helms lived, during his childhood and until after his marriage, in the Chesnut Grove Community where he and his family were active members of the Chesnut Grove United Methodist Protestant Church. He was a farmer during his early adult life but spent much time teaching Sunday School and working in his Church. The Lord called him into the Christian ministry and he went with zeal not only to serve but to prepare for greater service by securing the best training possible for him. The final part of his formal training was completed when he graduated from Westminster Seminary (now Wesley) in 1933.

Upon completing his seminary training Brother Helms returned to his native Alabama where he served effectively as a serious and dedicated Pastor. He served several charges in the former Methodist Protestant Church and when the three Methodist bodies become The Methodist Church in 1939, he was assigned to Jay, Florida.

Brother and Mrs. Helms were not privileged to have children of their own, but their family was the Church they served. He was a kind and loving Pastor and wherever the Bishop appointed him, he went gladly to do the work of Christ and His Church. When Brother Helms officially retired, he continued to serve the Church. He lived in an apartment for retired ministers in Pensacola for a while and then came to live at Wesley Manor, where Mrs. Helms could have the medical care she needed. Some of his best work was while serving as Chaplain at Wesley Manor and as long as he lived, he continued to visit the residents and minister as best he could to all he knew.

The Lafayette Street United Methodist Church loved Brother Helms very much. He served for a period on the Staff as a visitation Pastor. During his last years, he participated in the Staff Devotionals and was a great inspiration to all of us. In fact, he was driving from Wesley Manor to the Church when he had the accident that caused his death.

A Funeral Service was held in the Sanctuary of Lafayette Street United Methodist Church of Dothan at 10:00 a.m., July 28, 1982, with his District Superintendent, the Rev. Pruitt (Bill) Willis and his Pastor, Dr. Cecil E. Bradley, conducting the service. A large crowd of relatives, friends and fellow ministers gathered for the service. Then, at 2:00 p.m., a second service was held in the Chesnut Grove United Methodist Church in Coffee County, the home Church of Brother Helms. Dr. Charles Hildreth, a very close friend, gave a beautiful eulogy and a nephew, the Rev. Wayne Helms, and Dr. Cecil E. Bradley assisted. Burial was in the Chesnut Grove Cemetery and his body was placed by the side of his faithful and loving wife, Ida, who had died less than a year earlier.

The life, ministry and worth of this great Pastor cannot be put in words. His contributions to the Kingdom of God will go on. As one fellow Pastor remarked when he heard of Brother Helms' death, "If he doesn't make it to the Father's House, the rest of us need not try." He made it!

I know I express appreciation not only for myself, but for the many that his life touched. We thank God for Joel Robert Helms.

— Cecil E. Bradley

JOSEPH MACON JOHNSON 1891-1983

Joseph Macon Johnson was born in the Farmer's Academy Community (Pike County) on January 14, 1891, to Rev. Joseph Eddie and Eunola Clower Johnson. As a young man he farmed, taught school and worked as a Sunday School organizer until he entered the ministry of 1917.

On November 24, 1912, he was married to Eunice Hildreth, daughter of Missouri Mixson and George Travis of the Old Tabernacle Community. To this union were born eight children: George Edwin, Leslie Macon and Charles Herbert, all deceased; Louis Lanier, Vernon Hoyt, Mabel (Mrs. T. Glenn Weeks), Nellie (Mrs. Charles Marshall), and Sybil (Mrs. William Beaty). He is also survived by one brother, Andrew of Wilmore, Kentucky, and one sister, Bertha McDowell of Brundidge, Alabama; twenty-one grandchildren, twenty-three great grandchildren, one great great grandchild and several nieces and nephews. Mrs. Johnson (Eunice) died June 7, 1981.

He served numerous churches in the Alabama-West Florida Conference across the length and breadth of this conference, from Lisman to Loachapoka; from Havana to Port St. Joe, Florida.

Upon retirement he moved to Graceville, Florida and lived there while pastoring churches in Marion Junction, Cottonwood, Grimes and Midland City.

He moved to Dothan in 1966 and served as Chaplain of Flowers Hospital and Southeast Alabama Medical Center. He was on the charge conference roll of First United Methodist Church in Dothan.

Rev. Johnson was, at the time of his death, a resident of Wesley Manor. He died April 8, 1983, in a Dothan Hospital after a short illness. The funeral was held on April 10, 1983, at First United Methodist Church, with the Rev. George Gilbert, Jr., the Rev. Wilbur Walton and the Rev. Pruitt Willis officiating. Burial followed in Memory Hill Cemetery.

Many have said that his sermons were at least twenty years ahead of his time, largely because of the vast number of books he read. For many years he was a member of the Vanderbilt Circulating Library. He truly loved God and the church, and indeed he did live a long and rich life.

HOLIDAY RANCHER 1902-1983

Holiday Rancher was born September 14, 1902 in Greene County, Alabama. His parents were Plase and Sarah Rancher. He had three brothers and two sisters.

On January 14, 1923, Holiday married Mabel Wilson Rancher at her home in Knoxville, Alabama. Mabel says she doesn't know of Holiday having attended any school except over in Mississippi some. Anyone who heard him preach knew his teacher was the One who never fails.

Mabel and Holiday have two foster sons, Michael Jemison of Detroit, Michigan and Dave Jemison of Eutaw, Alabama.

Holiday had one business in life. Mabel says that was "telling folks about the Lord. He liked to tell people how to come to Jesus and he liked to preach." He was ordained Deacon on December 14, 1935 and Elder on October 31, 1943. Holiday received retired status in 1981 but he did not quit preaching until he suffered a stroke and was confined to his bed.

Rev. Rancher served the Dews, Gordo, Hickory Ridge, Union Grove, Akron, Oak Grove and Geiger Circuits and was returned to the Akron Circuit when he became ill. His earthly tent folded in death on January 8, 1983. His funeral service was held at the Springfield United Methodist Church, on January 12, 1983 at 2 p.m. Rev. T.E. Hamby, Pastor of the Springfield Church, Rev. Willie Knox, Holiday's close friend, and Dr. Robert Collins, Demopolis District Superintendent officiated.

"How beautiful are the feet of them that preach the Gospel of Peace, and bring glad tidings of good things." Rom. 10:15

CHARLES HERMAN SEIBERT

1881-1982

Charles Herman Seibert was born at Monterey, Ohio, on February 28, 1881. He lived one hundred and one years — 38 years growing up, getting his education, getting married, starting a family, and teaching school; 33½ years serving Methodist appointments, starting at Franklin while serving as principal of Repton High School; 29 years as a retired member of the Alabama-West Florida Conference.

In 1924, C.H. Seibert came to York, Alabama, as pastor, and as an eleven-year-old boy I began my friendship with him. By this time, he and his dear wife had a family of daughters, Maude Elizabeth Seibert (Studdard), Mary Wanda Seibert (Marshall), and Jean Maxton Seibert (Brown), having lost their only son, Carl Herman Seibert, Jr., two years earlier. Their fourth daughter, Frances Holman Seibert (McClellan), was born three years later, after they had moved from York to Monroeville, Alabama. The Seibert family and my own family grew very close together during his pastorate at York, and throughout my parents' life there was frequent reference to their joy in having had the Seibert family in our church and parsonage.

Brother Seibert was married to Maude Elizabeth Schnell in 1912. He had been educated in Hanceville High School and Jacksonville College in Alabama. As has been said, he was a school teacher and principal before entering the ministry. He was admitted on trial in 1919 and into full connection in 1921. At the age of seventy-two he retired in 1953, though he did serve pastoral charges near Greenville as a retired supply pastor. The Seiberts celebrated their Golden Anniversary in 1962, renewing their vows in a service in which I was privileged to participate. The Seibert children and their families celebrated his one hundredth birthday with a reception at Blue Lake in 1981.

In 1941 I was appointed to our church in Georgiana, where Brother Seibert had served from 1929 to 1935. Of all predecessors I ever had in my own forty and one-half years of ministry, none was held in higher esteem than this lovable shepherd of God's people.

When I was appointed as superintendent of the Andalusia District in 1961 I was struck by the beauty of the church in Brantley on my first visit there, and I was pleased to learn that it was built during Brother Seibert's pastorate.

As a person, Brother Seibert was a devoted husband and an adored father. My early impression of the importance of scholarly concern in a Methodist preacher was inspired by him. He was an informing preacher, and a gentle shepherd to his flock, which is what the word "pastor" means. Compassionate and generous he was. I am sure he knew the story told of a new preacher's first appearance in a new pastorate. After the benediction he was approached by an elderly gentleman who said to him, "Brother Pastor, I have lived a long, long time, and I am happy to say that I do not have an enemy in the world."

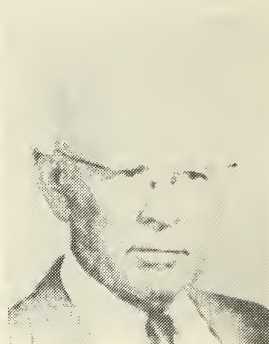

"What a wonderful testimony," the new pastor said. "Not an enemy in the world!"

"Yes," said the church member, "I've outlived them all."

Brother Seibert lived fivescore and one, long enough to outlive almost anybody, and I can guarantee that he died without enemies, not because of his longevity, but because he never had enemies. Who could be hostile toward this good man!

He must have preached often from the Letters of Paul. "As you have therefore received Christ Jesus the Lord, so live in Him, rooted and built up in Him, and established in the faith, just as you were taught." (Colossians 2:6) And, "Now I rejoice in my sufferings for your sake, and in my flesh I complete what is lacking in Christ's afflictions for the sake of His body, the church, of which I became a member according to the divine office which was given to me for you, to make the Word of God fully known, the mystery hidden for ages and generations, but now made manifest in His saints. To them God chose to make known how great among the Gentiles are the riches of the glory of this mystery, which is Christ in you, the hope of glory. Him we proclaim..." (Colossians 1:24-28)

Brother Seibert was "a man in Christ." In *Canterbury Tales*, Geoffrey Chaucer recounts the experiences of a group of pilgrims enroute to the great cathedral. Chaucer records tales the pilgrims

shared with each other, and in succinct style he characterizes each pilgrim, before retelling his story. When he came to the Parson, here is what he had to say:

“But Christes lore, and his
apostles twelve,
he taughte, and first he
followed it himself.”

Let me close by telling a personal experience I had with my dear friend when I was thirteen years of age. (And that was 56 years ago.) I was chosen to represent our school in a spelling bee that brought students from over Sumter County. I was in the eighth grade, and Brother Seibert was the Master of the occasion. I do not know who comprised the list of words, but suppose school authorities were responsible for that. In any case, the number of contestants had fallen to two, and Brother Seibert gave me my next word. “J.B., spell the word em-i-nent.” Perhaps I knew there was such a word, but I am certain I did not know how there were “three words” which spelled so differently yet sound so much alike. I asked for the word to be repeated, which he did several times, trying his best to help me spell eminent by stressing the “em,” as in employ. Needless to say, I missed it, spelling imminent.

To be *eminent* means to stand out,
to be evident, to be noble.
Im-mi-nent means something about to
happen, poised and pending.
Im-ma-nent means indwelling,
remaining within.

I use *eminent* today to describe my dear friend and father in the Gospel, for Charles Herman Seibert was eminently Christlike, evidently and nobly a servant of God and our Lord Jesus Christ.

I use *immanence* to describe him, because the Divine Presence indwelt his life.

“Christes lore he taughte...,” but first he lived it himself.

The folk at Repton, Franklin, York, Monroeville, Opp, Georgiana, Red Level, Toulminville, Elba, Greenwood, Wewahitchka, and Brantley know that — and who could know it better than his family and his friends and neighbors here in Greenville.

OBADIAH DUMAS WILLIAMS

1901-1983

Obadiah Dumas Williams was born February 13, 1901, in Arlington, Alabama, to the Reverend and Mrs. Charles Anderson Williams. He was the oldest son of eight children born to this Methodist parsonage family.

O.D. Williams finished Auburn University (formerly API) in 1922 with a degree in electrical engineering. He married Emma Allie Grayson June 24, 1924. To this marriage were born three sons, Charles H. Williams of Pensacola, Florida, the Reverend Frank G. Williams of Birmingham, Alabama, and Robert A. Williams of Nicholasville, Kentucky.

After teaching and coaching for four years he joined the then Alabama Conference in 1927 and continued to serve faithfully until his retirement in 1966. His first appointment was Daleville and his last was Bermuda. In between he served seventeen appointments.

Always concerned for the salvation of the lost and for the spiritual development of the converted, O.D. was active in the camp meeting movement among the Methodist people. He was active in supporting the Bethlehem and Indian Springs Campmeetings, and, in 1942, in conjunction with the Reverend Henry Screws, he organized and built Beulah Camp near Excel, Alabama, which he continued to serve as Secretary/Treasurer until 1980.

Early in his Christian life O.D. Williams entered into the experience of entire sanctification and throughout his ministry he was an unswerving advocate of the doctrine of Christian Perfection as advocated in historic Methodism. He was moreover, a living endorsement of the validity of that experience and doctrine.

When John Wesley preached the funeral sermon of John Fletcher, that saintly scholar and vicar of Madeley, Wesley took his text from Psalm 37:37, "Mark the perfect man ... for the end of that man is peace." The minister who delivered the funeral sermon of O.D. Williams used that same text of scripture, "I have never been more inclined than now to make the application of this text to one single person than to the Reverend Obadiah Dumas Williams." O.D. Williams was a peaceful man. He lived in peace, he died in peace on January 14, 1983, and in the world to come shall abide forever in the peace God has promised all who love him.

Mrs. Hill was active in the Women's Society of Christian Service, for a period as a District officer. At Fair Haven she had charge of the devotionals, where she served most efficiently. Division XI — Miscellaneous

Resolutions And Petitions

Petition No. 1

Resolved: that Alabama-West Florida United Methodists go on record opposing the ever increasing immorality, sexual perversion and pornography as depicted on television.

The Committee recommended concurrence.

The Conference supported the Committee and voted concurrence.

Petition No. 2

Whereas, over 60% of all United Methodist Churches are small membership churches; ie, 250 members or less, and,

Whereas, most small membership churches depend upon pastoral leadership from student, part-time, full-time local pastors, associate members, and probationary members, and,

Whereas, these pastors have no right to vote on who is elected to the General and Jurisdictional Conferences, or on constitutional amendments, and,

Whereas, because of this fact, the small membership church does not share fully in the decision making process of the United Methodist Church,

Therefore, the General Conference of the United Methodist Church is hereby petitioned to make the following changes to the Book of Discipline of the United Methodist Church:

Par. 39, Article IV. Which now reads:

The ministerial delegates to the General Conference and to the Jurisdictional or Central Conference shall be elected by *the ministerial members in full connection* with the Annual Conference or Provisional Annual Conference; provided that such delegates shall have been *traveling* preachers in the constituent churches forming this union or in the United Methodist Church for at least four years next preceding their election *and are in full connection* with the Annual Conference or Provisional Annual Conference electing them when elected and at the time of holding the General and Jurisdictional or Central Conferences.

Proposed action:

Delete: The words: the ministerial members in full connection, the word, traveling, and the words, and are in full connection.

Insert: The words: the ministerial voting members.

The Committee recommended non-concurrence.

The Conference supported the Committee and voted non-concurrence.

Petition No. 3

Whereas most of the churches in the Alabama-West Florida Conference have regular Sunday night worship services, and the Annual Conference sessions disrupt those services when the conference begins on Sunday, and

Whereas the cancellation of those services causes a decline in attendance for the following weeks, and gives the impression that they are not as important as the morning services, and

Whereas it is difficult to find adequate replacements for that many pulpits

Therefore Be It Resolved that the Council on Ministries of the Dothan District urgently

requests the Bishop and the Committee on Annual Conference Program to consider beginning all future sessions on Monday instead of Sunday.

The Committee recommended that the petition be referred to the Program Committee. The Conference supported the Committee.

Petition No. 4

A Resolution From The Commission On Town And Country Work To The Alabama-West Florida Conference

Whereas, statistics gleaned from the 1980 reports for the General Church as compiled by Dr. Warren Hartman of the Board of Discipleship indicate that "64% (sixty-four percent) of the United Methodist Church in America have under 200 members"; and

Whereas, the rich heritage of the Small Membership Church is valuable to the whole church; and

Whereas, Small Membership Churches are found in every geographic area of United Methodism; and

Whereas, there is need for General Conference representation from across United Methodism from Small Membership Churches; and

Whereas, the General Conference seeks to be all inclusive;

Therefore Be It Resolved that at least one (1) Lay and one (1) Clerical delegate, from each Annual Conference, may be elected as delegates to General Conferences from churches of small membership.

Reference to paragraph 601, Book of Discipline 1980 thus to read:

#2 One ministerial delegate from the first 44,000 church members of the Annual Conference and one ministerial delegate for each additional 44,000 church members and an additional ministerial delegate for each major fraction of 44,000 church members, with at least one (1) ministerial delegate be from among the eligible clergy serving Small Membership Churches (200 members or less).

#3 A number of lay delegates equal to the total number of ministerial delegates authorized as above.

Be It Further Resolved that the 1983 Session of the Alabama-West Florida Conference adopt and implement this Resolution at this Annual Session.

Be It Further Resolved that this become a Memorial to General Conference from the Alabama-West Florida Conference, and forwarded to the Petition Committee of General Conference for action.

A motion was made to receive this resolution/petition as Information in Good Spirit. The Conference voted approval.

Petition No. 5

Whereas our Council of Bishops meeting in Birmingham, Alabama in November 1982 stressed the need for spiritual growth throughout our church and we need practical means to accomplish this need

Whereas Jesus Christ used the small group method for spiritual growth with his twelve disciples and John Wesley used this pattern in the first Methodist classes

Whereas our church leaders of the future need to experience the benefits of small group discipleship in order to introduce these groups into our churches

Whereas church growth is promoted by small groups where deep friendships are fostered

Whereas in the tradition of United Methodism vital piety is of equal importance with knowledge and small groups of prayers and devotional bible study promote piety

Whereas the education of United Methodist clergy is of supreme importance and this education must not neglect the learning of personal prayer and bible study as devotion

Whereas the General Board of Discipleship has excellent resources to guide small groups of disciples

Be it Resolved that each candidate for elder be required to participate in two semester or two quarter hours of a small group discipleship program developed by the General Board of Discipleship. That this requirement be included in paragraph 424(3)(C) so that it would read "... two semester or quarter hours in each of the fields of United Methodist history, doctrine and polity and two semester or quarter hours of the small group discipleship program developed by the General Board of Discipleship." And that paragraph 1631 read "... history, doctrine, polity and small group discipleship specified in paragraph 424(3)."

The Committee recommended to refer this petition to the Board of Ordained Ministry. The Conference supported the Committee.

Petition No. 6

Whereas, the United Methodist Church presently uses the title of Member-at-large of the Administrative Board, and,

Whereas, other Methodist bodies with a similar structure to our own use the title "Steward" to designate such officers, and,

Whereas, along with other Methodist Bodies we will celebrate the two-hundredth anniversary of Methodism, in 1984, and,

Whereas the title of "Steward" carries an ecclesiastical nature and precedent, as well as Biblical and theological meaning,

Therefore, the United Methodist Church is hereby petitioned to enact legislation at the 1984 General Conference which would give all members-at-large of the Administrative Board the title of "Steward." Such change to be made in the 1984 *Book of Discipline* of the United Methodist Church.

The Committee recommended non-concurrence.

The Conference supported the Committee and voted non-concurrence.

Petition No. 7

Whereas, the United Methodist Church is the only Methodist body which uses the title "District Superintendent" to designate the administrative officer of a district, and,

Whereas, all other Methodist bodies with a similar structure to our own use the title "Presiding Elder" to designate the same officer, and,

Whereas, we will be celebrating the two-hundredth anniversary of Methodism along with the other Methodist bodies, and,

Whereas, the title "District Superintendent" is not a traditionally ecclesiastical title, and,

Whereas, the title "Presiding Elder" has a place in our Methodist tradition, and,

Whereas, the title "Presiding Elder" does have an ecclesiastical nature and precedent,

Therefore, the General Conference of the United Methodist Church is hereby petitioned to change the title of "District Superintendent" to "Presiding Elder." Such change to be made in the 1984 *Book of Discipline*.

The Committee recommended non-concurrence.

The Conference supported the Committee and voted non-concurrence.

Petition No. 8

Whereas, we feel that there might be ambiguity in scripture when it comes to some Biblical statements and positions concerning issues, it is our conviction that the scripture speaks with clarity in both the Old and New Testaments when it comes to God's attitude of condemning the practice of homosexuality;

And Whereas, we recognize that persons falling into such sinful and immoral practice desperately need the ministry and guidance of the church in order to receive God's forgiving and redemptive love, as do all persons who are under the burden of similar addictions and obsessions;

And Whereas, we recognize that the United Methodist Church needs to speak with

clear and unmistakable voice on this issue in order to strengthen the defenses against this nation's creeping moral decay; while at the same time, reaching out in Christian love to all persons regardless of sinful encumbrances;

Therefore, Be It Resolved that the Alabama-West Florida Conference meeting in session at Huntingdon College, May 22-25, 1983, does hereby petition and strongly urge the 1984 General Conference to affirm and let stand intact the statement which appears in the 1972 and 1976 BOOKS OF DISCIPLINE and in Paragraph 71-F of the 1980 BOOK OF DISCIPLINE, reading as follows:

"Homosexual persons no less than heterosexual persons are individuals of sacred worth, who need the ministry and guidance of the Church in their struggles for human fulfillment, as well as the spiritual and emotional care of a fellowship which enables reconciling relationships with God, with others, and with self. Further we insist that all persons are entitled to have their human and civil rights insured, though we do not condone the practice of homosexuality and consider this practice incompatible with Christian teaching."

The Committee recommended concurrence, with the deletion of the first two paragraphs. The Conference voted to defeat the recommendation of the Committee, and voted approval of the entire petition.

Petition No. 9

Whereas the United Methodist Church has a continuing emphasis on the needs of Ethnic Minorities within our constituency, and whereas there is an evident growing need for trained Ministers for Ethnic Minority Churches within the Alabama-West Florida Annual Conference.

Be It Resolved that our Conference initiate a program to recruit and train Ministers for our Ethnic Minority Churches.

Such a program to include:

1. Getting acquainted with the high school age youth of our Ethnic Minority Churches, enlisting and involving them in meetings designed to inform and inspire them to consider the Pastoral Ministry as a vocation and pursue training for the same.

2. Determining the financial need of prospective ministerial students and explore ways to meet that need.

3. Providing continuing assistance to students preparing for the ministry through the use of carefully selected and trained counseling elders who will stay in touch with the students to encourage them and guide them in their educational development with the hope that they will choose the ministry as their life vocation.

Be It Further Resolved that the Board of Ordained Ministry initiate and continue this program in cooperation with the Board of Evangelism, the Board of Education, the Board of Missions and the Committee on Career Planning and Counseling.

The Committee recommended concurrence.

The Conference supported the Committee and voted concurrence.

Petition No. 10

Whereas, The United Methodist Church shares with all other Christians the conviction that scripture is the primary source and guide for doctrine.

Whereas, The Social Principles in Section 71 of the 1980 *Discipline* state in part, "we believe the family to be the basic human community through which persons are nurtured and sustained in mutual love, responsibility, respect, and fidelity."

and, "we affirm the sanctity of the marriage covenant which is expressed in love, mutual support, personal commitment, and shared fidelity between a man and woman."

and, "we reject all sexual expressions which damage and destroy the humanity God has given us as birthright, and we affirm only that sexual expression which enhances that same humanity in the midst of diverse opinion as to what constitutes that enhancement."

and, "we do not condone the practice of homosexuality and consider this practice incompatible with Christian teaching."

Whereas, The Judicial Council Decision #513 states:

"A Probationary member who meets the requirements of the *Discipline* is eligible for ordination. The Board of Ordained Ministry of the Annual Conference makes inquiry as to the fitness of the candidates for election to full membership, including their educational and personal preparation and the other requirements of the *Discipline*. These requirements do not refer to sexual orientation. The Annual Conference decides whether to ordain eligible persons and admit them to full membership."

Be It Resolved That, Section 431.6 of the 1980 *Discipline* be changed as follows: Be willing to make a complete dedication of themselves to the highest ideals of the Christian life. *Refrain from any practice incompatible with Christian teaching, including the practice of homosexuality*, and agree to exercise responsible self-control in their personal habits.

Be It Further Resolved That, Section 404.6 be changed to read as follows: "to agree for the sake of the mission of Jesus Christ in the world and the most effective witness to the Christian gospel, and in consideration of their influence as ministers, to make a complete dedication of themselves to the highest ideals of the Christian life as set forth in Section 67-76 and *refrain from any practice incompatible with Christian teaching, including the practice of Homosexuality*, and to this end agree to exercise responsible self-control by personal habits conducive to bodily health, mental and emotional maturity, social responsibility and growth in grace and the knowledge and love of God."

The Committee recommended concurrence.

The Conference supported the Committee and voted concurrence.

Petition No. 11

Whereas seminary professors impact the lives of those they teach even as Paul did Timothy and their students impact the lives of thousands in the church; and

Whereas the University Senate does a superb job of monitoring the academic excellence of all our United Methodist Seminaries; and

Whereas there is need for us to insure that the faculty members of United Methodist Seminaries are not only academically sound but that they have balanced that with a vital piety and a doctrinal position consistent with paragraphs 67-76 of the United Methodist Discipline.

1. Be it resolved that the University Senate establish and support through its budget a Seminary Faculty Review Board in each Jurisdiction in which there is a United Methodist Seminary. That these review boards consist of a membership of one clergy and one lay member of each Annual Conference in the jurisdiction and two members of the council of bishops. That these members be elected quadrennially and replaced by their agency in the event of vacancy. That prior to a faculty member of a United Methodist Seminary teaching his/her third year or his/her being given tenure that that faculty member receive a 2/3rd's vote of approval of the Seminary Faculty Review Board of the jurisdiction in which his/her seminary resides.

2. Be it further resolved that no United Methodist Seminary be given approval by the University Senate unless it has complied with the Jurisdictional Seminary Faculty Review Board by employing those professors approved by the Board.

3. The president of the University Senate shall convene the board for organization at the beginning of each quadrennium. The board shall elect its own officers including a president, a vice president and a recording secretary and it may appoint such committees and delegate to them such powers as are incident to its work. Thereafter it shall meet at such time and place as it may determine.

4. After consultation with the officers of the jurisdictional boards, the University Senate shall provide in its annual budget for the expense of the Jurisdictional boards.

5. That all professors now employed be exempt from Board approval.

6. Also that the contents of this resolution be added to the Discipline as paragraph 1619 (3) under responsibilities of the University Senate.

7. Be it further resolved that this resolution be forwarded as a memorial petition to the General Conference.

The Committee recommended to refer this petition to the Board of Ordained Ministry.

The Conference supported the Committee.

Petition No. 12

Whereas, the United Methodist Church through its glorious history has emphasized the proper stewardship of funds; and

Whereas, the United Methodist Church through the generous gifts of its members has been able to extend its mission program throughout the world; and

Whereas, a deep sense of trust concerning the use of these gifts is basic to the future well-being of our United Methodist mission program; and

Whereas, the United Methodist Church in recent months has been under attack regarding the missional grants of the Board of Global Ministries; and

Whereas, the United Methodist Church is in need of restoring the trust of the lay and ministerial members in regards to the missional grants made through the Board of Global Ministries;

Therefore, Be It Resolved, that we petition the General Conference of the United Methodist Church meeting in Baltimore, Maryland, on May 1-11, 1984 to amend Paragraph 802 of the *1980 Book of Discipline* as follows.

“All general funds administered by any general agency of The United Methodist Church which are proposed to be used for funding a program within an Annual Conference shall be disbursed after consultation and concurrence with the presiding bishop, *district superintendent*, and the Council on Ministries of that Annual Conference.”

The Committee recommended concurrence.

The Conference supported the Committee and voted concurrence.

Petition No. 13

Whereas it is a recognized reality that new churches often have a greater effectiveness in bringing converts into the kingdom of God and into membership of Christ's church,

Be It Therefore Resolved that the General Conference of the United Methodist Church, meeting in Baltimore, MD in May 1984 establish a quadrennial missional priority for 1984-1988 for the church extension. This priority should be funded from a \$10 million asking over the four years for the establishment of new churches, to be administered by the Office of New Church Development of the National Division of the General Board of Global Ministries.

Each annual conference and district within the United Methodist Church should make every effort to identify potential locations in which to establish new churches during the quadrennium. Long range planning and funding will be necessary at every level to realize our full potential in new church development.

The Committee recommended concurrence.

The Conference voted to defeat the recommendation of the Committee.

Petition No. 14

Whereas paragraph 906.13 of the 1980 Discipline of the United Methodist Church prohibits the use of funds by any board or agency of the Church for advocating homosexuality or homosexual lifestyles; and

Whereas the Social Principles in the same Discipline state that Homosexual practices are not in keeping with church doctrine or scriptural teaching; and

Whereas some members of boards, agencies and caucuses of the United Methodist Church have publicly stated that they will petition the 1984 General Conference to have this paragraph 906.13 removed from the Discipline,

Be It Therefore Resolved that the General Conference of the United Methodist Church, meeting in Baltimore, MD in May 1984, affirm the prohibitions of Paragraph 906.13 of the 1980 Discipline and retain it as it stands in the 1984 Discipline.

The Committee recommended concurrence.

The Conference supported the Committee and voted concurrence.

Petition No. 15

Whereas in the investigation procedures leading up to the possible trial of a minister it is important that the Committee on Investigation determine if there is reasonable ground for the accusations, and,

Whereas the chargeable offenses which may be brought against a minister may vary in their importance as it may relate to his or her ability to function as a minister,

Be It Resolved, that the Alabama-West Florida Conference meeting at Huntingdon College, May 22-25, 1983 convey to the 1984 General Conference the urgent need to make changes in the Investigation Procedures (paragraph 2623, 1980 *Book of Discipline*),

Be It Further Resolved that these changes would include the deletion of paragraph 2623.1b which reads:

No charge shall be considered for any alleged offense which shall not have been committed within two years immediately preceding the filing of the complaint.

Motion was made to refer Petitions 15, 16, 22 through 40 to the Southeastern Jurisdiction Study Committee on Legislative Proposals of the General Board of Higher Education and Ministry.

The Conference adopted the motion. Therefore, Petitions 15, 16, 22 through 40 did not come before the Conference.

Petition No. 16

Whereas in recent months the Alabama-West Florida Conference has felt the devastating effect of the trial of a clergy member and,

Whereas this trial has caused deep pain and hurt to the total conference, and

Whereas this pain and hurt has been most acutely felt by those members of the conference who were called upon to serve as the trial court,

Be It Therefore Resolved, that the Alabama-West Florida Conference meeting at Huntingdon College, May 22-25, 1983 convey to the 1984 General Conference the urgent need to make some changes in the Trial Procedures (paragraph 2624, 1980 *Book of Discipline*) in the event that a trial of a ministerial member is to be held,

Be It Therefore Further Resolved that Paragraph 2624.1a of the 1980 *Book of Discipline* be changed to read:

Church trials are to be regarded as an expedient of last resort. Only after every reasonable effort has been made to correct any wrong and adjust any existing difficulty should steps be taken to institute a trial. No such trial as herein provided shall be construed to deprive the accused of legal civil rights. All trials shall be conducted in a consistent Christian manner by a properly constituted court, after due investigation. The administration of oaths shall be required.

Be It Further Resolved, that paragraph 2624.1c of the 1980 *Book of Discipline* be changed to read:

The official charged with convening the Court (see Paragraph 2624.2a, 3a, and 4a) shall, within twenty days after receiving a copy of the charges and specifications, appoint counsel for the church and notify the accused in writing to appear at a fixed time and place no less than ten days after service of such notice and within a reasonable time thereafter to select the members of the Trial Court. At the appointed time in the presence of the accused, counsel for the accused, counsel for the church, and the presiding officer, nine persons shall be selected as a Trial Court out of a pool of nine members and four alternate members selected by the Jurisdictional Conference of another Jurisdiction than the one from which the ministerial member who is being tried holds his or her membership. The counsel for the church and the counsel for the accused shall each have two peremptory challenges.

Be It Further Resolved, that Paragraph 2624.1g (Witnesses) of the 1980 *Book of Discipline* be changed to read:

Notice to appear shall be given to such witnesses as either party may name and shall be issued in the name of the Church and be signed by the presiding officer of the Trial Court. It shall be the duty of a minister or a member of the Church to appear and testify when summoned. In the event that a ministerial witness refuses to appear when properly sum-

moned the Trial Court shall have the power to bring appropriate penalties and/or sanctions against such a witness.

Be It Further Resolved, that Paragraph 2624.1h (Power of the Trial Court) be changed to read:

The court thus constituted shall have full power to try the accused and upon a conviction by a vote of five or more thereof shall have power to suspend the accused from the exercise of the functions of office, to remove the accused from the office of the ministry or both, to expel the accused from the church or in the case of conviction of minor offenses to fix a lesser penalty. Its findings shall be final, subject to appeal to the Court of Appeals of the Jurisdictional Conference or the Central Conference, as the case may be.

Be It Therefore Resolved, that the General Conference of the United Methodist Church make the necessary changes in each of the other categories of trials — Trials of Bishops and Trials of Lay Members — to remove the emotional and political pressure that is present when one is called upon to serve as a member of a Trial Court of a member of one's own Annual Conference, Jurisdiction, or Local Church.

Motion was made to refer Petitions 15, 16, 22 through 40 to the Southeastern Jurisdiction Study Committee on Legislative Proposals of the General Board of Higher Education and Ministry.

The Conference adopted the motion. Therefore, Petitions 15, 16, 22 through 40 did not come before the Conference.

Petition No. 17

Whereas the Pastor-Parish Relations Committee is defined by Paragraph 266.2f(7) of the 1980 *Book of Discipline* as having an advisory relationship to the bishop and district superintendent in the task of securing clergy leadership for a charge;

And Whereas the Pastor-Parish Relations Committee is accountable to the bishop and district superintendent in regard to the task of securing leadership for a charge;

And Whereas the Pastor-Parish Relations Committee holds the same consultative and/or advisory relationship with the Administrative Board and/or Charge Conference and/or their committees in every area of pastor and staff relations except one;

And Whereas that one, unilateral prerogative lies in the Pastor-Parish Relations Committee's ability to speak for the charge on the question of whether or not the pastor(s) should be moved;

And Whereas in every other area of Pastor-Parish and staff relations the Administrative Board and the Charge Conference are assumed to be the basic and designated bodies for expressing the legislative will of a charge;

Therefore Be It Resolved that the Pastor-Parish Relations Committee's role in the area of accountability be made consistent by declaring that said committee shall be amenable to the Administrative Board of a charge in the matter of securing or retaining pastoral leadership. Pursuant to that principle, be it further resolved that Paragraph 266.2f(7) of the *Discipline* be changed so as to read as follows:

"To confer with the pastor and/or other appointed members of the staff if it should become evident to the committee that the best interests of the charge and pastor(s) will be served by a change of pastor(s). The views of the committee shall be expressed to the Administrative Board and the committee shall be amenable to the actions of the Board. The committee shall cooperate with the pastor(s), the District Superintendent, and the Bishop in securing clergy leadership. Its relationship to the District Superintendent and the Bishop shall be advisory only."

The Committee recommended concurrence.

The Conference supported the Committee and voted concurrence.

Petition No. 18

Whereas the Pastor-Parish Relations Committee is instructed that it shall meet at least quarterly in Paragraph 266.2e of the 1980 *Book of Discipline*;

And Whereas such frequency for meeting has been eliminated by previous *Disciplines* for a local church body as basic to the United Methodist connection as the Charge Conference, which is no longer required to meet quarterly;

And Whereas the supervisory and evaluative role of the Pastor-Parish Relations Committee, as spelled out in the 1980 *Book of Discipline* in regard to the pastor(s) is a threat to the freedom of the pulpit and may even be in violation of the General Rule of the Church;

Therefore Be It Resolved that the trend to grant the Pastor-Parish Relations Committee inordinate power in the connectional system be moderated, by amending Paragraph 226.2e of the 1980 *Book of Discipline* to read that the said Committee shall meet at least once annually.

The Committee recommended non-concurrence.

The Conference supported the Committee and voted non-concurrence.

Petition No. 19

Whereas ministerial evaluation has traditionally involved the laity of the church through their relationships to and communication with their pastors, and more formally through the deliberations and recommendations of their Pastor-Parish Relations Committees;

And Whereas ministerial evaluation has traditionally involved the clergy of the church through their basic amenability to the body of elders in the conference, the pastoral/counseling role of their district superintendents, and the overall pastoral supervision of their bishops;

And Whereas the final determination of the character and competence of the ordained ministers of the church has always, by agreement of laity and clergy, rested with the whole body of the ordained in an annual conference, and that determination has been expressed in an appointive system in which the bishops and their cabinets have final authority;

And Whereas that appointive system is preserved in Restrictive Rule #3 in the United Methodist Church's Constitution (see Section III, Article III of the Constitution, Page 25 of the 1980 *Book of Discipline*);

And Whereas Paragraph 427 of the 1980 *Book of Discipline* seriously departs from this time-honored understanding and practice of evaluating the life and work of a minister in the church;

Therefore Be It Resolved that Paragraph 427 of the 1980 *Book of Discipline* be deleted in its entirety;

And Be It Further Resolved that, in keeping with the intent of this action and to be consistent with it, the following further changes be made in the 1980 *Book of Discipline*;

1. The last sentence of Paragraph 266.2f(3) be deleted, so that 266.2f(3) will read: "To evaluate annually the effectiveness of the pastor and staff."

2. Paragraph 723.2k be deleted in its entirety.

3. In paragraph 704.5, the following be deleted: "or the Board of Ordained Ministry may make inquiry of each district superintendent about each minister in the district and make one report to the bishop and the conference in open session." Paragraph 704.5 would then read this way:

"The Annual Conference shall make inquiry into the moral and official conduct of its ministers. In response to the inquiry whether all ministerial members of the conference are blameless in their life and official administration, the district superintendent may answer for all the preachers in the district in one answer; provided that the conference or the bishop may order an executive session of the ministerial members to consider questions relating to matters of ordination, character, and conference relationships."

The Committee recommended concurrence.

The Conference supported the Committee.

Petition No. 20

Whereas the Order of Deacon is a permanent Order in that elders and bishops continue to be full deacons and continue to exercise the Office of a deacon;

And Whereas the conferring of a higher order in the Church in no way dilutes or invalidates the individual's full standing in his/her previous order;

And Whereas the ancient system for doing supervised ministry known as the ordained ministry preserves the unity of the Church in that a supervising elder or bishop not only supervises but also actually participates in the order being supervised;

And Whereas this understanding has encouraged unity and empathy in the Body of Christ, the Church;

Therefore Be It Resolved that the Order of Deacon be retained as a permanent Order for all Ordained United Methodist Ministers.

The Committee recommended concurrence.

The Conference supported the Committee.

Petition No. 21

Whereas historically in the Methodist Movement the lay worker has had a distinctive and strategic place of service; and

Whereas the greatest clarity is needed in delineating the status and function of the laity and the clergy;

Therefore Be It Resolved that provision be made that lay workers who have previously been known as diaconal ministers be given the option to become permanent deacons in the Church of Jesus Christ as projected through the United Methodist Church;

And Be It Resolved that the term "minister" be returned to and shared with those baptized ones who really form the basic order in all Christendom, the Order of the Laity. Be it further resolved that the dignity of being a lay minister/worker in the Church be reaffirmed as a true ministry to be celebrated and valued as it is without contrived "ordinations" which are not ordinations in the traditional sense and therefore are out of step with the historic ecumenical Church and its United Methodist Church expression.

The Committee recommended concurrence.

The Conference voted to defeat the recommendation of the Committee, and voted non-concurrence.

Petition No. 22

Whereas the responsibility for overseeing the general work and welfare of each minister rests with his/her district superintendent and bishop;

And Whereas any matter which arises in a parish with regard to a minister's character or administration should be handled by the district superintendent and/or bishop in such a way as to contain the problem and conserve the ministry of the Church and the minister;

And Whereas if necessary such matters can be dealt with in a variety of ways, including the use of administrative, appointive, and judicial remedies;

And Whereas if serious and insoluble enough to warrant judicial process, a matter should be able to be brought to the attention of the Committee on Investigation for consideration, and if not serious and insoluble enough it need not be submitted to any form of review outside the scope of the district superintendent and/or bishop and/or appropriate local church personnel (i.e., ministers, Pastor-Parish Relations Committees, and others deemed useful by the district superintendent and/or bishop in settling the matter);

And Whereas the present Joint Review Committee, whose duties are laid out in Paragraph 449.1c of the 1980 *Book of Discipline*, is an ambiguous body whose role and rules for operation are so open to interpretation as to confuse both the committee and those who come before it under complaint, and whose work really ought to be a function of the full supervisory obligations of district superintendents and bishops;

And Whereas the place of the Board of Ordained Ministry in receiving complaints against ministers forwarded to it by the Joint Review Committee, and acting on those

complaints — as described in paragraph 449.1d, 449.1e, and 449.1f of the 1980 *Book of Discipline* — changes the nature of the Board of Ordained Ministry from that of a group of Elders who represent the Annual Conference in seeking to help shepherd those called by God to the ministry and who pass on the character and work of candidates only as those candidates enter and pursue the ministerial process, into that of a judicial body, even that of a quasi grand jury which can write charges against a minister and present them to the next level up the judicial ladder, the Committee on Investigation, which itself is supposed to function as a kind of grand jury;

And Whereas the Alabama-West Florida Conference has recently experienced how unsatisfactory this system of using the Joint Review Committee and Board of Ordained Ministry in a complaint process can truly be, and how counterproductive it is with regard to justly settling disputes involving ministers;

Therefore Be It Resolved that the Alabama-West Florida Conference calls for the following changes in the *Discipline*:

1. The deletion of paragraph 449.1 in its entirety.
2. Let paragraph 449.2 become paragraph 449.1.
3. Let paragraph 449.3 become paragraph 449.2, and let it be changed to read as follows:

“If a bishop or ministerial member of an Annual Conference shall be liable to accusation and trial as an expedient of last resort, the procedures for charges and trials are provided for in paragraph 2624.”

Motion was made to refer Petitions 15, 16, 22 through 40 to the Southeastern Jurisdiction Study Committee on Legislative Proposals of the General Board of Higher Education and Ministry.

The Conference adopted the motion. Therefore, Petitions 15, 16, 22 through 40 did not come before the Conference.

If there is more than one accuser, no accuser or counsel for accuser, shall be allowed to be present during the testimony of another accuser. They shall then forward a copy to the accused and to appropriate church officials (Paragraph 2623.2-d, .3-d, and .4-b).

Three reserve members shall also be elected. *None of the members or reserve members shall be members of the Joint Review Committee* or the Board of Ordained Ministry. Should a member of the Committee on Investigation have been a party to any of the prior proceedings in a case which finally comes before the Committee, he shall be disqualified from sitting on the Committee during its consideration of that case, and his place shall be taken by a reserve member.*

Petition No. 30

The Petition to the General Conference is that the italicized sentences will be added at the end of Paragraph 2623.3-b) as shown here.

This applies to the convening district superintendent if he is the accuser. In that case he may be called back to the Committee to give testimony in the presence of the accused.*

Petition No. 31

The Petition to the General Conference is that the italicized sentence will be added at the end of Paragraph 2624.1-a) as shown here.

No such trial as herein provided shall be construed to deprive the accused of legal civil rights. All trials shall be conducted in a consistent Christian manner by a properly constituted court, after due investigation. The administration of oaths shall be required. *The presiding officer may charge a witness of perjury, in writing, and thus subject the witness to Church Trial, if he/she is a member of the United Methodist Church or a Deacon or Elder of the same.*

If the accused pleads "not guilty" or if the accused should neglect or refuse to plead, the plea of "not guilty" shall be entered, and the trial shall proceed. The court may adjourn from time to time as convenience or necessity may require. *During the time of adjournment the members of the Trial Court shall be sequestered. If the Court is adjourned over a Sunday, the members of the Trial Court are not to return to their homes. They are not to return home at all during the trial, except in case of unexpected dire emergency. They are not to talk to anybody by telephone or otherwise about the case they may judge. Paragraph 2624.1.-i)-(5) All objections to the regularity of the proceedings and the form and substance of charges and specifications shall be made at the first session of the trial. The presiding officer, upon the filing of such objections, shall, or by motion may, determine all such preliminary objections and may dismiss the case or in furtherance of truth and justice permit amendments to the specifications or charges not changing the general nature of the same. But after the Trial Court is selected as provided for in Paragraph 2624.1d and convened for the trial; the authority of the presiding officer shall be limited to ruling upon proper representation of the Church and the accused, admissibility of evidence, recessing, adjourning, and reconvening sessions of the trial, *charging the members of the Trial Court as to the Church law involved in the case just before they retire to make up their verdict*, and such other authority as is normally vested in a civil court judge sitting with a jury, but he/she shall not have authority to pronounce any judgment in favor of or against the accused other than such verdict as may be returned by the Trial Court, which body shall have the exclusive right to determine the innocence or guilt of the accused.

Petition No. 39

The Petition to the General Conference is that the italicized words be added at the end of Paragraph 2624.3-d) as shown here.

Paragraph 2624.3-d) Counsel for the Church shall be an elder in full connection, *provided he or she was not a member of the Joint Review Committee*, Board of Ordained Ministry or the Committee on Investigation when the case now under consideration by the Trial Court was before those bodies.*

Petition No. 40

The Petition to the General Conference is that Paragraph 2625.-1.-g) as quoted below be replaced by the two italicized sentences as shown here.

Paragraph 2625.-1.-g) "In no case shall an appeal operate as suspension of sentence. The findings of the Committee on Investigation or the Trial Court must stand until they are modified or reversed by the proper appellate court." *Innocence of accused is assumed until appellate process is exhausted if one convicted by Trial Court claims appellate process. If one convicted by Trial Court claims only Jurisdictional Court of Appeals, he is assumed innocent until that Court confirms conviction by the Trial Court.*

Motion was made to refer Petitions 15, 16, 22 through 40 to the Southeastern Jurisdiction Study Committee on Legislative Proposals of the General Board of Higher Education and Ministry.

The Conference adopted the motion. Therefore, Petitions 15, 16 22 through 40 did not come before the Conference.

Petition No. 41

Whereas, the General Council on Ministries at the direction of the 1980 General Conference set up a Task Force on Language Guidelines and,

Whereas, it has been noted in various news media that the Task Force *may* recommend that "Lord" and "King" not be used by United Methodists because they are sexist terms:

Therefore, Be It Resolved that the Administrative Board of Christ United Methodist Church, Mobile, Alabama, meeting on May 9, 1983, and believing the Bible to be the Word of God, does hereby voice its objections to any such recommendations by the Task Force on Language Guidelines, and

Be It Further Resolved that our delegates to the 1983 Alabama-West Florida Conference present a similar Resolution to the Conference for action.

The Committee recommended non-concurrence.

The Conference supported the Committee and voted to table.

Petition No. 42

WHEREAS there is a growing concern that the United Methodist local churches have very little input into the legislative and programming direction of our denomination, and

WHEREAS it is becoming more and more apparent that the salaried staff of the various boards and agencies of our church are directing its course,

BE IT THEREFORE RESOLVED that paragraph 605 of the 1980 *DISCIPLINE OF THE UNITED METHODIST CHURCH*, dealing with "Rules of Order," be amended by the addition of item 2, as follows:

2. On any committee in any legislative meeting during General Conference there shall be no more than six (6) salaried staff persons from the various boards and agencies of our church, unless there are more than six such persons on the committee who are all duly elected delegates from their respective Annual Conferences, to become effective upon action of the 1984 General Conference.

The paragraph as amended would then read:

605. Rules of Order. 1. The Plan of Organization and Rules of Order of the General Conference shall be the plan of Organization and Rules of Order published in the journal of the preceding General Conference until they have been altered or modified by the action of the General Conference.

2. On any committee in any legislative meeting during General Conference there shall be no more than six (6) salaried staff persons from the various boards and agencies of our church, unless there are more than six such persons on the committee who are all duly elected delegates from their respective Annual Conferences, to become effective upon action of the 1984 General Conference.

The Committee recommended Concurrence.

The Conference supported the Committee.

Petition No. 43

WHEREAS, the elder has been called by God and has responded to this specialized ministry of word, sacrament, and order; and

WHEREAS, the diaconal minister has been called by God and has responded to this specialized ministry of love, service, and justice; and

WHEREAS, each of these orders are set apart from the general ministry of all Christians for representative ministries within the body of Christ, the church;

THEREFORE, let it be resolved that there shall be two permanent orders of representative ministry: the elder, ordained to word, sacrament, and order; and the diaconate, consecrated to love, service, and justice.

Division XII — Historical

At the session of the South Carolina Conference of the Methodist Episcopal Church, which adjourned on January 2, 1808, Matthew Sturdivant was appointed to Tombeckbee, which was the earliest official appointment within the territory of what is now the Alabama-West Florida Conference. The first Methodist minister to appear in Alabama, though unofficial, was Lorenzo Dow in 1803.

In 1811, Tombeckbee was one of the appointments of the Mississippi District of the Western Conference; and in 1812, the Mississippi District was a part of the Tennessee District.

The General Conference of 1812 authorized the formation of the Mississippi Conference, which the bishops proposed to do in 1813, but were prevented from meeting the preachers at the designated time and place. Sessions of these preachers were held in 1813, 1814, and 1815 without the assistance of a bishop. By the General Conference of 1816 the Mississippi Conference was officially constituted and the territory now served by the Alabama-West Florida Conference was embraced within its boundaries.

1982 Statistical Tables of the Alabama-West Florida Annual Conference

The United Methodist Church
The Southeastern Jurisdiction

Frank L. Robertson, Presiding Bishop

Prepared Under the Direction of
Rev. Edward M. Cotten, Conference Statistician

Inquiry To Bishop Robertson

TO: Bishop Frank L. Robertson, Resident Bishop of the Birmingham Episcopal Area

FROM: Joe W. Lisenby, Clergy Counsel of record to Thomas Lane Butts

DATE: May 24, 1983 — Second day of the 1983 Session of the Alabama-West Florida Conference of The United Methodist Church meeting in Montgomery, Alabama

I, Joe W. Lisenby, an Elder in the Alabama-West Florida Conference, and clergy counsel of record to Thomas Lane Butts, an Elder suspended for two years, one month and nine days, by a United Methodist trial court on April 22, 1983, do hereby request Episcopal rulings from the Chair on certain questions of law concerning the practical meaning of Paragraph 2624-1-h) of the Book of Discipline which relate to the phrase: "to suspend the accused from the exercise of the functions of office," in order to affirm or alter your opinions previously stated orally or in writing to Thomas Lane Butts concerning the meaning of "suspension." I request your rulings in writing individually and ad seriatim.

1. During the period of suspension, can Thomas Lane Butts preach in United Methodist churches upon invitation by the pastor in charge?
 2. During the period of suspension, can Thomas Lane Butts preach at any place under any circumstance?
 3. During the period of suspension, can Thomas Lane Butts participate in a wedding or a funeral of a member of a United Methodist church congregation?
 4. During the period of suspension, can Thomas Lane Butts participate in a wedding or funeral of a person who is not a member of the United Methodist church?
 5. During the period of suspension, can Thomas Lane Butts give counsel, spiritual guidance or pastoral care to members of United Methodist congregations upon request?
 6. During the period of suspension, can Thomas Lane Butts give counsel, spiritual guidance or pastoral care to persons who are not members of United Methodist congregations?
 7. During the period of suspension, can Thomas Lane Butts upon proper invitation, speak or teach in United Methodist churches in a form of presentation not characterized as preaching?
 8. During the period of suspension, can Thomas Lane Butts publish writings in United Methodist publications and/or publishing houses?
 9. During the period of suspension, can Thomas Lane Butts publish writings in publications and/or publishing houses not owned by the United Methodist Church?
 10. During the period of suspension, can Thomas Lane Butts be employed in any way, under any circumstance, by a United Methodist church, or any of its institutions or agencies as lecturer, counselor, consultant, etc.?
 11. During the period of suspension, can Thomas Lane Butts live in a house or occupy an office owned by a United Methodist church?
 12. During the period of suspension, can Thomas Lane Butts continue to serve on Boards, agencies and/or committees of the Conference, Area, Jurisdiction, or the General church to which he has been appointed or elected?
 13. Will Thomas Lane Butts be able to return to membership on any Boards, agencies and/or committees of the Conference, Area, Jurisdiction, and/or the General church to which he has been appointed or elected upon termination of suspension, to serve the unexpired time of his term?
 14. During the period of suspension, can Thomas Lane Butts continue to be a member of and participate in the conference group life and health insurance programs for himself and his family? (Does the Annual Conference pay for the same percentage of the rate for Thomas Lane Butts as for any other minister in the conference?)
 15. During the period of suspension, is Thomas Lane Butts an active claimant to accumulation of service time in its pension program (years of service) and is the conference responsible for payment of the cost of pension credit during suspension?
- It is my interpretation of Paragraph 2612 of the Book of Discipline that the intent of said

paragraph is that your rulings will be available to me in writing prior to the adjournment of the conference now in session; and that such rulings will automatically have the force of law (in the case of Thomas Lane Butts) unless and until modified or reversed by the Judicial Council. I further interpret Paragraph 2612 to mean that your rulings will be automatically reviewed by the Judicial Council.

This request is made in the interest of clarity and justice in the case of Thomas Lane Butts and any other person who may experience suspension in the future.

Respectfully Submitted,
Joe W. Lisenby, Clergy Counsel of
Record to Thomas Lane Butts

Bishop Robertson's Response

RESPONSES BY BISHOP FRANK L. ROBERTSON TO QUESTIONS HAND DELIVERED TO HIM BY THE REVEREND JOE W. LISENBY WHILE HE PRESIDED OVER A SESSION OF THE ALABAMA-WEST FLORIDA ANNUAL CONFERENCE IN MAY OF 1983. THE DOCUMENT WAS PLACED IN THE BISHOP'S BRIEFCASE AND NOT READ UNTIL AFTER THE ANNUAL CONFERENCE SESSION. NO REQUEST WAS MADE FROM THE FLOOR FOR ANY STATEMENT OR RULING BY THE BISHOP. THE QUESTIONS AS PRESENTED ARE AS FOLLOWS WITH ANSWERS GIVEN.

1. *During the period of suspension, can Thomas Lane Butts preach in United Methodist churches upon invitation by the pastor in charge?*

Response: Inasmuch as our ministry is to Word, sacrament, and order, all preaching should be suspended during a period when a member of an Annual Conference is under suspension.

2. *During the period of suspension, can Thomas Lane Butts preach at any place under any circumstance?*

Response: This question covered in No. 1 above.

3. *During the period of suspension, can Thomas Lane Butts participate in a wedding or a funeral of a member of a United Methodist church congregation?*

Response: A person under suspension from an Annual Conference may participate in a funeral service inasmuch as any person, lay or clergy may share in the leadership of such services. In a wedding, a person under suspension may not participate, since this act is a ministerial function from which he or she has been suspended.

4. *During the period of suspension, can Thomas Lane Butts participate in a wedding or funeral of a person who is not a member of the United Methodist church?*

Response: This question is covered in answer No. 3 above.

5. *During the period of suspension, can Thomas Lane Butts give counsel, spiritual guidance or pastoral care to members of United Methodist congregations upon request?*

Response: If the term, "pastoral care," includes counsel and spiritual guidance, as I believe it does, a person under suspension from an Annual Conference may not participate in such pastoral functions.

6. *During the period of suspension, can Thomas Lane Butts give counsel, spiritual guidance or pastoral care to persons who are not members of United Methodist congregations?*

Response: This question is covered in Question 5 above.

7. *During the period of suspension, can Thomas Lane Butts upon proper invitation, speak or teach in United Methodist churches in a form of presentation not characterized as preaching?*

Response: This would depend upon the interpretation given the word, “preaching.” Since the distinctions between “speaking” and “preaching” on the one hand and “teaching” and “preaching” on the other, it would be impossible to make an objective decision on this matter. If one is to keep within the spirit of the meaning of “suspension,” then activities which could be interpreted as preaching should be avoided.

8. *During the period of suspension, can Thomas Lane Butts publish writings in United Methodist publications and/or publishing houses?*

Response: To deny the right to publish would be tantamount to denying one’s civil rights. Hence, a person under suspension would be free to publish, depending upon the willingness of the editor or publisher and upon conformity to civil law.

9. *During the period of suspension, can Thomas Lane Butts publish writings in publications and/or publishing houses not owned by the United Methodist Church?*

Response: This question is covered under Question 8 above.

10. *During the period of suspension, can Thomas Lane Butts be employed in any way, under any circumstance, by a United Methodist church, or any of its institutions or agencies as lecturer, counselor, consultant, etc.?*

Response: As in the case of Question No. 5 above, the terms “lecturer, counselor, consultant” and especially “etc.,” are given to broad interpretation. Furthermore, the terms, “in any way, under any circumstance,” suggest no limitations at all. A person under suspension in an Annual Conference ought not to perform the duties or privileges granted him or her by ordination or that might be classified as ministerial duties.

11. *During the period of suspension, can Thomas Lane Butts live in a house or occupy an office owned by a United Methodist church?*

Response: A bishop has no jurisdiction in this matter. A local church must make its own decision regarding its property.

12. *During the period of suspension, can Thomas Lane Butts continue to serve on Boards, agencies and/or committees of the Conference, Area, Jurisdiction, or the General church to which he has been appointed or elected?*

Response: When membership as a ministerial member of a Board or Agency or Committee is contingent upon membership in the Annual Conference (as it generally is), then a person under suspension is not eligible to serve in these capacities.

13. *Will Thomas Lane Butts be able to return to membership on any Boards, agencies and/or committees of the Conference, Area, Jurisdiction, and/or the General church to which he has been appointed or elected upon termination of suspension, to serve the unexpired time of his term?*

Response: A person who has been under suspension may return to the places of leadership to which he or she has been elected prior to suspension unless the vacancy created by suspension has been filled by another person or unless the charter, constitution, or by-laws of such a body precludes such return to membership.

14. *During the period of suspension, can Thomas Lane Butts continue to be a member of and participate in the conference group life and health insurance programs for himself and his family? (Does the Annual Conference pay for the same percentage of the rate for Thomas Lane Butts as for any other minister in the conference?)*

Response: A bishop has no jurisdiction in this matter. This decision must be made by the appropriate agency within the Annual Conference and/or the insurance carrier.

15. *During the period of suspension, is Thomas Lane Butts an active claimant to accumulation of service time in its pension program (years of service) and is the conference responsible for payment of the cost of pension credit during suspension?*

Response: This decision must be made by the Boards of Pensions on the Conference and General level.

ART COPPER

On February 29, 1984 the Alabama-West Florida Conference lost one of its great laymen in the death of Art Copper. Art came on the staff of the Alabama-West Florida Conference in 1961 as Director of Stewardship and Tithing with the Conference Board of Lay Activities. Traveling the length and breadth of the conference he established himself as a dedicated churchman. The tremendous growth in giving to the causes of the church was indicative of his efforts. In 1966 he was elected Treasurer of the conference and served with distinction until his retirement December 31, 1983.

A native of Missouri, Art was raised in a religious home. Shortly after graduation from college he served his country as an officer in the armed services during World War II. After traveling in the southeast for several years as a salesman, he settled in Montgomery and became an active layman in the St. James United Methodist Church. Serving in numerous positions in his local church, he also became active in the district and conference lay work. From here he was asked to come full time to the conference staff. Giving up his business he gave himself to this even at great financial sacrifice.

Besides being Conference Treasurer, Art was also treasurer of the Board of Pensions and Homes for Claimants. With his keen mind he was able to perceive that unless something was done quickly in several years the conference would be in financial difficulties in meeting its obligation to the retired ministers. The conference heard him and today has one of the best and most sound pension plans in the church.

Art perceived the responsibility of each member of the church, both clergy and laity, to be good stewards of what God had shared and he never failed to challenge all, by faith, to reach out and do more. He was blunt and minced no words to express what he felt was right. He tempered all this with a heartfelt compassion for those in need and his love for his God and his Church was evident.

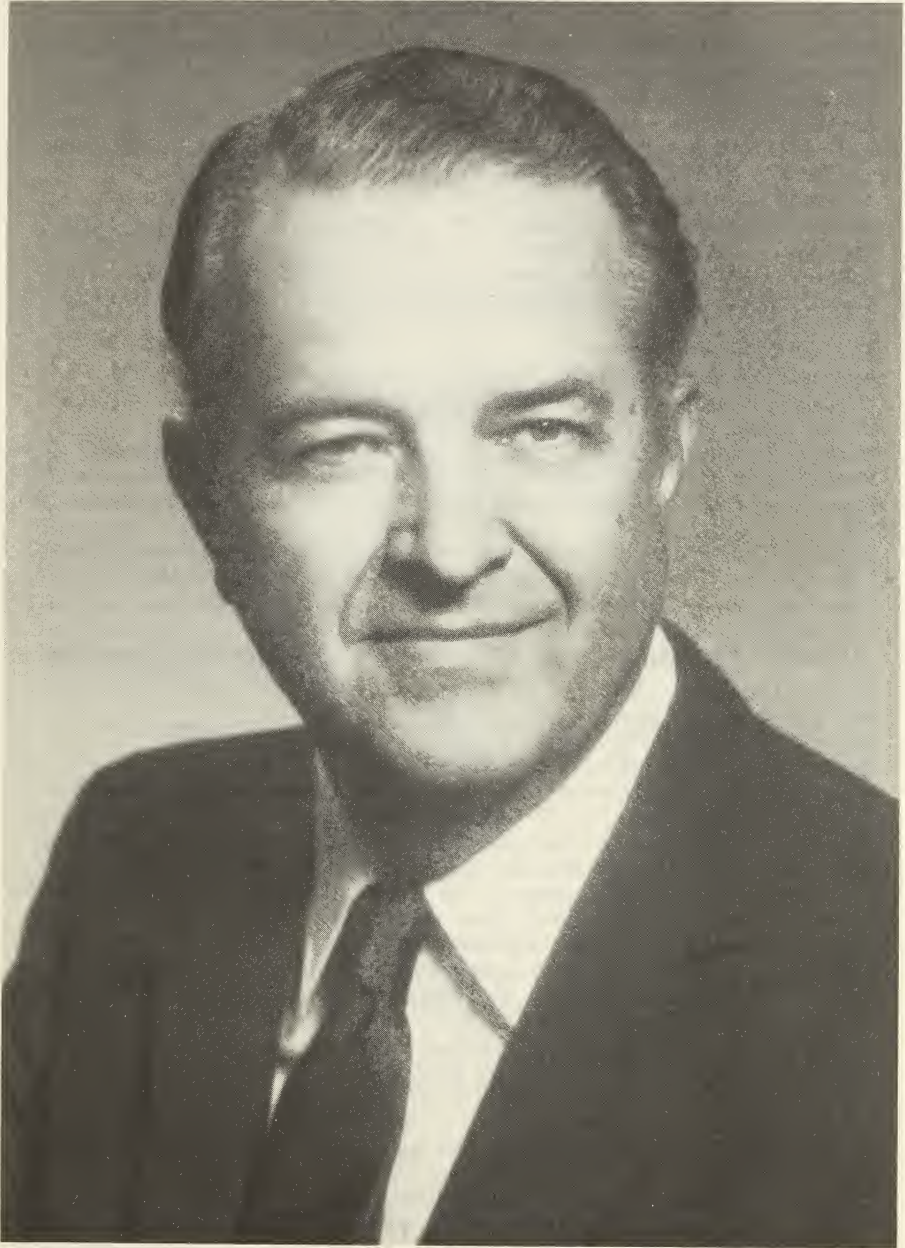

A dedicated family man, Art Copper loved his family. He married Elizabeth Peters and to them were born three children: Mrs. Robert Brooks of Birmingham; Steve Copper of Andalusia and Rachel Copper of Birmingham. If you were with Art for long, you soon discovered him talking in endearing terms of each of his family and particularly of his two grandchildren, the children of Bob and Betsy Brooks.

An appreciation dinner for Art was held a little over two weeks before his sudden death. No one could foresee the rush of events. A representative crowd from all over the conference attested to the love and affection felt for him. It was hard for him to believe all this was being said and done to honor him, but this was indicative of his character.

We shall miss him, but shall always be in debt to a man named Art Copper who came our way. To his family we express our thanks for having shared him with us and also pray God's blessings upon them in the loss of this loved one we also loved.

Division III — The Chronological Roll

PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Chronological Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form, and in alphabetical order. It is our hope that we can present a more detailed as well as a more accurate record of each minister. The information in this division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval. —The Conference Secretary.

Symbols used before each name denote the category of conference relationship and the numbers indicate place in the chronological (or other) order. Hence R—1 means the first place in the Retired category. AM—Associate Member; FC—Effective Members (Full Connection); FT—Full Time; LP—Local Pastor; PM—Probationary Member; PT—Part Time; R—Retired; S—Supply; SLP—Student Local Pastor; AFM—Affiliate Member; HM—Honorary Member.

The symbols used after the name are as follows: D—When Ordained Deacon; E—When Ordained Elder; A—When Admitted on Trial or as a Probationer; FC—When Admitted into Full Membership; T—When Transferred into this Conference; LP—When Approved as a Lay Pastor or Approved Pastor; AM—When Approved as an Associate Member; and PT—Part Time Minister (one who has other employment). *—No Record of Attendance at Annual Conference.

Persons may be enlisted to assist boards and agencies for specific tasks in advisory and non-voting capacities and should be drawn from within the bounds of the conference. A minister serving on a board or agency at retirement may complete that quadrennium, except where specified otherwise by the *Book of Discipline*.

(b) No person shall serve on more than one board of trustees or board of directors of institutions or agencies related to this Annual Conference at the same time. Nothing in this rule shall be construed to mean that persons may not serve concurrently on boards of trustees or directors and as members of quadrennial boards and agencies or ex officio trustees or directors, where disciplinary provisions apply.

(c) Persons who are inactive, that is, by failing to attend and participate in the meetings and programs of a given board or agency, for one year without legitimate excuse shall be replaced at the end of any current year.

(d) No ministerial member shall serve more than nine consecutive years (three terms) as a

trustee of any agency or institution related to this Annual Conference, nor shall this person be eligible for election again to that board until three years shall have passed since termination of the nine years of service.

19. Organizational stipulations for boards and agencies:

(a) All quadrennial boards, commissions and committees, except as provided by the *Book of Discipline*, shall continue through the session of the Annual Conference immediately following the General Conference for the purpose of completing their business.

(b) Every year the Annual Conference Committee on Nominations shall complete its work four weeks before the date set for the regular conference session, in order to inform nominees of their selection and anticipated confirmation at the session, so persons not delegates to Annual Conference may plan to be present for the organizational meeting of all boards, commissions and committees at the conference session. This will allow the secretary of the Committee on Nominations to give notice of the time and place of meeting to each nominee at least two weeks before the session opens, and to provide a list of nominees to each proposed member of a group so previous thought may be given to selection of officers. The time requirements herein shall pertain as well to nominations made to fill vacancies at other sessions of the Annual Conference.

20. There shall be nine districts in this Annual Conference.

21. A District Conference shall be held annually in each district of this Annual Conference in the last half of the calendar year, with its program year starting in January. A District Conference shall be composed of all preachers serving charges within its bounds, all retired conference members and deaconesses, ministers on disability leave, on maternity leave and diaconal ministers residing therein; the church lay leader, the church school superintendent, and the presidents of United Methodist Women, United Methodist Men and United Methodist Youth of each local church in the district; the charge delegate to annual conference; district stewards and trustees; the district lay leader and associate leaders; district coordinators of children, youth, adult, family ministries and district secretary of education, plus six members elected by each Charge Conference, including at least one youth.

22. Each district shall have a District Committee on Nominations composed of the District Superintendent as chairperson, and with a membership of three clergy and four lay persons, elected annually. No member may serve for more than three consecutive years with the exception of the district superintendent. The District Committee on Nominations may submit to the District Conference the names of one clergy and one layperson for election for each work area and age level, and such other persons as are needed for membership to the District Council on Ministries. Persons to be nominated shall be consulted by the District Superintendent prior to the submission of names. Members are to be elected for the quadrennium or remainder of quadrennium if replacing a member. The District Committee on Nominations may fill vacancies with replacements to take office immediately. Such persons shall be confirmed at the next meeting of the District Conference.

23. In harmony with Par. 710.1 of the *Book of Discipline*, the Council on Finance and Administration shall recommend an annual apportionment sufficient to provide for support of the district superintendents.

24. A district superintendent shall not serve on a quadrennial board, commission or committee, except as specifically provided by the *Book of Discipline*. Vacancies occurring by appointment of members of boards, commissions and committees to the district superintendency shall be filled by the conference session when such appointments are made. There shall be a representative of the Cabinet on each such program agency, who shall be named by the Cabinet.

25. Budget requests and the Council on Ministries.

(a) Boards and agencies requesting funding items to be included in apportionments shall present their askings to the Council on Ministries in writing on the form provided by the council; with such requests to be presented by a representative of the board or agency appearing before the Budget Committee of the council; at a time and place set by the Council on Ministries, with not less than thirty days' notice of such meetings being given by the council. The chairperson of each conference agency, or other duly authorized person, shall have opportunity to represent the chairperson's agency before the Council on Finance and Administration as provided by the *Book of Discipline* (Par. 710.3).

(b) The Council on Ministries shall present the total amount of the budget request it approves to the Council on Finance and Administration for its action as an item in the conference benevolence budget.

(c) The Council on Ministries may adjust program budget items between Annual Conference sessions if the necessity arises because of inadequate income or changing needs within the council and the Annual Conference operation; provided the total amount approved by the Annual Conference is not exceeded in such changes; and provided, further, that such changes must be accomplished by the following means: the Budget Committee of the Council on Ministries will confer with the boards and agencies involved, and, after thorough study, will present its recommendation to the Council on Ministries, which may then make adjustments approved by a two-thirds vote of members present and voting.

26. In the allocation of askings on the formula basis, the non-building budget shall not include any monies expended for the following items:

- (a) Principal and Interest on capital indebtedness.
- (b) Buildings and Improvements.
- (c) General Advance Specials and World Service Special Gifts.

Reports Of Boards And Agencies

THE BOARD OF ORDAINED MINISTRY

The 1980-84 quadrennium has been a time in which the Board of Ordained Ministry has worked in several new areas of responsibility.

In cooperation with the Cabinet, the Joint Task Force on Ministerial Evaluation has developed a program of ministerial evaluation for the conference. The first year's experience with the program is being evaluated. Suggestions will be coming from this group for any needed revisions in the program in the new quadrennium.

A program of standards and guidelines in the area of Continuing Education has been developed. A report from that area of the Board's work can be found below.

Because of increases in the number of persons seeking to enter the ministry in our conference and the time required to interview and process these persons, the Board has for the past two years had to increase its spring meeting time from two to three days. We are pleased and feel that the conference is blessed to be receiving these numbers of new ministers and that our future is bright because of them.

The changes enacted in the area of ministry in our church by the 1984 General Conference will be put into effect by our new Board. The ministers and laity alike will want to support the Board as it seeks to implement these changes.

We continue to urge the churches of the conference to support the Ministerial Education Fund. That fund is vital to our seminaries and to the persons attending the Local Pastor's School in the summer and persons attending seminary from our conference. The aid that we are able as a conference to give to these persons is vital to their preparing for leadership in our churches and conference. Please see that your local church pays its asking for Ministerial Education in full.

The members of the 1980-84 Board of Ordained Ministry wish to thank the conference for the privilege of serving the conference through the work of this important Board. The tasks of the Board touch every area of the ministerial life of the conference. The responsibilities and decisions of the Board are important in the lives of the individual minister and the conference. We count it an honor and a privilege to have served this quadrennium. We pray God's blessing and guidance for the new Board.

UNITED METHODIST WOMEN

As United Methodist Women worked, studied, and prayed to fulfill the goals and the purpose of their organization in 1983, the theme "Thru It All - God" motivated their endeavors. Eva Walker, President of the Southeastern Jurisdiction, challenged the 500 participants in October at the Eleventh Annual Meeting with this theme. Looking at the past and how women had been in mission over 100 years and how they continue to be in the forefront of the mission outreach of the church. The business conducted at the Conference included: (1) electing 4 nominees to the Women's Division, Sue Jones, Margrette Barker, Ann Gordy, and Johnnie Goodson, Alternate, (2) pledging \$159,538.79 to mission for 1984, a 5% increase, (3) recognizing eight newly organized units within the Conference.

Expanding concepts of mission continues to be dominant in trying to fulfill the purpose of United Methodist Women.

— Eleven Conference Officers attended the South Atlantic Regional School of Christian Mission in Fayetteville, North Carolina. Ann Gordy was elected Dean of the 1984 school.

— 352 persons attended the Alabama-West Florida Conference Cooperative School of Christian Mission in August. Theme: Sojourners to Shalom. Jan Hulbert was elected Dean and Mary Elizabeth Carter was elected Associate Dean of the 1984 school.

— Anne Dalton, Conference Coordinator of Christian Social Involvement, Marsha Clayton, Montgomery District Chairperson of Membership, and Barbara McIntyre, First United Methodist Church, Dothan, Al. attended the National Seminar in August in Chico, California. Theme: Economics and the Faith Community.

— 100 Conference and District Officers attended the Leadership Development Workshop in November.

— Two workshops were held for District and Conference Officers, Christian Discipline Workshop, led by a team from the Women's Division, and Funding for Mission Workshop led by Myrtle Gordon, an interpreter of the National Division of the Board of Global Ministries.

— "Making a Difference: Women in Electoral Politics," a one-day skills workshop, was held in Montgomery, Al. and was sponsored by the Conference.

— Seven districts involved around 400 women in World Development Workshops. The purpose to inform women of the needs in their communities and in the developing countries of Latin America and the Caribbean, especially the needs of women and children.

— The total giving sent to the Women's Division was \$164,615.83. Yes, 1983 brought challenges and many opportunities for the 11,912 members of United Methodist Women of the Alabama-West Florida Conference and "Thru It All - Was God."

CONFERENCE COUNCIL ON MINISTRIES

In reviewing the activities of the Conference Council on Ministries during the past year, the varied activities of the Church were again revealed. In every area from the local church, to the district, to the various conference levels, resources are available to assist in many ways.

Emphasis has been placed upon the priorities of the general church and also upon the needs of our annual conference. The staff has been very active in all phases.

As we come to the end of another quadrennium, we would express to all who have worked on the various boards and agencies a word of appreciation and know that new ones coming on will carry on the good work.

Your Conference Council seeks to fulfill its responsibility of coordination, implementation and assistance through four major committees: 1. Research and Planning; 2. Interpretation; 3.

In the area of communication a new approach has been taken this year in the publishing of "The Connectional Link" to local church Council on Ministries members. This is to inform those responsible for program in the local church of the various events and resources available to help them be the church in their community. It is the hope of the council that this will be of great help to each local church.

The Committee on Interpretation has tried to share with the local church an understanding of the various activities which require funding. Thus the interpretive brochure on "Where Did All That Money Go?"

Budget and Coordinating has worked hard to fulfill its responsibility in presenting a realistic program budget to the conference covering all aspects of the conference's work.

For three years Research and Planning has been sharing with the conference on its efforts to strengthen United Methodism in the Alabama-West Florida Conference. Its report to the conference is as follows:

THE REPORT OF THE NEW DEVELOPMENT FOR CHURCH GROWTH COMMITTEE

The 1983 session of the Alabama-West Florida Annual Conference authorized the New Development for Church Growth Committee of the Conference Council on Ministries to do the following:

(1) That the stream of need converge from the Bicentennial Thrust as we look to moving out into our third century and have a joint campaign that will be presented in a complete plan at the May 1984 Annual Conference.

(2) That in cooperation with the National Division, the Annual Conference enter into a study process for church development to determine the total Conference needs in new church development and to get projections to time-line those needs and assess dollar-cost. This plan would utilize the District Teams and involve staff from the Board of Discipleship and the Board of Global Ministries. After the perimeters have been determined as to what the approach is going to be, and the preliminaries have been established as to what kind of funds should be needed, the National Division Office will make a study of the Alabama-West Florida Conference. They will then project proposals of the goal on a Conference-wide basis.

(3) That the Blue Lake Commission continue its study of the needs for expansion at Blue Lake, securing cost estimates on the type of expansion needed and in keeping with the Conference program.

(4) That the New Church Development Committee be named the New Development Committee for Church Growth and add to its membership three persons from the Blue Lake Commission.

(5) That the New Development Committee for Church Growth be authorized to carry out all details necessary, so that a progress report can be made in the Spring of 1984, to the Conference Council on Ministries. The preliminary report to the Annual Conference be available in the Brochure of Reports prior to the Annual Conference of 1984, and that complete details of the campaign be presented to the Annual Conference for its action in May of 1984.

In accordance with this report, district teams of six to eight persons were formed in each district. The Reverend Fred Heleine from the National Division was contacted and conducted two training sessions for the district teams at Blue Lake. Each team then went back into its district and conducted the study of needs for new churches and for church revitalization. The findings of these committees were compiled and coordinated at a meeting of the chairperson, one representative from each district committee, the district superintendents, the Blue Lake representatives, and Gerald Maddox, conference staff.

At the above meeting, the committee for Homes for Claimants from the Board of Pensions presented a request to be included in the campaign for funds for acquisition and maintenance of homes for retired ministers and widows of ministers. They propose a fund of \$500,000 from which the income will be used to acquire homes and to maintain them. Through a study conducted last year, there is a projected need of one new home a year for the next ten years. The setting up of this capitol fund will meet this need. The committee feels this is needed and ask that it be included in this proposed campaign.

The composite report from the districts shows a need for 16 new churches and nine revitalization projects over the next five to ten years. The estimates of the conference and district portions of the expected costs come to over \$3,000,000. This does not include the total

cost of beginning the new churches nor the needed revitalization projects. People involved in all phases of new church beginnings put the cost of starting a new church at a minimum of \$250,000 which translates into a total cost for the 16 new churches indicated by the studies to be \$4,000,000.

As a result of the studies made by the district teams, the New Development Committee for Church Growth recommends the following:

(1) That the Alabama-West Florida Conference enter into a capital funds campaign.

(2) That the Alabama-West Florida Conference raise \$3,250,000 in this campaign over a 4 year period to be divided as follows:

\$1,500,000 for new churches and church revitalization

\$1,250,000 for needed expansion at Blue Lake

\$500,000 for Homes for Claimants

Lester Spencer, Chairperson
New Development Committee for Church Growth

We know the conference will continue during the new quadrennium to give continued support to the Council on Ministries.

John Sherrer, Chairman
Dr. C. Everett Barnes, Executive Director

BOARD OF MISSIONS

As I write my final report as Chairman of the Board of Missions, I am both humble and proud of the work of this Board for the past four years. Our task was made easier because of the great leadership of the past, and I feel this Board continued this fine tradition.

Our responsibilities for leadership in the area of financial support for mission projects have been faithfully executed. We continued to experience a steady growth in Advance Special giving, and our expectations for the future call for continuing growth.

World hunger has been a major emphasis of the United Methodist Church. We have participated in several projects in Africa, and this year we plan to fund a project in Costa Rica. Our program has involved far more than feeding the hungry, but we have been engaged in a global program of agricultural education. We have discovered hunger results more from the lack of knowledge than any one single reason.

Your local church is encouraged to seek ways through UMCOR or the Heifer Project as a means of involvement in world hunger. The Heifer Project is an old and successful farm project, and support through UMCOR can be directed to this program. Our Annual Conference supports Terry Henderson in Pueblo, Mexico.

A great concern of many of us is the lack of support for World Service and Conference Benevolence. For years, we have heard that this fund is the "life blood" of Methodism, and our programs of the United Methodist Church are as vital today as ever.

We have experienced protest movements in the past as we are now seeing protest against some of our General Boards. We all remember the bitter attacks against Dr. Henry Bullock and the Board of Education during the days of the struggle for racial inclusiveness. Church committees were known to review the literature each quarter and cut out pictures of Black children. These practices have long ago ceased, but we remember.

For years, our Board of Church and Society was attacked by Methodist who consider the racial and political policies too liberal. A major concern was the suggestion that this country should recognize and trade with China. Many Methodist were accused of being Communist, however this has now passed and most people are pleased with the relationship of the United States and China.

The present turmoil now being created by a few in the church by supporting a system of designated giving will pass away in time. As other programs and agencies have maintained their faith and integrity, so shall those agencies now being attacked by withholding World Service money survive. However, until this takes place, we should do all we can to support these vital programs of the United Methodist Church.

I appreciate the support of the members of the Board of Missions, and I am deeply indebted to Rev. Gerald Maddox for his outstanding leadership on the Conference Program Council.

NOAH'S ARK

Panama City Beach Ministries of the Alabama-West Florida Conference, popularly known as NOAH'S ARK, is the outreaching arm of the churches of the Conference. Located at the center of Panama City Beach, these United Methodist arms reach out to thousands of vacationers in love, witness, and service each year. To accomplish its task the Ark functions in three different ways: (1) A beach retreat center for local church groups; (2) a Christian witnessing center to vacationers and tourists; (3) a center for service, fellowship, witness, and worship for senior citizen winter residents in the beach area.

Noah's Ark has made more progress since report time last year. We have added bath houses to the three bedroom house which was acquired last year. We now have facilities for accommodating four retreat groups simultaneously — groups of 40 to 45 in the large dorm; groups of 25 to 30 in the small dorm; groups of 35 to 40 in the motel rooms; and groups of 20 in the three bedroom house.

These facilities are available for scheduling by any church group who wishes to hold its retreat in a beach area. The months of April, May, September, and October are ideal for retreats since the weather is balmy and tourists are at a minimum. Retreats are the major source of Noah's Ark income.

The three bedroom house was purchased primarily as an adult retreat house but will also be used as an overflow house for summer youth groups of 15 to 20. Purchasing this house was a step of faith and is the first time in Noah's Ark history that the ministry has been indebted. The eventual plan is for the house to be used as the Director's parsonage.

The motel rooms still need more renovating to make them attractive and there is always the need for maintenance for our facilities. Our facilities are now valued at approximately one million dollars and are utilized throughout the entire year.

The summer ministry continues to be very effective in witnessing to the summer tourists. The musical group "Two by Two" is a very effective witnessing group and Huntingdon College is to be commended for their assistance in comprising this group each year.

The winter ministry continues its purpose of meeting the needs of the retired winter visitors in every possible way. We are the center for the "Snowbird" activities seven days a week during the winter season. Approximately 650 people as members of "Noah's Ark Snowbird Club" participated in our art and craft classes, woodworking shop, games, and other activities. Large numbers of winter visitors were checked at the Blood Pressure Clinics held twice monthly in our Fellowship hall. Each Sunday morning for our worship service the chapel is filled to overflowing. God has richly blessed thousands by the presence of Noah's Ark on the beach during the past year.

Mrs. Juanita Hester of the Millbrook United Methodist Church has produced a slide presentation and makes it available to the people of the Conference for information about Noah's Ark. Mrs. Hester's address is: 605 Daffodil Ct., Millbrook, Alabama 36054.

The United Methodist Women continue to promote and support the Ark as one of their projects, for which we should all be thankful.

More and better promotion of Noah's Ark as a beach retreat for our Conference is much needed. The churches need to be better informed if they are to take advantage of the facilities which are provided for their use and participation. Ministers of the Conference, the Conference Council, and the Conference staff are called upon and urged to promote Noah's Ark as a Conference program.

Any church that is interested in a representative from Noah's Ark coming to their church to present an informative slide program of the Ark and its activities may call us at 904-234-6062, or write to Noah's Ark, P.O. Box 9376, Panama City Beach, Florida 32407.

DUMAS WESLEY COMMUNITY CENTER

Someone has described a community center as a bridge connecting the community it serves with the larger society of which it is a part. If one thinks of the difficulties of travel in the days before there were real roads and bridges, as compared to travel on our modern highways, where even major rivers are crossed with scarcely a thought, the importance of a strong bridge at the right place is realized.

Life has been likened to a journey, and for many families and individuals, that journey is

Dumas Wesley Community Center in Mobile marked its eightieth year of service during which it has undertaken to bridge some of the chasms that confront the people we serve. A few of the programs offered at the Center may be used as examples of how this is done:

The child day care operation, one of our older programs, provides supervision, good nutrition, and pre-school training for some 75 children, enabling their parents to work regularly, thus spanning the move toward more adequate incomes.

The Pre-School for the Deaf program, operated by a separate agency, but utilizing the Dumas Wesley facilities, is especially meaningful in this context. From babyhood on, young children's learning and understanding of the world in which they find themselves comes largely through the sense of hearing. Deprived of this, they are faced with huge obstacles in reaching even a reasonably normal life. The specially trained teachers in the Pre-School for the Deaf program, using specialized skills and equipment are able to bridge these obstacles so that the children can start school with much less handicap than would otherwise be so.

Much the same comparison applies to the Pre-School for Cerebral Palsy program, operated by another agency which is housed in the Dumas Wesley facilities.

Many other traditional activities; the child and youth recreation programs, the adult education classes, the Boy Scout and Girl Scout troops that are sponsored, craft and other activities for retired persons, the Christmas store for low-income families, participation in Government programs for distribution of surplus food and assistance with energy and housing costs, the Senior Activities for Independent Living (S.A.I.L.), the tutoring work, are all building blocks in a structure that helps carry people who are in need of better lives.

Of course, all of these activities demand resources in service and money, and we are specially thankful for the volunteers who assist in many of the programs. For the most part, these volunteers come to us through the churches. We are also appreciative of the financial support that comes to the Dumas Wesley Community Center through individual churches, the Mobile District, the Alabama-West Florida Annual Conference, and the Board of Global Ministries of the United Methodist Church.

In a sense, all who have a part in the activities and support of the Center are bridge builders.

NELLIE BURGE COMMUNITY CENTER

Variety is akin to interest and interest is related to motivation with the end result being personal growth. Here at Nellie Burge both our programs and staff are geared towards helping our clientele attain personal growth.

We have four main sections here at the center: Day-care, G.E.D. School, Afterschool and the Federal Nutrition Program. The day-care program continues to enjoy full licensed enrollment. For many of our little people attending here, this is the only bright spot in their daily lives. One of our prime concerns is to provide love and individual attention; instill an attitude of self-esteem and "can do" confidence.

A significant change has taken place in our G.E.D. classroom and one that the staff who deals directly with the students are finding to be both challenging and invigorating. While we still deal with the thirteen through nineteen age group, we are now experiencing women in the forty, fifty and over age groups. In fact, our oldest student is a spry 75 years old and determined to get her G.E.D.!

When the Burge United Methodist Church finally closed its doors three years ago, it was sad for one section of Methodism. However, for the missionary sector it was a great day. When Nellie Burge learned that we were going to receive this former church as annex there was great joy. With our long-time wish for more space at last realized, we began to fill the rooms across the street with the extension of present programs as well as implementation of new programs.

Today our annex is filled with the sounds of learning, sharing, teaching, growing and playing. The basement has eleven rooms. Each room is being utilized for sewing items, ceramics, quilting, an arts and crafts room; two rooms are set aside for two Girl Scout troops, a kitchen which enables us to hold in-house celebrations and meetings. We are also able to provide community use of the social hall and kitchen.

The upstairs currently provides office space for the Federal Nutrition monitors, a children's library, a Cub scout Den, a storage room for the files of the Nutrition program and the sanctuary which also is utilized for meetings, and special events.

serving well balanced meals to day-care children daily. Or put another way, close to 1,000 children are involved in this food feeding program on a daily basis.

Again this summer we look forward to the 10-week summer program which is open to our neighborhood children who range in age from seven years to 15 years. The appealing feature of the program is the five day stay down at Camp Discovery which overlooks lovely Blue Lake. We send 27 of our children down there each year.

Our prime purpose is to provide whatever assistance we can to our community. We are diverse enough to work with all age groups and care enough to be able to provide individualized attention. The support we receive from the many Methodist churches throughout the conference enables us to continue our work.

LAW ENFORCEMENT MINISTRIES

Law Enforcement Ministries started in 1969 by H. Paul Mathison, has grown to the point where it is being recognized as something unique in prison ministries, a Church-in-the-Jail. The Church-in-the-Jail performs and carries out the same activities as an "outside" church; except, of course, our parishioners are much easier to locate! Each week the Church-in-the-Jail has three Sunday Morning Services, with regular guest preachers, two Bible Study classes, a Christian Advocate class and a Christian Arts & Crafts class. Our chaplains counsel daily, run a weekly library service and do marriages, burials, baptisms, and sickbed visits. They coordinate guest appearances for Revivals, Gospel sings, Drama groups, and whole Church Choirs. Our volunteers have an active outreach to two other local Correctional Facilities and the County Hospital. One particularly effective activity is the Sunday Evening Visitation, where 20-40 members of local church community visit cell-side with the inmates. Their visits are usually in answer to requests from inmates who have attended one of the Church-in-the-Jail activities. These one-on-one communications, between an offender and a concerned community member, often have far-reaching effects in terms of changed behavior and in establishing a church relationship on the outside. To staff the Church-in-the-Jail we have two full-time chaplains, three part-time chaplains and 25-30 regular volunteer workers. All of our chaplains and volunteer workers are deeply committed to that part of our Lord's admonition that says, "that which is done to the least is done to me." Matthew 25:31-40

BOARD OF EVANGELISM

The Board of Evangelism views with concern the net loss of 366 members in the Alabama-West Florida Conference in 1983. There were 2,592 members removed by Charge Conference Action during the year, accounting for the loss. It is our belief that much of the loss by Charge Conference Action could be averted by an all-out effort in Evangelism in the local church, focusing primarily upon re-activating the inactive church member.

We notice with rejoicing that there were 2,639 persons added on Confession of Faith in 1983, more than the number removed by Charge Conference Action. This is evidence that if we could bring about a re-activation of our inactive members, we could show a considerable increase in members each year. As has been the case in recent years, our newer churches have made some very fine advancements, reminding us of the importance of planting new churches.

There have been some very meaningful Evangelism events in the conference during the last year. Dr. Harold Bales' workshop on "Making Discipleship More than Membership" was a resounding success, better equipping clergy and laity to go back home and win persons to Christ.

The Blue Lake Camp Meeting was a very enriching event, with Dr. Eddie Fox and Rev. Martin Case leading us to new commitments and involvements in the calling of Christ to His mission. The Blue Lake Camp Meeting for 1984 is scheduled for June 27-30, and promises to be by far the best yet. Dr. Wallace Chappel, General Board of Discipleship specialist in Evangelism, will be the Evangelist; Rev. Jerry Dooling will lead the Bible Study and conduct a workshop on the "How-to's" of Evangelism in the Local Church for clergy and laity; Mr. Joe Pat Cox and Mr. Jim Hussong will be in charge of the music and will conduct a workshop on Evangelistic Music in the Local Church; Rev. Danny Godwin will be in charge of a complete Youth Program; and Mrs. Sally Granberry will be in charge of a well-rounded Children's

Program. We encourage participation of the whole family during this Bicentennial Camp Meeting event.

Dr. George LaMore conducted a very fine workshop on "Evangelism in the Wesleyan Mode" at Blue Lake Camp, March 2-3, 1984, which was well-attended and most helpful to all present, clergy and laity.

We are endeavoring to re-schedule Dr. George Morris for a workshop on Christian Conversion, which had to be postponed because of a conflict in Dr. Morris' schedule.

The Board plans to present the Southeastern Jurisdiction Evangelism Awards to the churches with the highest number of persons on Confession of Faith and the best ratio of persons won on Confession of Faith again this year. We plan, also to present the Denman Evangelism Awards for the minister and the layperson who best represents the spirit and cause of Evangelism in their local church and community.

We are planning, in cooperation with the Bicentennial Committee, to assist the districts to have Circuit Riders in each district in the fall of 1984, to share the word of Methodism, and to promote Bicentennial Revivals in each local church or charge. The Circuit Riders will be commissioned during the 1984 session of the Annual Conference.

We express our appreciation to Bishop Frank Robertson and all others who have encouraged and supported the Board in its endeavors, and we encourage every United Methodist to seize the opportunity of this Bicentennial Year to rekindle the fires of Evangelism and make this truly a "Year of Jubilee" in the United Methodist Churches of Alabama and West Florida as we rededicate ourselves to "spread Scriptural holiness throughout the land."

THE BOARD OF EDUCATION

There are many who deserve accolades of recognition for their gifts of time, talents and energy over this past year in the varied ministries of the Board of Education. Serving in the key roles of staff personnel, we thank Mark Stewart, in his eighth year, Mike Roberts in his third year, Carolyn Cumbie, in her thirteenth year of volunteer service, and last, but certainly not least, Everett Barnes, the retiring Executive Director of the Council on Ministries, who has, throughout the years of his ministry and leadership, seen the value of the educated mind, coupled with the warm heart, as the uniqueness of the Methodist Way.

Other leaders in the Board of Education have been the Chairpersons of our committees. (Their reports following the listing of their names.)

Children's Ministries — Jim Belcher
Youth Ministries — Teresah Walding
Young Adult Ministries — Judd Stinson
Older Adult Ministries — Ed Britton
Experimental Ministries — Lester Stewart
Family Life Committee — Jim Love
Camping Committee — Charles Hale
Leadership Committee — Joe Reams
Sunday School Committee — Nell Weeks

The Children's Ministries Committee has addressed itself to three primary areas for 1983-84:

(1) A series of four Weekday Ministries Workshops are to be conducted at key churches within the Conference. The purpose of these workshops is to make contact with those churches that are considering having Weekday Ministries (i.e., Mother's Morning Out, Day Care, etc.), providing them with the information needed. In addition, the Committee anticipates the attendance of those churches already involved in Weekday Ministries. We seek to facilitate their already-established program.

The Committee expresses its appreciation to Ms. Sue Parnell and Dr. Reba Southwell for their leadership.

(2) One of the most important areas of concern has been the need within the Alabama-West Florida Conference for "children's church" resources. The Committee contacted various conference education directors within the Southeastern Jurisdiction, requesting relevant information. Subsequently, a "children's church" booklet was prepared, and distrib-

uted at the 1983 session of Annual Conference. The Committee expresses its appreciation to Ms. Francine LeSchmidt for her leadership in this project.

(3) Spring of 1984 saw the Confirmation Rally fall under the auspices of the Children's Ministries Committee. It was conducted at Blue Lake on April 14, under the leadership of the Rev. Libba Stinson and Ms. Sue Parnell.

In addition to these emphases, the Children's Committee was active in the 1983 Sunday School Weekend, sponsoring a "Children in Worship" Seminar.

Plans for 1984-85 include: (a) a "Summertime Ministries" Workshop scheduled for January, 1985; (b) a "Parenting Weekend," which is to be a follow-up of the 1983 Parenting Event with Karen Marshall; (c) a "Children in Worship" Workshop as a follow-up to the publication of the "Children's Church" booklet; (d) promotion of ethnic minority camping through the offering of camp scholarships.

The Conference Council on Youth Ministries (CCYM) is pleased to report to the Annual Conference that the CCYM is continuing to achieve its goals in ministering to the youth of this conference. This ministry has three distinct phases: First, through missions, the CCYM continues to support and promote the Youth Service Fund (YSF). This missional outreach program provides an opportunity for youth to pool their financial resources and support several worthwhile projects with the contributed resources. In 1983, the YSF goal of \$10,000 was exceeded by \$921.98, and five projects benefited from the contributions.

The second phase of ministry provided by the CCYM is fellowship and fun. This task was accomplished in 1983 through two major events - United Methodist Day at Six Flags (when hundreds of Alabama-West Florida youth descended upon Six Flags Over Georgia for a day of amusement park delight) and Fall Rally (when nearly 1500 conference youth and adults gathered at Blue Lake to be entertained and spiritually inspired through music and the spoken word).

And the third phase of the CCYM ministry involves providing opportunities for spiritual growth through retreats and camps. A wide variety of these activities, ranging from outdoor stress camps to residential specialized camps, were provided in 1983 for youth of all ages.

But 1984 is especially exciting to the CCYM in that not only will we continue to give you the good programs of 1983, but we are initiating new ideas and programs for 1984. For instance, for the first time, the CCYM is sponsoring two youth forums and spiritual life rallies that will provide youth of this conference opportunities to voice their opinions on critical social, political and religious issues; the annual Spring Fling has had a format change and this year there will be a Spring Fling Lock-In at Huntingdon College; in order to better serve the smaller congregations of our conference a high school camp will be held when both junior and senior high youth may attend at the same time at the same location; a mission camp will be held at Blue Lake so conference youth can have an economical mission experience helping needy people in our own area; and the location of our Senior High Assembly has been moved to Blue Lake, making the experience more centralized for the youth of the conference.

The Young Adult Ministries Committee sponsored two retreats this past year at Blue Lake for all young adults (married and single) between the ages of 18-35. Dr. Don Saliers of Candler School of Theology in Atlanta led our retreat last June on the theme of "Prayer, Spirituality, and The Ordinary Life." In January of 1984, Mr. Robert Short of Chicago, the author of four religious nonfiction best-sellers, presented his program at our retreat of "The Gospel According to Peanuts." Mr. Short used slide presentations of comic strip and cartoon characters to highlight his message. Our next retreat will be at Oakwood Lodge on June 8-10, with Dr. Lovett Weams of Wesley Seminary in Washington, D.C. Dr. Weams will help us explore the relation of the Christian faith and dealing with current problems in the world.

The Older Adults Ministries Committee is expanding our ministry with older adults in the Alabama-West Florida Conference, and encourages every local church to consider your ministry with older adults. Suggestions and/or requests for aid in developing such ministries can be sent to Conference headquarters in Andalusia for referral to the Committee on Older Adult Ministries.

Two highlights of the year were The Older Adult Assembly and The St. Simons Trip. The Assembly was held at Blue Lake, May 14-17, 1984. The inspirational speaker was Reverend David Chunn, pastor of the Whitfield Memorial United Methodist Church, Montgomery, AL. The theme was "Enter at Your Own Risk." This was a tremendous experience for all who

There were 40 persons who traveled October 24-27, to St. Simons Island, Jekyll Island, Savannah and Callaway Gardens in Georgia. Another trip is being planned at approximately the same time this fall. The place and date will be announced as soon as the trip is confirmed.

The Experimental Ministries biggest event of the year was the Commitment Celebration, held at Blue Lake in March, 1983, in conjunction with the CCYM. Approximately 300-350 enthusiastic youth attended this event. The purpose of the Commitment Celebration was to help strengthen the training each of these youth had already received through their local church commitment training sessions. The theme was "Join The Great Celebration."

The Family Life Committee participated in the Area Consultation on Family Life Ministry at Birmingham-Southern College in November. That was a good experience, which a number of our ministers and their spouses attended.

For next year, we anticipate conducting a weekend event which will feature one of the nationally known leaders in family life, with local churches being invited.

The Camping Committee program continues to be a very exciting and successful arm of the Board of Education. In the camping season of 1983, almost 1700 campers and counselors were involved. This figure includes both the regular and specialty camps. The camping program provides a great ministry for children, youth, and adults in our Conference. The camps are well planned, with the major concern being the development of spiritually sound children, youth, and adults in the beautiful setting of Blue Lake.

The Camping Committee wants to bring to the attention of the Conference its successes and future plans. One of the real successes of the 1983 camping season was our new Confirmation Camp. The camp is designed for children in small membership churches or in churches where there may be only a few children of confirmation age. The Camping Committee was pleased with the attendance of this camp and feels its success warrants having it in 1984 also.

Other plans include a new Senior High Camp entitled, "Youth in Search of Christ," which will be held June 11-16, at Oakwood Lodge. For the first time this year, the Junior High camps are to be named to help develop a new and alive setting for each particular session. The names of each camp are: (1) Camp Sunshine (2) Families in Christ (3) Manna Journey, and (4) Lakeside Crosses. Finally, the Youth Mission Camp, "Say Y.E.S.," will be held for the first time this summer on July 9-14, in Oakwood Lodge.

One of the greatest beliefs of our faith is that we are concerned with the giving of our gifts after the example of our Lord. Seeing to the operation of all these camps is never simple. It takes much time for many people and financial contributions and spiritual support from each church in our Conference. Please remember the work of the Blue Lake camps; all who participate, be they children, youth or adults, are far richer for their experiences.

The Leader Development Committee plans to publish a list of qualified resource persons who may be called upon to advise local congregations. The updating of that list is an ongoing process. Copies of this updated leadership directory should be available for congregational use sometime this year.

Members of the Leader Development Committee also plan to attend the summer session at the Leader Development Center at Lake Junaluska, North Carolina, July 8-14, 1984.

Robert Baldrige will be Lab Director this year with Linda Robinson as Associate Lab Director, Children's Age Level. Lab Leaders will be David E. Harle, Ages 3-4; Jackie Davenport, 4-6; Sybil McLeese, Elementary A; Grace Maberry, Bible Survey; The Rev. Frances I. Gomez, Elementary B; Mrs. Martha Virginia Spivey, Junior High Study; The Rev. David Spivey, Junior High UMYF; Robert Carlisle, Senior High Study; The Rev. Vernon Denney, Senior High UMYF; The Rev. William G. Patterson, Youth Fellowship; Mrs. Mary Susan Ward and Dr. Wayne Linedecker, Adult Study Lab; Miss Gloria Simmons, Recertification Lab; The Rev. Jack Nabors and The Rev. Al Maberry, Lab Seminar.

Workshops will include Confirmation Training, David L. Hazelwood; Using Computers in the Church, Bill Johnson; The Ministry of the Laity in Congregational Care, Kennon L. Callahan; Developing Leadership Skills, Bill Carter; Enriching the Church School, Thelma M. Sparks; Mission Education for Children, Bess Bussey; The Place of Computers in Christian Education, Bill Johnson; Creative Arts for Children's Groups, Mary Jane Pierce Norton, and Spiritual Formation and the Wesley Class Meeting, The Rev. Robert Dungy. Dr. Arthur

Christian educators, church school teachers and other church leaders wishing to receive certification and training in these areas of congregational leadership are encouraged to pre-register. The forms can be obtained from the Alabama-West Florida Conference Headquarters, P.O. Drawer 700, Andalusia, AL, or from the Southeastern Jurisdictional Council on Ministries Office.

The Sunday School Committee is pleased to report the success of two events involving teachers, leaders, ministers, and educators from the Conference and Jurisdiction.

The first event was the third annual Sunday School Weekend, held at Blue Lake, September 23-24. The Committee is pleased with the enthusiastic response of the 261 persons attending this training opportunity. Their evaluations were very positive and unanimously requested that this event be continued annually. Sunday School Weekend 1984, has been set for September 21-22, with the theme "Growing into the Third Century - As the Church School Grows, So Grows the Church." This Committee works about two years ahead to cause a successful Sunday School Weekend to happen. We will continue to recruit the most capable leadership available and to plan workshops that will meet the variety of needs of the local church.

The second event sponsored by this Committee and the Conference was the Sunday School Growth and Renewal Workshop brought to Blue Lake, January 28, 1984, from Nashville. There were 165 persons who responded enthusiastically to this workshop. The leadership team from the Board of Discipleship was excellent.

This Committee recommends that Christian Education Sundays be observed on the fourth Sundays in September, 1984, and 1985 (Sept. 23 and Sept. 22, respectively). The local churches are encouraged to emphasize the importance of Christian Education to teachers and leaders for their gifts of extra time, special talent, and understanding love.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

REPORT NO. 1

THE CHURCH AND HIGHER EDUCATION

The decision of the Christmas Conference of 1784 to found a college was destined to make a deep imprint upon the character of American Methodism. From that day to this Methodists have founded and closed more colleges than any other denomination in America has opened. Classes were begun at the new college on December 6, 1787 with twenty-five students, a president and two faculty members. When Cokesbury College burned for the second time in 1796, there were two hundred students. One of them, Charles Tait, was elected to the United States Senate from Georgia and authored the bill by which Alabama was admitted into the Union. He later moved to Alabama and became the first Federal Judge of the District of Alabama.

From that time to this Alabama and Northwest Florida have been strengthened and blessed by the influence of Methodist colleges. The Board of Higher Education and Campus Ministry calls upon the ministers and laypersons of our Conference to reaffirm and strengthen their support of and commitment to Huntingdon College and Birmingham-Southern College, as well as to the Wesley Foundation units on State-owned campuses.

Our Board normally meets three times during the Conference year for day meetings. The Fall meeting has on its agenda the Campus Ministries within our Conference. The Winter meeting concentrates on Higher Education. At the Spring meeting nominations for institutional trustees and directors are received and acted upon. During 1983-84 there was also a meeting of the Joint Task Force on Higher Education. This body is composed of representatives from our Conference and the North Alabama Conference and considers matters of mutual interest, reporting to the respective Boards. At its meeting on January 20, 1984 the Joint Task Force proposed a funding pattern for Huntingdon and Birmingham-Southern to be in effect for the remainder of the Quadrennium 1984-88. The Boards of Higher Education and Campus Ministry for the two Conferences have voted unanimously in favor of this plan, as have the respective Councils on Finance and Administration. It is included in Report No. 3.

We are grateful to the churches of our Conference for their generous giving to the Huntingdon/Birmingham-Southern Fund, the Huntingdon Student Aid Fund, Y.E.S. Scholarships, and the Wesley Foundation Fund. Giving to these causes totalled \$340,128 during 1983, which is an increase of nearly 12% over 1982. This is convincing testimony to the commitment of our people to supporting and constantly strengthening the work of our colleges and Wesley Foundations, and the ties between the church and its institutions of higher learning.

For 1982, however, the Alabama-West Florida Conference ranked third from the bottom among the sixteen Conferences of the Southeastern Jurisdiction in support of Higher Education and Campus Ministries. We are confident that the fine increase registered for 1983 will result in a more favorable ranking for our Conference — one which more nearly reflects our appreciation for the excellent contribution being made to the intellectual, spiritual, emotional, and moral well-being of our youth by our colleges and Wesley Foundations.

REPORT NO. 2

CAMPUS MINISTRY

We propose that the Wesley Foundation Apportionment be set at \$90,000 for 1985. This is the same as for 1984 and 1983. 1983's giving to the Wesley Foundation Fund rose from 1982's \$55,279 to \$63,076 for an increase of \$7,797, or 14%. This is a commendable advance. The dedicated Directors and participants in the six Campus Ministry programs supported by our Conference are worthy of every encouragement we can offer. The Wesley Foundation units at Auburn University and University of South Alabama have undergone major program re-assessments during 1983 and are experiencing new vigor and vitality. The Wesley Foundation Fund is being distributed according to the following percentages: Auburn - 52%; Livingston - 9.5%; Marion - 1.5%; University of South Alabama - 12%; Troy State - 24.4%; .5% retained for grants. We offer the assurance of our keen interest and support to the Dothan District as it studies the establishment of a Wesley Fellowship at Wallace Community College. In order for a unit to be considered for budget grants, the Board of Higher Education and Campus Ministry sets the following conditions: (1) Provide the information stipulated on the report form sent to the Directors by the Wesley Foundation Committee; (2) Provide an annual financial audit; (3) Be personally represented by either the unit's Director, or a member of the Board of Directors, at the Fall meeting of the Board of Higher Education and Campus Ministry. While Gulf Coast Campus Ministries was not included this year in the division of Wesley Foundation Fund monies, this does not mean that our Board wishes to sever relationships with that unit. It simply reflects the fact that at the time the percentages were set the Board did not feel that it had sufficient information concerning the work of Gulf Coast Campus Ministries to make a responsible decision to include the unit in the distribution of the Wesley Foundation Fund. Attention is invited to the fact .5% was retained by the Board for grants during the year.

REPORT NO. 3

HIGHER EDUCATION

1. We applaud Huntingdon College and Birmingham-Southern College for their continued success. In a time when many private colleges are experiencing declining enrollments, both our colleges report increases. Both colleges are recognized as offering quality education which is timely and contemporary, and at the same time profoundly and self-consciously rooted in our Christian tradition and Methodist heritage. Huntingdon and Birmingham-Southern have a long and honorable record of producing students who throughout their lives faithfully represent their *alma maters* in their service to their church and their society. We urge ministers and local church officials to encourage in every way high school juniors and seniors to consider one of our colleges. We have no argument with Methodist-related colleges located outside our Episcopal Area, but are convinced that the quality of education and student life offered by Huntingdon and Birmingham-Southern cannot be surpassed.

2. The General Conference of 1980 established a new office called Local Church Representative for Higher Education. The person holding this office is elected by the Charge Conference and is charged with the responsibility of promoting United Methodist Colleges and Campus Ministry Units. This important office is not optional but mandatory according to the *Discipline*. This local church office will do a great deal to channel information to the people of the church and to implement supportive activities from the church. We urge each District

Superintendent to send each College and each Campus Ministry Unit the names and addresses of the Local Church Representatives in their districts.

3. Proposed Funding Pattern for Huntingdon and Birmingham-Southern for the remainder of the Quadrennium 1984-88.

A. Beginning with the 1985 Conference Budgets and continuing through the remainder of the current quadrennium including 1986 and 1987 the amount of \$54,003 will be submitted annually to Huntingdon College from the North Alabama Conference; and the amount of \$39,118 will be submitted annually to Birmingham-Southern College from the Alabama-West Florida Conference. (These amounts represent 80% of .375 per member to be paid from the receipts for the Huntingdon/Birmingham-Southern Fund in each Conference.)

B. These amounts will remain fixed throughout the quadrennium, and will be reconsidered as the budgets for 1988 are determined.

C. The current Huntingdon Student Aid line item of .60 per member will be maintained in the Alabama-West Florida Conference askings.

D. For our Conference, the Huntingdon/Birmingham-Southern Fund asking will increase from \$2.75 to \$2.90 per member. This increase will go largely toward funding our Conference's guaranteed amount to Birmingham-Southern, and to match the level of the increase being guaranteed to Huntingdon from the North Alabama Conference.

E. This is considerably less than the increase of .75 per member which the North Alabama Conference will assume with the institution of the new plan to achieve parity.

We think that you will recognize the enormous benefits of this plan. Adopting it will make it possible for us to give our attention to the matter of supporting both our fine colleges without the heated and sometimes acrimonious debate over the division of funds.

4. We propose that the \$80,000 asking for Student Aid, Huntingdon College be continued. This was a new line item in 1983 and the people of our Conference gave \$49,491, or 62% of the asking. This generous level of support for a new line-item eloquently tells of the positive commitment of the Methodist people of our Conference to this worthy cause. United Methodist students are to be given priority in the granting of this aid by Huntingdon College and local churches may nominate students to be considered as beneficiaries.

RESOLUTION FROM BOARD OF TRUSTEES BIRMINGHAM-SOUTHERN COLLEGE SEEKING CHANGE IN STRUCTURE OF THE BOARD

WHEREAS, the Board of Trustees of Birmingham-Southern College desires to bring into its active constituency additional persons who have proven themselves to be good friends and strong supporters of the College; and

WHEREAS, such persons, while having long and meaningful ties to the College, may or may not be members of the United Methodist Church and even if United Methodist, may or may not reside within the bounds of one of the two sponsoring Annual Conferences, and

WHEREAS, the College and the Board of Trustees deliberately desires to expand and increase its regional and national presence, now therefore,

BE IT RESOLVED that the Board of Trustees of Birmingham-Southern College in its regular meeting on September 22, 1983, pursuant to ALA. CODE Sec. 10-3-41 and the provisions of ARTICLE XI of its Articles of Reincorporation does hereby approve and submit the following amendment to its Charter to the North Alabama Conference and the Alabama-West Florida Conference for adoption at their 1984 sessions:

ARTICLE V.b. of the Articles of Reincorporation shall be stricken and the following shall be substituted therefor:

ARTICLE V.

(b) The affairs of the corporation shall be managed and controlled by a board of trustees as hereinabove defined and described, which board shall be composed of not less than thirty-six members chosen as follows:

1. Eight of the trustees shall be elected by the North Alabama Conference of the United Methodist Church, four of whom shall be ordained ministers of the United Methodist Church who are members of said Conference, and four of whom shall be lay persons who shall be members of the United Methodist Church within the bounds of the North Alabama Conference and residing therein.

2. Eight of the trustees shall be elected by the Alabama-West Florida Conference of the

United Methodist Church, four of whom shall be ordained ministers of the United Methodist Church who are members of said Conference and four of whom shall be lay persons who shall be members of the United Methodist Church within the bounds of the Alabama-West Florida Conference and residing therein.

3. Twenty trustees shall be elected by joint action of the Alabama-West Florida Conference and the North Alabama Conference, one of whom shall be the Presiding Bishop of the North Alabama and the Alabama-West Florida Conferences or an ordained minister of the United Methodist Church without regard to Conference affiliation, one of whom shall be a lay person who shall be a member of the United Methodist Church, and eighteen of whom shall be designated "members at large," without any restriction as to their geographical place of residence and without restriction as to religious or church affiliation, subject to the provisions of ARTICLE V.b.4. below.

4. The elected membership of the Board of Trustees shall at all times include at least nineteen members who are members of the United Methodist Church.

5. In addition to the election of the trustees as hereinabove provided by action of said Conferences of the United Methodist Church, all trustees who attain the age of seventy-two while serving as a member of the Board of Trustees, all trustees who arrive at a cumulative total of twenty-four years of membership on the Board, and all trustees who have served as Chairman of the Board of Trustees or as Chairman of the Executive Committee of the Board of Trustees for not less than three years, shall be eligible for election as a "life member" of the Board, with all membership privileges of the Board of Trustees of Birmingham-Southern College, and such life members shall be in addition to members of the Board of Trustees elected by the said Conferences of the United Methodist Church, as hereinabove provided. Life members shall be elected by joint action of the Alabama-West Florida and the North Alabama Conferences upon certification by the President of the College of their eligibility as herein provided. Election to life membership eliminates the necessity for re-election to such office.

The above Resolution was presented to the Alabama-West Florida Conference Board of Higher Education and Campus Ministry at its meeting held at Conference Headquarters, Andalusia, Alabama on January 27, 1984. After discussion the motion carried unanimously that the Board present with its concurrence the Resolution to the Annual Conference for its adoption.

EDUCATIONAL MINISTRIES WITH THE CHURCH

Educational Ministries has completed a most interesting and rewarding year with prior commitments completed and new challenges underway.

CONTINUING EDUCATION EVENTS

The Jerusalem Center for Biblical Studies, Jerusalem, Israel, will come to Alabama in August through its Director, Dr. Jim Fleming. Dr. Fleming will conduct two seminars at Huntingdon College:

August 27, 1984: "Making the Old Testament Come Alive" (Old Testament Jerusalem and Central Israel)

August 28, 1984: "Jesus' Ministry in Jerusalem and Galilee" (New Testament Jerusalem and North Galilee)

Each seminar will be held from 9:30 a.m.-4:30 p.m. and will award .5 CEU. Persons participating in both seminars will earn one CEU.

The seminars are designed for ministers, Christian Educators, Sunday School teachers, and any persons who want to increase their knowledge and understanding of the Bible.

In February, *Kathryn Tucker Windham* was leader of a workshop: "The Bible: Treasure-house for Storytellers." Fifty participants were informed, enlightened and charmed by Mrs. Windham's unique leadership. Evaluators unanimously requested an additional seminar to which she has agreed. Time and dates will be announced.

The Core Seminar of the *Doctor of Ministry Degree Program*, Candler School of Theology, Emory University, which we are hosting on our campus was completed in the fall. Ten ministers from Florida, Tennessee, Mississippi and Alabama are enrolled in the program under the leadership of Dr. John Mason Stapleton. This fall the required course of study of the Doctor of Ministry Degree Program will be taught.

SCHOOL OF LAITY

The Montgomery Area School of Laity continues to offer courses in foundational studies in the Christian faith. This year fifty-four persons have received certificates for completing studies in Old and New Testament. Two new courses have been added to the curriculum, "The Teachings of Jesus" and "The Prophets."

INSTITUTE OF RELIGIOUS DRAMA

In March, the Institute conducted a very successful *Drama Workshop* designed to offer support and resources for Churches wanting to incorporate Christian Drama as one of its ministries. Under the direction of Alice Seymour, Coordinator of Religious Drama Services of the Institute of Religious Drama, the sessions include How to Begin a Drama Ministry, The Bible as a Resource, Putting Together a Production, and a performance session illustrating dramas which could be prepared for Easter in local churches.

Around sixty persons representing nineteen different churches of various denominations throughout Alabama were actively involved in the workshop.

Leadership included Edith Ivey of Atlanta, a professional actress of stage, radio and television and currently completing a Masters Degree in Church History, Columbia Theological Seminary; Harry Beadle, Anchor/Reporter WGST-Atlanta; and Martha Rankin, Mary George Jester, and Harry Ohme all of the Huntingdon College Institute of Religious Drama. A second workshops is planned for September. Details are to be announced.

On April 29, the Pulpit Players completed their commitment to the Alabama-West Florida Conference to perform the bicentennial play "At Great Price" by Martha Rankin, in each of the District Bicentennial Celebrations. Several performances were also performed for local churches upon request. A collective audience of more than six thousand persons were present for the productions.

This was a most ambitious project for the more than thirty volunteers who were faithful to hundreds of hours of rehearsal, packing and unpacking costumes and props in vans, traveling

and performing. However, it was a privilege to have had this significant role in celebrating the two hundredth anniversary of the founding of American Methodism.

We commend and congratulate Martha Frazer Rankin for researching, writing and often times directing this play; Robert T. Finney, Producer; and Mary George Jester, Director; as well as every actor and technician.

Volunteers continue to support *The Good News Players*, a drama group at Tutwiler Prison for Women, which they helped to establish. Pulpit Players have assisted with dramas produced by this group and have conducted a Religious Drama Workshop in the prison on Saturday mornings. *The Good News Players* performed for the Chapel Service at Huntingdon last fall.

Currently, volunteers through Religious Drama Services are cooperating with Alabama Volunteers in Corrections for a production of *Kathryn Tucker Windham's* one-woman show "My Name is Julia," to be held at Huntingdon College on May 10, 1984, as a fund raising event for building a Chapel at Tutwiler Prison for Women.

BOARD OF CHURCH & SOCIETY

The purpose of the Board of Church and Society is to relate the gospel of Jesus Christ to the members of the church and to the persons and structures of the communities and world in which we live. We proclaim the Lordship of Christ over the whole life of man and woman, their activities, possessions, and community and world relationships. We seek to demonstrate to all persons that the reconciliation which God effected through Christ involves personal, social and civic righteousness.

We affirm our belief that the gospel relates to the total needs of persons and we try to plan programs of the Board in context of this understanding. Through a process of research, education, and action, the Board of Church and Society seeks to implement its purpose.

During the conference year, the work of the Board through its ongoing relationships with such bodies as the School of Missions, IMPACT, jurisdictional and national Church and Society units, etc. has continued. These relationships provide an important outlet for expressing the Board's concerns.

The major emphasis of the year was upon Economic Justice, and in pursuit of information and inspiration on this huge subject, several Board members went to Lake Junaluska in early August, 1983, for the SEJ training session for Church and Society, where this was the theme. Upon returning to our conference, these Board members helped lead others in formulating plans for October 23 to be observed as Economic Justice Sunday in the conference. The Board saw this emphasis as a new opening to a continued effort by our conference to be engaged in economic issues. The theme growing out of the October 23 observance was, and continues to be, "Economic Justice — A Way to Peace." This shows how economic justice is a key part of "Peace with Justice," which has been a major quadrennial theme of this Board and of all United Methodism.

We feel that the results of Economic Justice Sunday were worth the effort. We believe many were made aware of how directly the gospel confronts questions of economic justice and how powerfully Jesus addressed such matters. We intend to keep this in our planning as the current year unfolds, and have recommended to the new Board which takes office that it broaden and expand this emphasis in as creative way as possible.

At its January, 1984 meeting, the Board adopted a resolution to send to the legislative leaders of Alabama expressing deep consternation over the condition of public education in the state, and imploring the Alabama House and Senate to pass meaningful reform legislation during the 1984 regular session of the legislature. The final draft of the resolution was forwarded to Governor Wallace and the leaders in the House and Senate in February.

At the same meeting, the Board discussed its concern over the poor financial condition of our conference, and recommended to the Conference Council on Ministries that a conference survey of the laity be done to find out why this is so. The Board suggested to the CCOM that it involve the Council on Finance and Administration in this study in some way.

As the quadrennium comes to a close, this Board looks back with some sense of satisfaction at the preceding four years. The Board has brought to the attention of the conference, in various ways matters such as family life, alcohol and drug abuse, ministry to the poor in our cities, the need for strongly-supported downtown churches, concerns of blacks and other

minorities (the EMLC missional priority has been part of this), prison reform and other penal justice issues, and Peace with Justice.

These are only some of the areas the Board has worked in and lifted before the conference, but they show the scope of what the Board sees as its task. Not content simply to register its own positions on some of the issues which it has tackled, the Board has challenged the conference as a whole to go on record each year as supporting or opposing certain specific positions on issues like alcohol, prison overcrowding, juvenile justice and Peace with Justice. Further the Board has provided means by which local churches and districts could follow up on these issues, and has carried out educational ventures and endorsed actions that churches and individuals could take.

After four years of effort, it is the unanimous conclusion of the Board members that there must be an increasing amount of study and action by the new Board in the life of the church, and a deepening commitment to call the church to act out its creed and convictions.

At the January, 1984 meeting, the Board passed resolutions urging the incoming Board members to specifically give priority right away to developing the Economic Justice theme further, to planning for a major thrust in Criminal Justice beginning in 1985, and to increasing the pace and intensity of the Board's involvement in alcohol-related concerns. We fervently hope our successors will strike out in directions we never traveled, will heed these recommendations and will dare to heighten the challenge made to this conference to be socially responsible and responsive, in the name of Jesus Christ.

The outgoing Board, in this its final report to the annual conference finishes with a prayer: Dear Lord, where we have been wrong or negligent, forgive us: where we have been faithfully right, increase the good effects of what you were able to do through us, so that they never cease bearing new fruit for Thee. Thank you for the joy of serving Thee whom we adore. Amen.

COMMISSION ON RELIGION AND RACE

The Commission on Religion and Race has taken some major strides during the 1980-84 Quadrennium. A conference-wide workshop in 1982 with the Bishop participating highlighted a number of needs and set forces in operation to deal with them. There has been a thorough monitoring of racial inclusiveness in the Conference including ethnic representation on all boards and committees, and in all programs of the Conference. While recognizing the limitations due to exceptionally small ethnic membership within the Conference, the Commission has pressed for a thoroughly open itineracy, and an end to any remnants of defacto segregation in the churches and districts. In this task we have had the complete cooperation of the Bishop and cabinet, and the Conference Council on Ministries. We have been involved in the various Jurisdictional efforts to deal with racism and to work for a more truly integrated church. We have pressed for the election of an ethnic Bishop in the Southeastern Jurisdiction. In the Annual Conference we have worked with the Task Force on the Ethnic Minority Local Church in an effort to promote the fullest possible development of the Ethnic Minority churches within the bounds of the Conference. Likewise, we have sought to stimulate interest in opening new Ethnic Minority churches and other programs related to ethnic minorities in the Conference.

An elaborate program of District workshops is being set up for the 1984-85 Conference year, the first year of the new quadrennium. A Conference workshop will be held in late June for all District Coordinators of Religion and Race in order to orient them to the task and to make plans for the district workshops.

As we close the quadrennium we want to thank all of those who have been so helpful and who have assisted the Commission in its task of seeking greater racial inclusiveness within the Conference. We are looking forward to making further strides in the coming quadrennium.

In view of the continuing quadrennial emphasis on ethnic minority church development as voted by the recent session of the General Conference, we urge the cabinet, the incoming bishop and the Conference Council on Ministries to address themselves with renewed vigor to the task of ethnic minority local church development within our conference, including especially ethnic minority leadership and ethnic inclusiveness. Our conference still has a long way to go. We recognize that the problems which have arisen over a period of more than a hundred years cannot be solved in a few short years. But we are impatient to be much further along than we are at present.

We sense a tendency for the conference to relax in view of the fact that we have made significant strides. Such complacency must not be allowed to develop. As a minimum we believe that at least one new major ethnic or integrated congregation should be established in each of the three major cities of our conference — Mobile, Montgomery and Pensacola during the coming quadrennium, and that we have at least one ethnic district superintendent in the conference. The small rural ethnic minority churches also need serious attention.

We must not be discouraged by the magnitude of the task, nor lulled into complacency by the progress already made. We would prick the conscience of every minister and layman in the conference. Our present situation is not what it should be. It is far from what it should be. Let us press forward. Let us not grow weary in well doing, for we know that under God's guidance and prodding we shall reap if we faint not. As Methodist, brothers and sisters, we shall overcome. Toward this end we urge the conference to direct the Conference Council, the Board of Missions and/or any other agency responsible in expending the funds raised in the capital fund drive voted yesterday to give high priority to inner city and ethnic minority church needs in our conference.

BOARD OF HEALTH AND WELFARE MINISTRIES

REPORT NO. 1

The United Methodist Church is very much involved in the health care concerns and the well-being of people all across this country. Genuine concern for human health and welfare, shown at its best in unselfish service, is freedom's best safeguard. So strong was this concern among early Methodists that John Wesley gave his motto of service: "Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you live."

Through the growth of unity among Christians today, the concern among United Methodists for human health and welfare is gaining momentum. When you render acts of service, you are ministering in the Master's stead — "Inasmuch as you have done it unto one of the least of these my brethren, you have done it unto me."

From the Biblical mandate and example of Christ's helping and healing ministry, to the appeal of St. Paul to the Church in Jerusalem for an offering for the needy in Asia Minor, to our United Methodist Church founders who organized prison ministries, medical dispensaries, special relief efforts and a network of hospitals, homes and services across the United States, love and caring and concern have reached millions of persons because we in the church see unmet needs and take action. Whether it be through the "Ministry of Caring and Concern," or to meet the needs of local persons who are shut-in, without transportation, experiencing a health or other crisis, or through the varied medical services — the church is there, ministering to the broken, the sick, the troubled, the forsaken of God's people.

The Board of Health and Welfare Ministries of the Alabama-West Florida Conference seeks to express this God-given caring as we share with the overlooked children, the disturbed youth, and the forgotten elderly. Unless someone close to you is a resident of one of the United Methodist homes, you may not be aware of the kinds of care your generosity has helped to insure. Often it is not more advanced age alone that dictates the level of care required by an individual. Some of our elderly are able to do the most for themselves.

The man and the woman in the pew — every pew — from the small rural or open country church to the large, urban, high-steepled church, United Methodist men and women, children and youth, are reaching out and effectively touching the lives and healing the hurt of humanity through approximately four hundred (400) health and welfare ministries agencies.

Every United Methodist is deeply involved in the helping and healing ministry of the denomination where lives are touched, helped, healed, strengthened, and enriched in a miraculous way! Your open hearts and open hands have been an inspiration to all of us who labor in a caring and sharing ministry to children, youth and adults. With the evidence of your caring about others, we know that we will find the faith and support to do what must be done. Wherever there is a gift to be given, please remember there is always a United Methodist home which can use your help to help others.

The White Christmas offering for our United Methodist Children's Homes must continue to increase, so that our ministry to children and their families may expand and serve more

persons in other parts of Alabama and West Florida. The local church has responded to the call and we are most grateful to you. In 1983, the generous persons in our Conference gave \$534,746 to the United Methodist Children's Home and many thoughtful acts to the residents and staff at Selma, Mobile, Pensacola, and Wiregrass Homes.

The White Christmas Campaign increased motivation as the District Directors and District Superintendents received their kits on October 6. Sunday, December 18 was designated as White Christmas Sunday. As of May 31, 1984, the total contributed was \$548,700.

Our Board of Health and Welfare Ministries set a goal of \$5.00 per church member for the Children's Home.

Congratulations to the Dothan, Andalusia, and Demopolis Districts for their achievement. A goal has been set of \$2.00 per church member for Wesley Manor (Mother's Day Offering) and \$1.00 per church member for Golden Cross.

During 1983 the amount for Mother's Day Offering was \$41,971.34, almost \$9,000 increase over 1982. The amount for Golden Cross was \$8,260.52 (\$2,300 decrease).

We are happy to cooperate with the District Directors of Health and Welfare Ministries for participation by every district in the Chaplain-In-Service Program each week at Wesley Manor in Dothan, Alabama.

The District Directors of Health and Welfare Ministries are to be commended for their fine spirit of cooperation and active participation in the total program and work of the Board of Health and Welfare Ministries. These district directors are:

Andalusia District:	Rev. J. Joel Jones	Georgiana, Alabama
Demopolis District:	Rev. Charles B. Craddock	York, Alabama

Pensacola District:	Rev. J. Lamar Brown	Shalimar, Florida
Selma District:	Rev. William H. Griggs	Selma, Alabama
Troy District:	Rev. John H. Weeks	Clayton, Alabama

Every church can expect to have one out of four members handicapped at some point in their life. Some will have to use a wheelchair, a crutch, a cane or other mobility aid such as a walker. Some members will suffer strokes or heart attacks or will have reduced vision or hearing as the result of serious accident or the aging process. Even pregnancy will temporarily handicap some members of the church each year.

When I look at the needs of persons in the local church and community, my concern is PEOPLE, whoever they are and wherever they may be, who experience the terrible pain of

loneliness, sickness and disease, death and dying, exceptional children and youth, the needs of persons with handicapping conditions, those in jail and prisons, and the struggles of frustrated families. ALL PERSONS need us to demonstrate an expression of the Christian gospel in our service and to share their suffering. This concept of the CARING and SHARING ministry is our goal for each local church.

UNITED METHODIST CHILDREN’S HOME
SELMA, ALABAMA

The children, staff and Board of Directors are extremely grateful to the hundreds of loving, caring United Methodists in Alabama and West Florida who made possible the programs and services of the Home which were provided to 635 children during 1983. The totals for each program are as follows:

Children’s Village	107	Emergency Shelter Care	395
Group Homes	78	Children’s Village	149
Florence	11	Birmingham	246
Huntsville	10	Foster Homes	6
Scottsboro	9	Adoption	0
Tuscaloosa	12	Scholarship	11
Mobile	12	Family Aid	38
Pensacola	13		
Wiregrass	11	TOTAL	635

A new program to prepare senior high age boys and girls for independent living began in early February of 1983 at the Children’s Village. The Tuscaloosa Group Home program was the best ever last year under the leadership of Rev. and Mrs. Wayne Williams, teaching parents. The total children served in all programs increased by 43 over last year.

The children and staff at the Children’s Village are very thankful and grateful to have been spared injury when a severe storm came over a portion of the campus in early December. Major damage was limited to the Village Chapel, the director’s residence and certain portions of the grounds. Only one major plumbing problem developed from the severe cold weather in late December. We are very grateful to the Lord for his protective care during both these crises.

The youngsters, staff and Board of Directors wish to express grateful appreciation for your prayers and financial support during 1983 and ask that you continue those on behalf of this caring ministry, "Unto the Lease of These."

REPORT NO. 4

THE METHODIST HOMES FOR THE AGING

The statisticians estimate that the so-called older generation exceeds more than twenty-five million people and that of this number over one million will seek and find some type of answer to the problems of being older in a setting such as a retirement or nursing home. Some will do this by choice. Others will do it because there are no other choices. Pressing circumstances like poor housing arrangements, loneliness, health concerns, and economic needs seem to indicate that the number of those seeking such an answer will rapidly increase.

Across the past twenty-three years over twenty-three hundred persons have been served by our Methodist Retirement and Health Care Facilities. Our Homes — Fair Haven in Birmingham, Wesley Acres in Decatur, Wesley Manor in Dothan and Wesley Terrace in Auburn have been working diligently to meet the needs of those who turn to us for help. We Thank God that our Church is involved in this ministry of caring for God's "Older Children."

Many of our residents are no longer able to meet their monthly charges, necessary drugs, medical expenses, clothing and other personal items. Because of funds raised this year in the Alabama-West Florida and North Alabama Annual Conferences we are able to assist persons living at Wesley Manor and Fair Haven who did not have adequate financial resources. One of the residents at Fair Haven who received financial assistance recently died. Her daughter wrote us a note saying, "I will always know that God's work is being done at Fair Haven because of what was done for my mother. The loving care given by the staff and the financial support from the Methodist Churches made her days happy ones. I'll pray for you always." A person who lives at Wesley Manor recently said, "I do not know what would have happened to me if Wesley Manor had not accepted me as a resident even though I could not pay the monthly charge. I am grateful for the United Methodist Church." Persons are living in these two homes because of the funds we receive from the Conference Apportionments, Mother's Day Offerings, Trusts, Wills, Memorials and other designated gifts. Even though there are no persons at Wesley Acres and Wesley Terrace who receive financial assistance at the present time from our Methodist Churches they are blessed by the Church's relationship to our Homes.

As the life expectancy of each generation increases, the needs and the challenges will be even more demanding, and the responsibilities will become even greater. We appeal to our Churches to assist us in discovering alternatives of care, the needed financial assistance for those who have outlived their income, and in the helping of persons plan for their retirement.

The residents, staff and Board of Trustees express appreciation and thanksgiving for your prayers and support we have received throughout these years. We need your continued help as we minister to those who come to the mature years of their life and who want so much that their retirement years will be as beautiful as the sunset.

REPORT NO. 5

GOLDEN CROSS

Golden Cross is the fund of the Alabama-West Florida Conference which gives financial aid for medical bills to United Methodist families who are in extreme financial need because of hospital and medical bills which are beyond their ability to pay. During 1983, twenty families were assisted with a total of \$9,092 or an average of \$455 per family.

Golden Cross receives financial support from the Golden Cross Sunday offering which is taken the first Sunday after Labor Day. Your gifts to this offering enable Golden Cross to respond to the medical expenses of needy United Methodists in our conference. Golden Cross brochures are available from your Golden Cross Director.

The rules that govern the Golden Cross Fund are as follows:

(1) Assistance shall be for United Methodists and any payment toward assistance shall be only to the hospital, doctor, or drug store and only after receiving a copy of the hospital, doctor or drug bill showing the amount of the unpaid balance.

(2) No assistance shall be granted to laymen except upon the recommendation of a pastor in a position to know the circumstances. Assistance to pastors shall be granted only on the recommendation of the District Superintendent or Conference Treasurer.

(3) The amount of assistance granted to any person shall be limited to a total of \$1,000.00 for any combination of hospital, doctor and drug bills.

(4) When, in the judgment of the Golden Cross Director, extreme poverty seems to justify it, an additional payment (not to exceed \$400.00) may be made or financial aid may be given to the same person twice during the period of a year.

CONFERENCE BOARD OF LAITY

It is my earnest wish that as you read this you will be one of us who attended the Spiritual Enrichment Retreat sponsored by your Board of Laity on April 6th & 7th at Blue Lake. Rev. George Phillips, a Methodist Evangelist was our speaker. Rev. Phillips received the Phillips Award in 1983. That award is given to the most outstanding evangelists each year. We are indeed fortunate to have him in our conference.

Those of us who heard him left with a new insight about what it takes to be an effective witness for Jesus Christ through the local church. The success, or lack of it, that we enjoy in the Alabama-West Florida Conference is in direct proportion to the effort that each of us makes as we witness for our Lord and Savior on a daily basis. The issues that we face today are important, but no issue is more important than being aware of saving souls for Jesus Christ. We have the responsibility to see that souls are saved for Him. NOTHING is more important.

Our Laity Banquet at annual conference will be Tuesday night, May 29th. Our speaker will be Judge Taylor Phillips, conference lay leader of the South Georgia Conference. Judge Phillips is also the President of the SEJ Conference Lay Leaders Association.

May God bless you as you continue to serve Him in this part of His vineyard.

John F. Sherrer, Sr., Conference Lay Leader

COMMISSION ON THE STATUS AND ROLE OF WOMEN

Ten short years ago the Commission on the Status and Role of Women was established by General Conference as a standing commission of the church mandated/charged to work in the Annual Conference to: open the structure of the church to women's leadership. At the same time, the women are: training themselves for increasingly effective participation.

As we dance into the second decade women are being empowered through sharing tools, knowledge, skills and strength to move forward into the next ten years in the lives of Annual Conference Commissions on the Status and Role of Women.

In the Alabama-West Florida Conference the Commission on the Status and Role of Women endeavors to carry out the work of the Commission through three equally important and interrelated ways as advocate, catalyst and monitor. As advocate the Commission pleads the cause of all women in the church to ensure their participation in planning, programming and policy making at every level. And seeks to guarantee that women's concerns are reflected in the policies, pronouncements, publications, and priorities of the United Methodist Church. As catalyst the Commission seeks to call attention to situations where women are not so much discriminated against but isolated. In their churches they have been overlooked or excluded not out of malice but as a result of unexamined presuppositions. This kind of behavior continues in well-entrenched patterns with institutional sexism as a consequence. The Commission brings the needs of these constituents to the attention of the appropriate agency. As monitor the Commission oversees the performance of the church in issues related to women. By conducting surveys and studies to identify where women may be underrepresented and negotiate for appropriate corrections.

Specific goals were set by the Alabama-West Florida Conference Commission for this quadrennium to accomplish the task, and implementation of the goals has been carried out through regular meetings, task force organization, cooperative sponsorship; and specific training in a seminar, "Women in Church Government," held at Blue Lake Assembly Grounds January 13&14, 1984 to equip women with the skills which will enable them to serve more effectively at all levels in the church. Data gathering, analysis, display and feed back to ensure some impact. Knowing the structure of the church so as to make the system work for women's empowerment. Discovering that everything is negotiable, pointing toward the biblical and disciplinary responsibilities for advocacy.

Monday, May 28, 1984 the Alabama-West Florida Conference Commission on the Status and Role of Women will hold its annual breakfast meeting at which time, "Stand Up to the Sun," the color/sound filmstrip about Women in Ministry in the United Methodist Church produced by the Western North Carolina Conference of the United Methodist Church, in conjunction with other agencies, will be presented.

As we move into another quadrennium in Alabama-West Florida Conference Methodism, the Commission on the Status and Role of Women seeks to improve the status and role of women in the total life and mission of the church, sharing fully in the power and in the policy making at all levels of the church's life.

COMMITTEE ON CAREER/LIFE PLANNING

The Summer Vocational Intern Program is a project which matches committed college-age students who are interested in working as summer youth directors with churches within the conference.

Who may participate? (1) Students who have completed at least one year of college and who desire an opportunity to express their Christian commitment through a summer of service in a local church or church agency. (2) Local churches and church agencies which need summer staff workers and are capable of providing a genuine avenue for ministry.

For students and churches to apply, contact Carolyn L. Stewart, P.O. Box 700, Andalusia, Alabama 36420.

The Living Reminder Retreat, a deep spiritual life retreat, has been set for February 22&23, 1985 (6:00 PM Friday to 6:00 PM Saturday). It will be held at Oakwood Lodge, Blue Lake Camp. The leader will be from The Upper Room in Nashville. The Dean is the Rev. Robert Warren.

Charles R. Walker, Chairperson

BLUE LAKE ASSEMBLY GROUND COMMISSION

Adults, youth and children came to Blue Lake in record numbers in 1983. More than 15,147 camper days were logged for the year. There were 129 United Methodist and 18 non-Methodist groups using the Lake. This does not include the Conference boards and agencies which come for meetings.

We look hopefully to 1984 with expectations that we can complete some greatly needed repairs and improvements and chart the course for long range needed development with the continued fine support of the Churches of our Conference.

We look forward to 1984 with expectations that we will move towards the goal of the new addition which will broaden the sphere of service of your Assembly Grounds.

The rising cost of operating the camp made it necessary to raise rates for 1984. The rates are as follows:

Alabama-West Florida United Methodist groups at Oakwood \$20.00 per person per day (which is three meals and one night lodging), Dogwood and Pinewood \$18.00 per day per person. The rate for non-Methodist and all family reunions at Oakwood \$25.50 per person per day and Dogwood and Pinewood \$23.00.

We are grateful for the support of the Blue Lake Partners. Through their generosity we are able to make much needed repairs at the Dogwood Campsite.

The Blue Lake Fund apportioned to the local churches is essential to the operation of Blue Lake. Inflation and increasing cost of operation make this fund a must. I urge each local church to accept and pay "in full" the Blue Lake apportionment.

Space will not allow me to thank everyone who contributes to the life and well being at Blue Lake, yet I must say a special word to our staff for their faithfulness, to the United Methodist Women for their continued support and to the Blue Lake Commission who give of their time in this ministry of love and service.

COMMISSION ON TOWN AND COUNTRY WORK

"Celebrating the Bicentennial of Methodism by Focusing on the Future" was the theme of the Consultation of Town and Country Churches held at Blue Lake January 30-February 1. Dr. Ross Freeman, Executive Director of the Southeastern Jurisdiction Council on Ministries; and, Dr. Kennon Callahan, a Church Growth Consultant and author of "Twelve Keys to an Effective Church," were our resource leaders. This was one of the best training events ever held in our Conference. It was outstanding with forty-three participants earning credit toward their continuing education requirements.

The Commission on Town and Country Work seeks to establish this level of training as the standard for future continuing education courses. Training events of this caliber will be beneficial to all ministers in our Conference at all levels of service and size of congregation. Designs for a similar event are being planned for 1985.

The Southeastern Jurisdiction Association of Town and Country Workers, the Hinton Rural Life Center, and the United Methodist Rural Fellowship are sources of training for those interested in strengthening the churches of Town and Country. These agencies can also provide resource leaders for research, planning, and training with this Conference. We recommend them to you.

May 20, 1984 was the date designated for our Conference to celebrate our heritage. The observance of Rural Life Sunday relates to all of us as we recognize that our roots were established in the rural church. Today, five hundred fifteen (515), or seventy-three percent (73%) of the churches in our Conference have 150 members or less. Twenty nine thousand one hundred ten (29,110) church members, or twenty-two percent (22%) of the Conference are members of Town and Country churches. The following charts are compiled from Annual Conference reports filed at the end of 1983 revealing the significance and timeliness of observing Rural Life Sunday.

The Minister's Workshop is a valuable training event for ministers in their first few years of service, but the workshop is also open to those desiring a refresher course in planning and developing the ministry of the church. This workshop utilizes leadership skills from across the Conference, and deals with areas of responsibility which we encounter in our appointments. The Reverend Winston Jay is to be commended for his leadership as Dean of the Minister's Workshop.

The *Daily Christian Advocate*, May 12, 1984, page 9, titled, "General Conference Decisions Focus on the Local Church," briefly summarized some actions taken that will affect the small membership churches of our Conference.

Some of the actions taken were:

1. Special church school material for small membership churches were ordered.
2. The Administrative Council was adapted as an optional governing structure which is particularly attractive to small membership churches.
3. A special Advisory Committee was established for multi-point parishes.
4. Another recognition of the special needs of small congregations was legislation that required representation from such churches on boards and agencies at Conference and general church levels.

The article stated, "If there seemed to be a common concern shared among delegates to this General Conference, it was the desire to enhance the life and ministry of local congregations."

"The structures, programs and powers of Conference and national agencies seemed to be measured in terms of how they would be of assistance to local congregations in the performance of mission and ministry."

We need not wait for the *Discipline* to be printed and distributed for us to be about the business of the church as presented here.

Curtis S. Ford, Chairperson

HINTON RURAL LIFE CENTER

The Hinton Rural Life Center, Hayesville, N.C. 28906 focuses its attention on strengthening the small membership church. Rev. Alan Wood is the Director and gives able leadership. The ministry and mission of Hinton Rural Life Center are supported by the Advance Special giving of the United Methodist Church, particularly the Southeastern Jurisdiction.

The programming of the Hinton Rural Life Center is built upon the ingredients of research, models, and renewal.

1) Research and data gathering focus on churches with small memberships and churches located in Town and Country settings for the purpose of strengthening their ministries.

2) Models are developed from experiences and learnings in small membership churches and Town and Country churches.

3) Renewal of the spiritual health of a congregation is a prerequisite to effective ministry and missions.

Events for this purpose are held at Hinton Center, and, in Annual Conferences where the Hinton staff is invited.

Staff personnel have led or been a part of workshops in our Conference the last four years. Their knowledge, skills and leadership qualities have enhanced the success of these workshops. Hinton Center provides a variety of resources for our Conference in programming for Town and Country churches.

The Council on Ministries of the Southeastern Jurisdiction has recommended that each Annual Conference of the Jurisdiction establish a goal of \$25.00 per church for the support of Hinton. This is not an unrealistic goal for an agency that offers so much service to the small membership churches of our Conference.

Many churches of our Conference have selected Hinton Center as an Advance and have given support. These churches are commended for their response, and are encouraged to continue this support in future years. There is a need to increase the number of participating churches and individuals who recognize the value of Hinton Center and will give financial aid. Film strips and personal presentations are available upon request.

You are invited to come to Hinton and enjoy the mountains, meet the staff, and take a tour of the buildings and the area.

The Town and Country Commission is a member of the Southeastern Jurisdiction Association of Town and Country Leaders. Some functions of the Association are to be sensitive to and supportive of Town and Country concerns in the Southeast, such as parish re-formation, cooperative ministries, teaching parishes, small membership church development, economic developmental needs of Town and Country Churches and Communities through the Association's representative to the SEJ Committee on Program and Leadership Development and the Commission on Missions and Ethnic Minority Concerns; and to develop and promote an annual meeting of the Association in the Southeast and promote meetings of Town and Country Leaders nationally.

Each fall at Hinton Rural Life Center, Hayesville, N.C., the Association holds a Delegated (Program Exploration Committee) Meeting. Each Annual Conference will delegate six persons to serve as a program "seed bed" work group for the purpose of exploring, initiating and strategizing Town and Country concerns. Their recommendations may become program emphases for consideration by Hinton's Board of Directors.

Summer events at Lake Junaluska have been planned by the Association. This summer a Small Membership Church Conference will be held July 2-5 for all persons who affirm the validity of the small membership church, who celebrate its contribution to the denomination and society, and who are willing to help design a practical plan of vitalization for those congregations who comprise seven out of ten churches in this Jurisdiction.

COMMISSION ON WORSHIP

During this bicentennial year of American Methodism, the Commission on Worship would like to remind our people that it has been the true worship of God and our Lord Jesus Christ which have enabled us to become a great Church. It is through worship that we come to know God and the saving power of Christ; it is through worship that we are led by the Holy Spirit to give of ourselves in Ministry and Mission to a world sick with sin. We call for a renewal of worship in Spirit and in Truth. Let us resolve to worship God with our very best. When we gather for public worship, may every worshipper, clergy and lay, realize that we are to offer our praise and thanksgiving to God as sacrifices of our very selves. Too long we have assumed that our theological beliefs and doctrines shape our worship. Now we are beginning to see that our worship shapes our understanding of the Christian faith. If we sense in our worship an attitude of reverence and holiness, then we will learn to reverence God and to seek to be holy. However, if we feel that worship is haphazard and not too important, we will be less likely to give serious attention to God with our lives. Therefore, we call upon every pastor and every layperson to devote themselves to the serious task of worshipping God with holy care.

This past year the Commission on Worship has sponsored the Bicentennial Sermon Contest. We have helped plan and carry out some of the worship services at Annual Conference. We continued to co-sponsor the Convocation on Worship in Columbus, Georgia. The Youth Choir Camp, which our Commission founded and has sponsored for several years, has now been passed to the jurisdiction of The Camping Committee. This event continues to thrive, and our Commission will continue funding through 1985, when The Camping Committee will assume it.

I thank all those who have served on this Commission during this quadrennium. It has been a wonderful experience.

AREA BOARD OF PASTORAL CARE AND COUNSELING

The Area Board of Pastoral Care is composed of 48 members; 24 from North Alabama and 24 from Alabama-West Florida with equal number of clergy and laity. The Board meets three times a year, in the Spring, Fall, and Winter. Reverend Charles Alexander is the director with his office on the campus of Huntingdon College. The purpose of the Board is:

1. To provide direct counseling services to ministers and their families.
2. To sponsor and support ongoing Area and Conference programs of instruction in pastoral care and counseling.
3. To enhance, enrich, and support the quality of life of our ministerial families.
4. To be an advocate to the two annual conferences in addressing systemic issues affecting the ministerial family.
5. To serve as a resource to other boards and agencies in the Birmingham Area.

In 1983, Reverend Charles Alexander and the Associates-In-Training were involved in 998 counseling sessions, 213 supervision sessions and 172 group sessions for a total of 1,383 sessions.

During 1983 The Ministry of the Board was expanded by adding two new trainees, one at the North Central Alabama Mental Health Clinic, and one at the Baptist Hospital in Pensacola, Florida. Reverend Alexander's major priority is his therapy work with clergy and their families. However, he works as a consultant to the Board of Ministries of both Conferences.

He is also involved in the supervision of the trainees, and supervision for ministers working on the D.Min. degree. He leads workshops in districts, and has set up support groups across the Area.

The Board sponsored the 1983 Convocation on Religion and the Family in conjunction with Birmingham-Southern College with 170+ participants; supervised eight support groups; followed up on the Ministry to cancer patients within the Districts; prepared a referral list of trained personnel in counseling throughout our Area; established an Endowment Fund Development Committee to find funds for the two additional trainees. The Systemic Issues Committee is working on a study entitled "The Impact of Moving on Clergy Families."

The Area Board of Pastoral Care is committed to the care and support of clergy and their families with the utmost in compassion and confidentiality.

COMMISSION ON ARCHIVES AND HISTORY

The membership of the Committee met at Conference Headquarters in Andalusia in September, 1983, and March, 1984, to administer the work of Archives and History. This work specifically included matters relating to the Bicentennial year, the Conference Depository, and the ongoing and first-time projects of the Commission.

Our year of activity was initiated this past summer as several members of the Commission attended the meeting of the Southeastern Jurisdiction Historical Society at Ferrum College in Virginia. At Ferrum, the group learned about the need for promotion of the Archival Depository at Lake Junaluska. In addition, there was an exchange of ideas for the preservation of archival material and United Methodist history appreciation. In keeping with these goals, Archives and History has encouraged the reprint of the Anson West book, the sales of which have been increasing, and the celebration for the Asbury Manual Labor School and Mission, which was held on Saturday, March 31, 1984.

The Commission is pleased to announce that the play, "At Great Price," written by Martha Frazer Rankin, will be videotaped and used for years to come throughout Alabama and West Florida. The play continues to be performed around the Conference to the delight of United Methodist audiences. Our special appreciation to Mrs. Rankin, the Pulpit Players, and to Mary Ellen Bullard who has scheduled performances!

Each year a larger number of persons utilize the records and services of our Depository at Huntingdon College. The staff is continually being asked to answer research requests by individuals and churches, both from inside and outside the Conference. Dr. Glen Massengale has retired, but his work as Archivist/Historian will long be remembered. Mary Ann Pickard now assumes the post of Conference Archivist and will continue to provide a link between our present and our past.

Finally, our retired ministers and surviving spouses are now organized for fellowship meetings. The first meeting was held on October 23-24, 1983, with the result of that retired persons will be able to maintain contact with the persons with whom they have served in the Conference.

CONFERENCE BICENTENNIAL COMMITTEE

United Methodists throughout the Alabama-West Florida Conference are enthusiastically celebrating the bicentennial of the founding of American Methodism. On local church, district and conference levels, Methodists are researching their religious heritage, singing the songs of Charles Wesley, listening to sermons on Wesleyan theology, studying the *Jubilee* Curriculum series, and embarking on tours to Georgia, Maryland, New Jersey, and even to England.

The Conference Bicentennial Committee consisting of members of conference program boards and agencies, District Superintendents, Conference Council on Ministries program staff persons and members-at-large, have approved and given guidance to the following programs and projects:

The *Huntingdon College Pulpit Players* have performed the bicentennial play "At Great Price" by Martha Frazer Rankin, at each District Bicentennial Celebration, the Annual Conference, and in local churches with a collective audience of more than six thousand

persons. The Commission on Archives and History has authorized a video tape of this play which will be aired by Storer Cable TV in the Montgomery area. We commend the Commission on Archives and History for establishing the Committee on Shrines and Landmarks to coordinate policies and procedures concerning landmarks in our Conference bounds, recognizing all churches one hundred years and older in the Conference and making a concerted effort to have the history of all Churches placed in the Alabama-West Florida Conference Depository of Archival and Historical Materials.

Heritage Sunday, April 29 and Aldersgate Sunday, May 20, are being observed in districts and local churches.

Four outstanding trips are planned during the bicentennial year for United Methodists of the Alabama-West Florida area. They are:

April 1984 *Wesley Heritage Tour* to Georgia; Rev. Cliff Abbott, Tour Host

May 1984 *General Conference of the United Methodist Church* Baltimore, Maryland; Rev. Cliff Abbott, Tour Host

August 1984 *World Methodist Camp Meeting*, Board of Evangelism; Rev. John Bryan, Chairman

August 1984 *Pilgrimage to England*; Rev. Billy Doyle Gaither, Tour Host

Ministers throughout the conference are responding to the *Bicentennial Sermon Contest* under the leadership of Rev. Larry Davis of the Conference Commission on Worship.

In the fall, a *Pan-Methodist Observance* will be held under the leadership of our Resident Bishop Frank L. Robertson with the five Methodist churches joining together for this historic event. The participating churches are United Methodist, Christian Methodist Episcopal, African Methodist Episcopal, Zion, and Free Methodist.

The Bicentennial of the Methodist Church will be the most visible and warmly experienced during the 1984 Alabama-West Florida Annual Conference as inspirational, educational, and worship experiences will be shared by all delegates and guests throughout the conference.

The opening session will be a triumphant Conference Bicentennial Celebration to be held at Frazer Memorial Methodist Church on Sunday, May 27, 1984, with Bishop Frank L. Robertson presiding and Bishop Paul A. Duffey preaching. Included in the event will be United Methodist Women carrying colorful bicentennial banners, and representatives of the Methodist Churches and predecessor traditions of the Church. Music will feature congregational singing of Charles Wesley hymns, accompanied by the Frazer Memorial Church Choir and orchestral instruments. Mrs. Ceil Smith is the Chairperson for this occasion.

"200 Years: A Methodist Odyssey", a special multimedia and live performance bicentennial program written and produced by Norton Dill, will be presented on Tuesday evening of the Annual Conference. Mr. Dill is Director of TV Ministries, Vestavia Hills United Methodist Church, Birmingham.

During the conference, the Pulpit Players will enact *Bicentennial Minutes*. Historical displays will be exhibited in the dining hall and Delchamps Student Center on the Huntingdon College campus.

The closing worship of Annual Conference will be an inspirational service of covenant renewal, communion and a commissioning and "sending forth" of the Bicentennial Circuit Riders.

Appreciation is expressed to Dr. Paul Ruark, Editor of The United Methodist Christian Advocate, and Mrs. Madera Spencer, Conference Bicentennial Communications Chairperson for their splendid cooperation in communicating the message to our constituency. The bicentennial *Special Edition of the United Methodist Christian Advocate* will be a valuable resource which we will pass on to new generations.

Mrs. Ellen Caldwell is to be highly commended for her time and talent in creating the bicentennial backdrop for the Annual Conference sessions.

REPORT OF THE ARCHIVIST/HISTORIAN (Director of the Depository), 1976-1984

R. Glenn Massengale, Conference Archivist/Historian and Director of the Conference Depository of Archival and Historical Materials since 1976, is finding it necessary to surrender his responsibilities at the 1984 session of Annual Conference. Mary Ann (Mrs. W.M.) Pickard, currently Associate Archivist/Historian, has been elected Archivist to succeed him. As Archivist she will be Director of the Depository, and the term "Archivist" is being used to

signify more appropriately the nature of her responsibilities. A lengthier and more detailed report of the activities of the Archivist/Historian for 1976-1980 has been made to the Commission on Archives and History and a copy filed with the Depository.

The Archivist/Historian's tenure of office parallels almost exactly the establishment of the Conference Depository at Huntingdon College and the inauguration of a more structured Conference records management program. The critical references involved are:

1. "Statement of Archival Policy," JOURNAL, 1977, pp. 228-229
2. "Agreement Between the Alabama-West Florida Conference and the Huntingdon College," JOURNAL, 1978, pp. 229-230.
3. "Conference Records Policy and Program," JOURNAL, 1982, pp. 293-295.

While these by no means hint at the amount of work involved on the part of a rather small but dedicated group of people, they do summarize resultant actions in terms of policies, procedures, and achievements. More complete details are contained in the annual reports of the Commission on Archives and History and of the Conference Archivist/Historian.

The Bicentennial of American Methodism has provided an opportunity to test the strengths and weaknesses of the Depository and records program. By and large the Depository has been able to meet reasonable demands placed upon it for information, but it still has a long way to go before its performance can be regarded as wholly adequate. One of its inadequacies, its facilities, may be close to a solution. The president of Huntingdon has stated that special attention has been given to the needs of the Depository in an addition to the library scheduled for completion within a couple of years.

The Archivist/Historian has also been rather active in his capacity as historian. In addition to the historical research he has done for scores of churches, individuals, and agencies of the Conference, he has written extensively for the *Christian Advocate* and has supplied the "foreword" for the recently reprinted *West: A History of Methodism in Alabama*.

R. Glenn Massengale, Archivist/Historian

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS AFFAIRS

The United Methodist Church throughout its history has been committed to the ecumenical spirit among the peoples of God by promoting the Gospel of Christian unity which has its beginnings in the theology of the New Testament. *The Book of Discipline*. The Scriptures (Galatians 3:28) places upon us the responsibility of promoting unity and fellowship among all congregations and faiths. We are called to break down the barriers which separate Christian peoples from one another by seeking "oneness in Christ Jesus" by searching for a common bond of fellowship among the religious faiths of the world.

Therefore, we urge the United Methodists of the Alabama-West Florida Annual Conference to commit ourselves to the strengthening, in unity, the wholeness of the Christian Church and its effectiveness in God's mission to His peoples in and through the Covenant relationship. We are encouraged to promote reconciliation not only among ourselves but among Christians of all denominations through our demonstration of the one, true form of the Body of Christ. Through our membership in the National and World Councils of Churches, we are called to make application of the Gospel in all of life by working together on the major issues that are facing the world and the churches and to facilitate programs which cannot be done by any single denomination through our compassionate concern and service to all human needs.

We encourage each local church to initiate ecumenical services and programs in mission in their respective communities. We urge the observances of Christian unity by our congregations in promoting ecumenical programs through

- The Week of Prayer and Christian Unity
- Brotherhood Week
- Consultation on Christian Unity Sunday
- Reformation Sunday
- All Holy Days

Planning special ecumenical programs is most important in the ministry and mission of the Gospel of Christ Jesus. The Church's vision includes all peoples of God through its fellowship in the one Lord, our Redeemer and Saviour.

H. Stanley Mullins, Chairman

AREA BOARD OF COMMUNICATION/ADVOCATE

The Area Board of Communication/Advocate can use a number of descriptors when it refers to the work accomplished and attempted during 1983. Frustrating, heartwarming, successful, fulfilling, disappointing, rewarding and growing are a few of the terms that would be apropos to the year 1983.

The subscriptions dropped during the first part of the year but eventually leveled off at 8,500 subscriptions. Most reasons given for not renewing either church lists or individual subscriptions were related to the recessed economy.

The office staff underwent some changes. Miss Barbara Creswell came aboard in mid-year to fill the vacancy left when Miss Suzanne Kennemer resigned in mid-May.

The editor was involved in a number of related activities. He conducted workshops at four "Super Sundays" in the Alabama-West Florida Conference. He also conducted four other Church Officer Training seminars and a one day "Career Workshop" at Camp Sumatanga for the North Alabama Council on Youth Ministries.

The Area Board was represented by the editor at 15 district preachers meetings. The editor also made presentations at nine administrative board meetings and he participated in Sunday services at four churches.

Other office activities include production of the "Advocate Addition" each day for both Annual Conferences. Many activities and special events in both conferences were also covered for the paper.

Mr. Ruark also continued membership in the SEJ Fellowship of Communicators and the United Methodist Association of Communicators. Documents necessary for certification as a Christian Communicator have also been filed with the national association.

The editor met with the other independent editors from the Southeastern Jurisdiction at Lake Junaluska and the SEJ Fellowship of Communicators at their annual meeting in Nashville. The Birmingham Episcopal Area Board of Communication/Advocate was also represented by the editor at the briefing for General Conference held in Baltimore. The editor has also been asked to serve as a staff member for the Daily Christian Advocate at General Conference and also the Daily Advocate for the Jurisdictional Conference.

The Ratio/T.V. work of the office continued with success. Ten 60 second radio spots were aired over 15 radio stations covering the entire episcopal area. These were aired between August 1 and October 11. A number of these spots were also aired as Public Service Announcements. Nine 30 second television spots were also aired between August 1 and September 14. These were aired over stations in Huntsville, Montgomery, Dothan, Mobile and Birmingham. Two spots were aired each week for the seven weeks.

Contract was also made with the Vestavia United Methodist Church Director of T.V. Ministries in cooperation with the North Alabama Conference Council on Ministries to assist in production and airing of T.V. spots to be started in early 1984.

The Advocate staff also has planned a Special Bicentennial Issue of The Advocate. This issue will appear September 1, 1984. It will be a magazine format of about 100 pages. Each district will be represented with special stories in addition to information of a general historical nature. All Advocate subscribers will receive this issue as a part of their regular subscription. Additional copies will be for sale.

While some aspects of the year's work ended in frustration, we feel those disappointments have led to growth and that God's richest blessings have been ours.

The Area Board of Communication/Advocate and the office staff appreciate the support given by Bishop Robertson, the District Superintendents as well as the clergy and lay persons of both Conferences. The area Board also expresses appreciation to Dr. Paul Ruark, Miss Suzanne Kennemer, Miss Barbara Creswell, Mrs. Jeanne Glasgow and Mr. Robert Walston for their dedicated service to this mission.

We are thankful for the ministry that we have been able to perform and thankful for God's guidance in performing it.

The Rev. Joe Lisenby, Chairman
Dr. Paul Ruark, Director/Editor

PASTOR'S ASSEMBLY BOARD OF MANAGERS

The Board of Managers of Pastor's Assembly was well pleased with the 1983 Assembly held on October 17 and 18. Over 160 Ministers participated in this continuing education event of our annual conference. "The Word for All Seasons" was the theme. Dr. Bruce C. Birch, Professor of Old Testament, Wesley Theological Seminary, Washington, D.C. provided leadership in Biblical scholarship, speaking on the subject "The Old Testament Roots of Our Christian Faith." Rev. Leontine T.C. Kelly, Associate General Secretary for Evangelism of the General Board of Discipleship, was the resource person in the area of preaching. Continuing education credit was granted to 101 ministers who satisfactorily met all of the requirements established by the Board. As these ministers reflected on their experiences at the Assembly they described the event as excellent, enriching and relevant. The presence of Bishop Frank Robertson at this time apart meant a great deal to the clergy.

"Into Our Third Century" has been named as the theme for the 1984 Assembly which will be held October 15-16 at Blue Lake. Dr. Thomas A. Langford, Professor of Systematic Theology, The Divinity School, Duke University, will be speaking in his field of expertise: Wesleyan Theology. Dr. Earl Kent Brown, Professor of Church History, Boston University School of Theology, will speak in the area of Methodism's role in American Church History. In this our Bicentennial year of American Methodism it is believed that this will also be an excellent year for Pastor's Assembly. The dean again this year will be the Rev. Walker Epps and the Rev. Kathryn Gatewood will return as the registrar.

Plans for 1985 are now well on their way. "The Minister as Person" is the selected theme. Dr. Don Saliers of Candler School of Theology, Emory University will be one of the keynote speakers. The focus will be on the spiritual formation of ministers in light of New Testament instruction.

The Board of Managers continues to appreciate the support of the bishop, the cabinet, and the membership of the conference for Pastor's Assembly.

THE BOARD OF PENSIONS AND HOMES FOR CLAIMANTS

REPORT NO. 1

PENSIONS, ANNUITY RATES, APPORTIONMENTS

We recommend that the total annuity rate for service years prior to 1982 be *one hundred eighty (180.00) dollars* per service year as a minister or approved lay pastor with pension credit; the total rate for widows be *one hundred twenty-six (126.00) dollars*, provided that, for ministers, lay pastors and widows who are provided homes by the conference the annual pension amounts be adjusted by a reduction equivalent to \$15.00 for ministers and \$10.50 for widows for each year of service as a minister with pension credit in any conference or under special appointment with or without pension credit upon the Alabama-West Florida Conference.

We recommend that the apportionment to the local churches for the pensions and benefit program of the annual conference be \$1,360,000 for the calendar year 1985.

We call attention to paragraph 726.4 of the 1980 Discipline relative to the requirement that the apportionment for the pensions and benefit programs be paid in proportion to payment of a minister's salary and to the policy of the Board of Pensions charging defaults to ministers which constitutes a lien upon pension claims if not otherwise paid. Interest is added to other unpaid obligations at the rate of 7 per cent annually.

In determining the base salary for pension purposes, it is recommended that a maximum of \$3,600.00 be set for travel and \$3,600.00 for utilities. All other compensation to the minister shall be placed under "base salary."

We further recommend that premiums for Death Benefit programs be maintained by the Conference Claimants Fund and that ministers' premiums for the DBP-Plus be \$31.00 per year.

We recommend that the present policy for eligibility, enrollment and participation in the DBP-Plus plan be continued.

REPORT NO. 3

RESERVE FUNDING OF PENSIONS

We recommend that the resolution designated as report number 1, page 161 of the 1969 Journal and subsequent amendments, recorded on page 154 of the 1972 Journal and page 135

of the 1973 Journal shall be further amended to provide that, effective with the deposit made monthly, the annual level deposit for the purpose of funding pensions through the Ministers Reserve Pension Fund shall be that adjustment being required to fund prior years at the rate of \$180.00 per service year.

REPORT NO. 4

HOMES FOR CLAIMANTS

We recommend that \$50,000.00 be apportioned for Homes for Claimants subject to the approval of the Council on Finance and Administration for 1985.

The Conference now owns 40 units, having an insured value of \$1,975,000.00. Thirty-four of these are in Alabama; six are in Florida. At the beginning of the year, 1984, the outstanding indebtedness on these homes was \$54,273.81. Payment on this debt is now \$1,164.44 per month with a total of \$8,138.64 paid during 1983.

The cost to maintain and repair these homes and insure them was \$29,666.30.

The Board has on deposit in interest bearing accounts a total of \$64,192.28, of which \$36,000.00 is held in reserve and pledged to pay two annuities to those who have deeded their homes to the Board. During 1983, \$3,500.00 was paid on these annuities. The remainder of the invested funds provides funds for the maintenance of our homes.

The Board holds three mortgages on property it has sold to individuals which produce \$678.73 per month. When homes are available, they may be rented. We receive income from the rented homes which assists in the operation of this program.

The Board is in the process of evaluation and study of our homes program. A survey of our ministers is being conducted which projects the need for homes in the future, the location and type of housing desired. From this information and from careful study, we hope a workable homes program for the future will be planned. The high cost of housing, interest rates, and availability of housing forces us to take a careful look at this program and the type housing we can best afford. If we are to be in the homes program, we must provide the resources for the best possible housing of our retired ministers and their families.

One aspect of our housing program we wish to encourage is the continuing emphasis upon our people considering leaving their homes to the Board for use by the Board in this program. As of this date, March, 1984, we have eight homes provided for in this manner. Interested persons in our churches should contact the director of our homes program for information and assistance in this effort.

We recommend that special appointments as employees of United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the armed forces be listed as with pension responsibility on the chaplaincy of the military service.

We recommend that ministers under appointment as approved evangelists, to the Methodist Christian Advocate, to other area appointments and to other special ministries, shall be listed as with pension responsibility on this Annual Conference only upon payment to the Conference Claimants Fund an amount equal to 16.4% of the denominational average salary as determined by the General Board of Pensions. See Paragraph 1706.3a of the 1980 Discipline.

We recommend that special appointments to non-Methodist institutions shall be listed as without pension responsibility on this Annual Conference.

We recommend that all missionaries shall be listed as with pension responsibility on the Board of Global Ministries of The United Methodist Church.

REPORT NO. 7**DEPOSITORIES**

We recommend that the official depository for the pension funds shall be the same as that designated by the conference for other conference funds and the General Board of Pensions of The United Methodist Church; provided, that the Board of Pensions and Homes for Claimants may from time to time determine other depositories for invested funds among financial institutions that are insured by a government sponsored agency.

REPORT NO. 8**PENSIONS FOR LAY EMPLOYEES**

We strongly endorse the reserve pension plan administered by the General Board of Pensions for lay employees of United Methodist agencies and local churches. We recommend it to our local churches and agencies and urge that they use this official plan for The United Methodist Church to provide pension coverage for the devoted lay men/women who serve in their employ just as the Annual Conference provides for pensions for ministers.

Interested churches and agencies should contact: Wayne L. BonDurant, General Board of Pensions, The United Methodist Church, 1200 Davis Street, Evanston, IL 60201. Phone (312) 869-4550.

REPORT NO. 9**FULL-TIME SERVICE AS A REQUIREMENT FOR PENSION CREDIT**

We call attention to the following provisions which appear in paragraph 1706.4a of the 1980 Discipline relative to full-time service as a normal condition for pension credit.

a. Full-time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part-time service by a three-fourths vote of those present and voting in the Annual Conference, on recommendation of the conference Board of Pensions (and Homes for Claimants).

b. Full-time service shall mean that full time is devoted to the work of a pastor by one who has not attained the age of mandatory retirement for a conference member, who is not attending school as a regular student, who is not substantially employed in nonpastoral work; and whose cash support per annum from all (church) sources is not less than the schedule of equitable salaries adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full-time service as defined, except in cases of approved part-time service.

REPORT NO. 10**RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE**

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed minister in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Alabama-West Florida Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference

as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

- 1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1985 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Alabama-West Florida Annual Conference at the time of his or her retirement or disability;
- 2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

THE ALABAMA-WEST FLORIDA
UNITED METHODIST FOUNDATION, INC.

The United Methodist Foundation received contributions to Special and Trust funds in excess of \$300,000 and established ten new Funds during the year, 1983. The total of all assets now being managed by the Foundation is almost one and a half million dollars. Disbursements to the beneficiaries of the Special Funds (to the churches, agencies and institutions of the Conference) totaled \$70,400. Retained earnings for the Fund's growth was \$17,300. Interest earned and paid to the churches and Conference boards and agencies on funds invested by the Foundation was \$27,000. When you add these three figures together, a total of \$114,700 was actually earned and paid back into the Conference during 1983 by the Foundation.

Since 1979 the only employees of the Foundation were a full time administrative assistant and a part time executive director. In March, 1984 a full time executive director was elected.

The Board of Directors of the Foundation has approved a proposal for a Conference Development Fund to be separately incorporated but administered by the Foundation contingent upon Conference approval and capitalization in the amount of \$500,000 by the Conference. A Conference Development Fund will enable individuals to place savings with the Fund at a competitive rate of earnings on savings. These funds will be used for loans to the churches of the Conference at 1½ to 2% higher interest than the rate paid to depositors. Other Conferences have given very favorable reports of participation of individual depositors who want to take part in a program which will be to their own benefit with earnings available to them on savings and at the same time allow them to help make funds available for church loans at a rate much lower than commercial loan rates. Proposed Articles of Incorporation of The Alabama-West Florida United Methodist Development Fund, Inc. and By-Laws are included as a part of this report.

The Board of Directors unanimously endorsed and recommends to Annual Conference the following people for election for a three year period to the Foundation Board of Directors: Kenneth Cooper, Mrs. Clyde P. Mahaffey, Frank C. Martin, Charles H. Newsome, M.D. Nolen, Jr., K.T. Riley, Dr. Charles G. Tomberlin, Charles S. Weeks.

Sincere appreciation is expressed to the Directors, the donors, the churches, the ministers, and all who have helped make the United Methodist Foundation the service agency that it is.

COMMISSION ON EQUITABLE SALARIES

The purpose of the equitable salary fund is to provide assistance to those ministers and their families serving charges whose salary will not assure a minimum standard of living. We believe that every charge desires to provide its minister with an adequate salary without assistance.

1. We, therefore, recommend that all charges receiving equitable salary assistance continue a program that will eliminate the need for salary supplements for their pastors.

2. The DISCIPLINE requires that a fully scheduled equitable salary be paid before pension credit can be granted by the Board of Pensions. To participate in the Insurance and Death Benefit Programs the minister must have pension credit. To receive fully scheduled equitable salary for the minister's category the Church must pay 80% of the equitable salary schedule for 1985. Pastors of newly organized congregations can for two years receive up to one-half of the equitable salary schedule from the fund for its pastor.

3. The equitable salary schedule shall be based on the average Conference salary of the full connection and probationary members as determined by the Board of Pensions. The schedule for the various categories (rounded to the nearest \$100) will be based on the following percentages of the average Conference salary:

Members in Full Connection, 80% of average Conference salary

Probationary Members, 80% of average Conference salary

Associate Members, 75% of average Conference salary

Seminary Students (married), 62.5% of average Conference salary

Seminary Students (single), 58.5% of average Conference salary

Full Time Local Pastors, 66% of average Conference salary

Local Pastor-Student (married), 50.5% of average Conference salary

4. The amount of equitable salary a minister is eligible to receive is based upon the total of his salary, travel allowance, utilities and other approved church related allowances.

5. Only full time pastors, retired pastors as specified in Item 6, and student pastors are eligible for equitable salary support.

6. If the combined total of all income received from the United Methodist Church by a retired minister (plus his Social Security) is not equal to the equitable salary schedule then the Commission on Equitable Salaries shall pay the difference up to \$2,400.00. To qualify the retired minister must be serving full time.

7. It is recommended that the equitable salary secretary be authorized to issue check orders for equitable salary only after each District Superintendent has certified (a) complete income and amount of need of each pastor who is to receive equitable salary aid; (b) that the charge did conduct an Every Member Commitment program emphasizing the total program of the United Methodist Church; (c) that the pastor gives leadership in promoting the total financial program with special emphases being given to the ministerial support and World Service and Conference Benevolences apportionments. It is not the responsibility of the Commission on Equitable Salary to determine all the ramifications of a man's employment; this is the responsibility of the Superintendent. It is recommended that the secretary withhold any funds until the District Superintendent has provided all the information as accurately as possible on the forms provided by the secretary.

8. No pastor of any classification shall receive aid from the fund if he receives income from any other church source, if the income, plus salary from the charge he or she serves, is more than the equitable salary for his or her classification, except as provided in 16 and 17 of this report.

9. No person qualifying for equitable salary which amounts to less than \$100 will receive any equitable salary. We feel that local churches can take care of this small amount.

10. The administering agency will grant aid only to persons who have met the requirements and are certified by the Board of Ordained Ministry as eligible to receive equitable salary payments.

11. No associate pastor shall receive aid from this fund.

12. Each District Superintendent is required to review all equitable salary situations in his district to reduce the need of equitable salary funds. No charge shall receive equitable salary assistance when divided unless the Town and Country Commission has surveyed and recommended, and the Commission on Equitable Salaries has approved the division. We recommend that churches or charges, to be eligible for equitable salary aid, should consist of three or more churches of a minimum of 100 members, except in the case of a new church.

13. We recommend that the Conference Budget provide the funds necessary to carry on the equitable salary program as directed by the Annual Conference.

14. The secretary of equitable salary shall file with the Assistant Secretary of the Journal for publication in the Journal each year a report listing the payments for the equitable salary fund during the year, giving names of the pastors and charges, and amounts paid from equitable salary fund.

15. We recommend that no pastor serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable salary unless there is no appointment available for him in this Conference and he is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the pastor himself shall not be considered reason enough to receive equitable salary aid.

16. The Commission on Equitable Salaries feels that there may exist from time to time certain situations within our Conference where special attention may help a church to more quickly become self-sustaining. In such situations, a supplement, determined by the Commission on Equitable Salaries, above the regular equitable salary, may be given the pastor, provided the money is available for this purpose. Normally no situation will receive this special consideration for more than four years. Ordinarily no more than three such situations will be considered during a year, based on money available. Such cases will be called Growth Potential Situations. In order to be considered, every case will be judged by certain criteria, and final determination will be done with the approval of the Board of Missions, since this board handles the money for church extension. Each situation will be judged by the following criteria: a. growth potential; b. leadership requirements; c. age of the church; d. indebtedness.

17. In the case of cooperative parish ministries or specialized ministries the District Superintendent, in consultation with the District Board of Missions and Commission on

Equitable Salaries, shall be allowed to supplement the salary of a pastor/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable salary, without any reduction in the equitable salary support.

18. The Commission on Equitable Salaries feels that there may exist from time to time hardship cases, which need to be considered for help. These cases may be presented by the District Superintendent to the Commission. Sensing a need for such help for a charge, the District Superintendent should hold the Charge Conference before the November meeting of the Commission on Equitable Salaries. The final decision on each situation will rest with the Commission on Equitable Salaries.

19. As an incentive to motivate churches to begin to reach toward total support of their pastoral leadership, we propose to give the preacher 60% of any salary increase above the amount currently paid by the church after the Minimum support required for his or her category has been reached. This would apply to the charge which he or she is serving at the beginning of our payment period, which is January 1. This supplement is to be recomputed each year and we recommend that the Cabinet consider this accumulative amount as part of his salary when appointed to another charge.

20. We recommend the following be the Equitable Salary Schedule for 1985.

Member in Full Connection	\$15,300.00
Probationary Members	15,300.00
Associate Members	14,300.00
Seminary Students (Married)	12,000.00
Seminary Students (Single)	11,200.00
Full Time Lay Pastor	12,600.00
Local Pastor Student (Married)	9,700.00
Local Pastor Student (Single)	8,900.00

RESOLUTION OF THE EQUITABLE SALARY COMMITTEE

Whereas, E. Zedoc Baxter served on the Commission on Equitable Salaries for eight years and served as chairperson for seven of these years; and,

Whereas, he led the commission in a most able and efficient manner in finance and administration:

ETHNIC MINORITY LOCAL CHURCH

It is a time of reflection as we come to the final year of the emphasis by the general church on "Developing and Strengthening the Ethnic Minority Local Church." In the Alabama-West Florida Conference we have accomplished a great deal and yet much still needs to be done in helping the ethnic minority churches.

In our conference, we have approximately 45 black churches, 1 Korean and 1 Chinese. They are seeking to be viable forces in their communities and help is received from the various boards and agencies in setting up a strong program. Much help is still needed in the years to come in order to strengthen the local church.

Recruitment of new ministers is always a need. At the present time one black pastor is being assisted in attending Candler School of Theology. One is to finish Huntingdon this year and plans to enter Candler. Five students have been assisted by the Missional Priority Fund this year in the amount of \$3,718.00. This is a valuable help.

Representatives from the conference have attended meetings at Junaluska and in Atlanta and received training we hope will help for years to come. Outreach ministries in this conference have helped this year in the amount of \$10,000 from the Missional Priority Fund. This could not have been achieved without the support of the conference and we are so grateful.

To further strengthen the local church, we propose that:

1. The "School on Wheels" for training local church members and officers be further implemented.
2. Vacation Church Schools. This be furthered as now at the Akron Circuit in the Demopolis District under the direction of the Board of Education.
3. That continued support be given in the support of ethnic minority ministerial students in order that a trained ministry be provided.
4. That a \$2,000 grant be given to Gulfside Assembly, Waveland, Mississippi to assist in their leadership role.
5. That all continue to support the ethnic minority local churches in their efforts to be the "Church" in their community.
6. We recommend that the Ethnic Minority Local Church be continued.

ALABAMA-WEST FLORIDA METHODIST FEDERAL CREDIT UNION

The Credit Union has had substantial growth this past year. It has now gone over the amount of one-half million dollars in assets. Currently we are paying 8% on shares deposited with the Credit Union. The dividends are paid semi-annually on June 30 and December 31. All ministers, their families, local church employees, and those working for United Methodist Institutions within the bounds of our conference are eligible to join the Credit Union.

A free life insurance coverage up to \$3,000.00 is provided on deposits made up to that amount if this is done before one reaches the age of 55. Less amounts of insurance are matched dollar for dollar. This reflects an increase of \$1,000.00 coverage since last year.

If you are not a member and desire to become one, you need only complete an enrollment card and make a minimum deposit of \$6.00 — one dollar is for an enrollment fee and five dollars purchases one share in the Credit Union.

POLICIES AND GUIDELINES FOR ANNUAL CONFERENCE REGISTRAR

Standing Rule 8 of the Annual Conference makes the Council on Finance and Administration the Committee on Arrangements for the Annual Conference Session. In keeping with this, the Council on Finance and Administration has selected one person as conference registrar to supervise registration of and assignment of rooms to Annual Conference delegates; handle calls for persons attending sessions; supervise displays and allocations of rooms for such; handle reservations for meeting rooms and for dining areas.

REPORT NO. 8

STEWARDSHIP RESPONSIBILITIES AND LOCAL CHURCH CONCERNS

1. The council believes that all apportionments are needed in the amounts apportioned. Further, the council believes that it is within the capacity of the churches to pay the apportionments in full. Great effort has been made to apportion more realistically and even greater effort will be made in the future to accomplish more manageable apportionments. We urge full acceptance and payment of all apportionments by each church.
2. We recommend that district superintendents establish suitable apportionments for new charges in harmony with the adopted basis for apportionments.
3. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and the council may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanations by the district superintendent to the church involved.
4. We recommend that local churches provide for the audits of local church records as provided in paragraph 266:3c of the 1980 Discipline. It is our suggestion that audits of local church financial books should be done by someone other than church staff and should involve others, though members of the Committee on Finance may be included.

REPORT NO. 9

DISCIPLINARY REQUIREMENT

Paragraph 714.1 of the 1980 Discipline requires the council to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts for which treasurers are bonded. The council recommends that the present policy of bonding be continued.

REPORT NO. 10

FORMULA AND ALLOCATIONS

1. We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% non-building budget (see Standing Rule 26), and that apportionments be determined by local church decimals applied to the cost of each ministry at the conference level.

2. It is recommended that the spring meeting of the council be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requests for information requested and required by the Council on Ministries.

3. We further recommend that apportionments be developed and distributed to each church in order that they may be used for development of local church budgets for the calendar year. A tentative apportionment schedule will be mailed June 27, 1984, to be reviewed for errors and corrections. A final apportionment schedule will be mailed August 30, 1984, to be used for budgeting purposes in the local church, after which no corrections will be made.

4. Attention is called to the closing of the books of the Conference Treasurer January 8, 1985. All funds to be applied to 1984 receipts *must* be in the office of the treasurer on that date.

5. Preparation of the Statistical Tables for 1984 shall be handled in the conference office. Report forms will be mailed in December to each local church from the conference office for reporting local church expenses. These forms are to be returned to the conference office by January 15, 1985, for preparation of the Statistical Tables on the computer.

REPORT NO. 11

MINISTERS MOVING EXPENSE

We recommend that upon retirement or disability the conference pay up to \$500 for documented moving expense to the first place of retirement or disability. This policy with special regard to the adequacy of the amounts is to be reviewed by the Council after careful examination of the annual experience.

WHEREAS our strength lies in the vitality of the local church and not in General Church agencies,

BOARD OF TRUSTEES OF THE ANNUAL CONFERENCE

June 1, 1983 to May 31, 1984

The Board of Trustees of the Alabama-West Florida Conference of The United Methodist Church holds title to the following bequests:

1. Norris-Allen Fund	\$44,000.00
2. C.B. Gilmore Fund	20,000.00
3. Hattie B. Norred Fund	25,000.00

These funds are invested with the Board of Missions of the Alabama-West Florida Conference and the income is used for scholarships by The Board of Ordained Ministry for students preparing for ministry or other full-time church related vocations. This is in keeping with the requests of the donors.

Mrs. Mary Lloyd Reynolds of Brantley, Alabama left 200 acres of land to the Trustees of our Conference. This land is to be sold and the proceeds invested with the income to be used for missions. The Trustees will execute the requirements of her will as soon as they receive the funds from the Executors of her estate.

The Conference Trustees encourage our Methodist people to remember the Church and the work of the Kingdom through gifts and bequests both while you are living and in your wills.

Thus the programs and institutions of the Church can carry on the work of Christ in YOUR name long after you are gone.

The Conference Trustees also hold title to the following real property:

- 1. Conference Headquarters Building, East Three Notch St., Andalusia, AL
- 2. Staff Parsonage, Valleyview Drive, Andalusia, AL
- 3. Staff Parsonage, Prestwood Bridge Road, Andalusia, AL
- 4. Staff Parsonage, Redbud Drive, Andalusia, AL
- 5. The Wesley Foundation Building, Auburn, AL
- 6. Wesley Foundation Parsonage, Auburn, AL

We have sought to keep our buildings in good repair and all are adequately insured.

At this writing the Trustees have inspected all the property in Andalusia and listed known needs. These are being cared for by the Executive Committee of the Trustees.

A person is to be secured to care for the grounds at the Headquarters.

A study is to be made of more efficient use of the Headquarters Building, needed improvements inside, and landscaping the grounds and repaving the parking lot.

Needed funds for the work of the Conference Trustees come from the Maintenance and Amortization Fund which is an asking from each local church. It is important that every church pay their asking so that we can adequately care for the property for which we are responsible.

John C. Carmichael, President

A CABINET VIEW OF THE SPIRITUAL STATE OF THE ALABAMA-WEST FLORIDA CONFERENCE

American Methodism began at Baltimore's Lovely Lane Chapel where sixty circuit-riding preachers met on Christmas Eve, 1784, to organize the church. From small meeting houses a few thousand members have grown into one of the largest mainline Protestant denominations in the United States today, with a membership of 9.4 million in the United States alone. Methodism was the first Christian denomination to be organized in America. In fact, America and Methodism grew up together. Horseback-riding ministers kept pace with the country's westward migration. These early heroic men of faith and vision carved out circuits, formed annual conferences, and established colleges. Without any formal creed, these early circuit-riders preached a faith in Jesus Christ as Savior and Lord. John Wesley believed that the true essence of religion is not to be found in correct theology, but in purity of heart. Methodists across the country are using the celebration of the bicentennial to address needs they see in the church today. They are "Claiming the past, Celebrating the present," and together this day we shall go into 1985 "Challenging the future."

During this session of the Alabama-West Florida Annual Conference all boards, agencies, and commissions will be re-organized for the new quadrennium. It is our prayer that they purpose within their hearts to lead us toward greatness as we march together into the third century of American Methodism.

And yet, it must concern each of us that only 81% of our World Service and Conference Benevolences was paid in 1983. There was also a net loss of membership in our conference numbering 415 in 1983, with the membership of the Alabama-West Florida Conference now standing at 129,979. There are 449 Pastoral Charges and 725 Local Churches. Our commitment to evangelism to reach the lost and unchurched, must be re-vitalized by both the clergy and the laity. However, we should all be encouraged that 2,639 persons were received on confession of faith.

During 1983, each of the nine districts involved both the ministers and the members of the Pastor-Parish Relations Committees in sub-district workshops to pilot a new evaluation process. A new instrument was prepared to enable both the pastor and the members of each PPR Committee to evaluate the effectiveness of ministry in their church or charge. We found this to be most positive and rewarding.

We wish to express our deep appreciation to Fred Zeigler and the Committee on Continuing Education for a fruitful year and a job well done. Each minister is required to earn eight Continuing Educational Units each quadrennium. Most of our ministers have stretched their vision, sharpened their scholarship, and enriched their gifts and graces because of this emphasis. We thank God for the vision of the laity in each church or charge who provide funds for their ministers to attend continuing education events.

This message would be incomplete were we to fail to declare the meaningful expertise Bishop Frank Lewis Robertson has manifested in guiding each session of our annual conference this quadrennium. His eloquent preaching, patience, and love continues to shepherd each of us through these days. His rich scholarship and his devotion to Christ and our great church have been an inspiration to all of us.

REPORT OF COMMITTEE ON COURTESIES

We gathered together on Sunday evening to celebrate our 200th birthday in the beautiful setting of Frazer Memorial's magnificent sanctuary. The very walls echoed our voices and blended with our Methodist ancestors as we sang the Wesleyan hymns of our early beginnings. Bishop Paul Duffey of the Louisville area, returned home, and with his usual polished eloquence in speech and expression, reminded us of the treasure of knowing God with certainty. And although his remarks stretched into a 6-point sermon outline, we could have stayed all night — well, at least another hour. We thank Dr. John Ed Mathison, his zealous, cordial lay people, the combined choirs of Aldersdate, First and Frazer Memorial United Methodist Churches for a memorable evening of celebration.

There have been many people in the support ranks whose preparation and presence have

really been responsible for the pre-conference paper preparation, physical comforts and orderly progression of our work. Among the many we would list, in a spirit of gratitude, are:

— Tom Shepard, and those who helped him as Registrar. Their responsibilities covered everything from roof repair to registration, and we are grateful.

— Elvin Edgar, who has served faithfully with diligence as Secretary for the *Journal*.

— Charles Langford and his assistants, who guided us through the varying and sundry details of business matters and recorded our decisions.

— James Webb, from the South Georgia Conference, who encouraged us all in discipline and devotion at the Monday evening Service of Ordination.

— Karl Stegall, Mrs. Marian Haggett and the ladies of the First Church, who hosted the lovely reception for the new ordinands and their families.

— Paul Ruark, Mary McFarland and Iris McGehee and the reporters, who gave to us fresh every morning, THE ADVOCATE ADDITION.

— Dr. Allen Jackson, and his accommodating staff, who were our gracious hosts for these days together.

— Bishop Robertson, who is in the home stretch toward an August retirement. Having come to Huntingdon as a shirt-tailed preacher from South Georgia as a guest speaker more than 30 years ago, he has now come to the completion of his career, presiding over our Annual Conference as the Episcopal officer of the church, and represents an enviable record of achievement. We thank him for sharing his life's energies with us during these past four years.

— A note of appreciation goes to Ellen Cadwell who prepared our center banner, reminding us of Wesley's statement that, "Best of all, God is with us," and the many United Methodist Women who created the colorful banners which have brought a silent, yet profound, message from our pluralistic heritage.

Dramatic presentations interspersed our business sessions, bringing to us information and inspiration. We are especially grateful to Norton Dill and *The Parable Players* of Vestavia Hills United Methodist Church of Birmingham for their stirring performance of "200 Years: A Methodist Odyssey," and *The Pulpit Players* of Huntingdon College in Montgomery, who stepped into our meetings as key characters of our past, reminding us of our rich and diverse heritage. We thank Mary Ellen Bullard who orchestrated the entire Bicentennial Celebrating from the tolling of the Bicentennial Bell to the belated benediction.

As the curtain drew to a close on this Annual Conference, there were audible sighs of relief from the many who have completed a quadrennium of shouldering responsibilities of our Council on Ministries work, as well as Districts and Boards and Agencies. But, even as we complete our work, there is heard a quite shuffling around as others begin to saddle up to ride with confidence into our Third Century proclaiming a Wesleyan witness to the Lord Jesus Christ.

Council on Finance and Administration
Alabama-West Florida Conference of
the United Methodist Church
Andalusia, Alabama

We have examined the statement of receipts, disbursements and transfers of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1983 and the statement of investments at December 31, 1983. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Council's policy is to prepare its financial statements on the basis of cash received and cash disbursed, consequently, certain revenue is recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in accordance with generally accepted accounting principles.

In our opinion, the accompanying statement of receipts and disbursements and statement of investments present fairly the recorded receipts and disbursements of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1983 and the investments held at December 31, 1983.

ROBERT LEE AMMONS

1915-1983

Robert Lee Ammons was born in Andalusia, Alabama on September 29, 1915. He was the youngest of four sons born to Bryant and Effie Lee Ammons.

He was raised in the Florala area of Covington County and attended Florala High School.

He married Dorothy Kilpatrick, who also lived in the Florala community, on July 10th, 1937 in Crestview, Florida. To this union was born Robert J. Ammons, of Dallas, Texas, Sharon Huitt of Dallas, Texas and Carol Gasaway of Dallas, Texas.

Bob and Dot had nine grandchildren at the time of his death.

He lived in Houston, Texas for 31 years where he drove a Trailways Bus for over 2,000,000 miles without a serious accident and his Company honored him for this fine record.

Bob joined the Community Baptist Church, when he was a small boy and remained a faithful member of that Church until the year 1943 when he joined The Methodist Church.

Following his retirement from Trailways Bus Company, he and his wife, moved to the Christian Home Community and attended the Church there until he came forward and asked to be licensed to preach in The United Methodist Church.

In the Spring of 1982 he was recommended for license to preach by the Florala Charge Conference. He was assigned to serve the Dixie Douglas Chapel Charge at the 1982 Annual Conference, where he served with distinction until May 24th, 1983, when he was called to the Church Triumphant.

We celebrated his home-going in Florala, Alabama on May 26th, 1983. His body was then laid to rest in the Florala Cemetery — to wait for the Lord to come for it.

I asked him what he longed for the most and he told me that most of all, he wanted to preach the word of his Lord and the second thing he desired was to become a "Master Mason."

He was permitted to accomplish both.

He left some big tracks across the south, where he lived and traveled.

The world is a better place because he came and lived those sixty eight years, and all who knew him are sad because he is gone.

WILLIAM RUFUS BAILEY

1901-1983

William Rufus Bailey was born July 17, 1901 in Franklin County, Georgia. His parents were James Henry and Nancy Ann McCarty Bailey of Franklin County, Georgia.

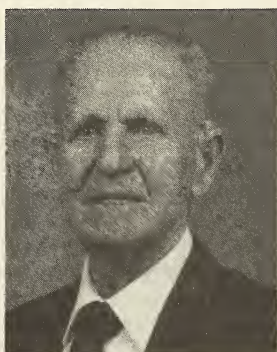

In 1922, William was married to Grace Andrews of Pensacola, Florida. To this union was born one daughter, Ann Elizabeth. His wife, Grace, preceded him in death in 1978.

After serving his country, in the United States Navy, he retired in 1945. Soon after retirement, Brother Bailey answered the call to the ministry. His first appointment was in Daphne, Alabama in 1952. He served several churches in the Alabama-West Florida Conference, having been ordained an Elder on May 31, 1956. He was retired from active ministry in 1963.

On June 17, 1980, he married Nettie Cooley of Pensacola, Florida. They attended Richards Memorial United Methodist Church and Baars Street United Methodist Church where he continued to lend his services wherever he was needed.

"Brother Bill," as he was affectionately called was loved by all who knew him for his warm and sunny disposition and ready smile. His sermons were effective as he believed in "telling it like it is."

On December 22, 1983, God called Brother Bailey to be with him in his heavenly home.

Funeral services were held in Richards Memorial United Methodist Church in Pensacola, Florida with Rev. Walter Albritton, Rev. Warren Lindsey and Rev. W.M. Chisholm officiating. Burial services were held at Pleasant Grove Cemetery in Pensacola, Florida.

Brother Bailey will be missed by all who knew him. He is survived by his widow, Nettie Bailey, one daughter, Ann Culpepper, and two grandchildren.

ALLEN SIM BANNISTER 1888-1984

The Reverend Allen Sim Bannister was born July 14, 1888, in Montgomery County, Montgomery, Alabama, the only son of eighteen children to Henry and Rosetta Bannister.

He married Victoria C. Cunningham of Montgomery, Alabama on October 10, 1935. Brother Bannister passed February 7, 1984 at Fairview Medical Center, Montgomery, Alabama, and was laid to rest in Madison Cemetery in Montgomery. He and Mrs. Bannister, his devoted wife, had a long and fruitful ministry in the Former Central Alabama Conference.

He served a number of churches across the state of Alabama. He served the Mantua Circuit in Green County, The St. Paul United Methodist Church, Montgomery, Metropolitan-Montgomery, Goodsell-East Gadsden, The Wedowee Circuit, Antioch-Attalla, and the Centre Circuit. He served six years as District Superintendent of the Montgomery District, served as pastor of Morning Star in Bessemer, Alabama.

Brother Bannister retired in 1961 at the Annual Conference that was held at Sweet Home, Gadsden, Alabama. After retirement, he and his wife went to live in Montgomery. He supplied several churches after retirement. He was a soft spoken and easy going man, a dynamic preacher. He was loved, honored and respected by all who knew him. He loved the brethren.

To cherish his memories are a devoted wife, Victoria C. Bannister, a daughter, Catherine I. Smith, three granddaughters, Victoria, Merily, and Valinda, a grandson, Hiram, a host of great-grandchildren and other relatives and friends.

Reverend Bannister experienced some very lean days in his early ministry, but was not given to complaining. He would say to us "Carry On."

I never shall forget a sermon he preached on the air. He climaxed his message by saying, "sometimes I fail, not because I did not try, not because someone bothered or hindered me, but God, being my helper, I weathered the storm."

*Sunset and Evening Star
and one clear call for me
May there be no moaning at the bar
When I put out to sea.*

ATHAL FORD BEASLEY 1910-1983

Athal Ford Beasley was born January 6, 1910 and died November 3, 1983. His funeral service was conducted by the Rev. Ben Sawada at Leak-Memory Chapel in Montgomery. His body was laid to rest in the Rose Garden of Greenwood Cemetery. He is survived by his wife, Nelle, one son, Edward M. Beasley and his wife, Mary Frances; two granddaughters, Amelia Ann Beasley and Lisa Rozyskie; one sister and two brothers.

Athal received his early education at Eldridge Baptist Academy. He attended Florence Teachers College, Jacksonville State University and Emory University. After a period of teaching school in Marion County, he moved to Montgomery in 1936, where he and his family united with the Capitol Heights Methodist Protestant Church during the pastorate of Dr. T.C. Casaday.

That great man of God had a profound influence on Athal. During the years at Capitol Heights, Athal was active in the music program, working with youth, serving on the

Administrative Board and on the building committee of the present church. For several years he participated in the lay speaking program.

His call to the ministry developed from his sincere faith and desire to serve God more effectively. He was licensed to preach in 1956 and was admitted to full membership in the Conference in 1964. His appointments included Carrville, Perry Hill, Sandy Ridge, Fort Davis and Notasulga. He will perhaps be best remembered for his assignment in 1957 to organize a new congregation in East Montgomery, the Perry Hill United Methodist Church.

In November, 1966, while at Notasulga, Athal suffered a near fatal heart attack and was retired on disability. After a period of recuperation he served churches in Boylston, Elmore and Pintlala. He was also associate pastor at Normandale for two years and at St. James for three years. In 1980 he had open heart surgery, and afterward became Chaplain at St. Margaret's Hospital for a year and a half. He was very happy and effective in that capacity until he was stricken with cancer which consumed his life.

I, his wife for 53 years, want to pay tribute to Athal for his devotion to God and his unceasing desire to be of service to God and humanity, in spite of physical deterrents. He was faithful to the end, constantly reading his Bible and witnessing to those who cared for him during his illness, and to those who visited with him.

LUNNIE BRADLEY CAPELL 1914-1983

Lunnie Bradley Capell was born September 11, 1914 in Magnolia, Alabama, to The Reverend Charles Wesley Bradley and Annie Majors Bradley. She was the youngest of seven children born to this Methodist parsonage family. At the age of three years she was stricken with rheumatic fever which destroyed one valve of her heart. The doctors told her parents that she would not live to be twelve years old. When she passed her twelfth birthday, the doctor said she could not possibly live to be eighteen years old. When she reached eighteen the doctors gave up and said no one could tell just how long she might live but that she would never have a normal life. She would not be able to go to college and could never be married and bear children. At this point in her life a spirit of determination began to develop and she made up her mind that she was going to do all of these things and more.

Having missed several years of school because of her illness, she graduated from Huntingdon College in May of 1940. During her college years she felt a definite call to some form of full time Christian service. She wanted to go to Japan as a missionary but she was reasonably sure that The Board of Missions would not accept her for this service on account of her heart condition. This door being closed, she surrendered her life completely to the guidance of God. She felt that she was within this guidance when she fell in love with Tommy C. Capell of Montgomery, Alabama. She and Tommy were married by her brother-in-law, Rev. R.I. Lawrence, in June of 1940 at Marion Junction, Alabama.

Lunnie resolved to dedicate herself to being the very best homemaker she could possibly be. In pursuit of this objective she gave birth to two beautiful daughters who in turn gave her five beautiful grandchildren for her to love and cherish. Lunnie was never happier then when mothering her own or somebody else's children.

This opened still another door of service. She realized the great need for dedicated teachers to help shape the lives of children and young people. When fulfilling the responsibility to her own family permitted, she became a school teacher and for fifteen years enjoyed a successful career of teaching in both private and public schools in Alabama.

In 1969 Lunnie had open-heart surgery for the placement of an artificial valve in her heart. Her recovery from this major surgery, the effect of which brought relatively good health, opened still another door. The urgent call to ministry returned and she determined that she would follow in her father's footsteps and become a Methodist Preacher. Her loving husband and devoted daughters gave her their wholehearted support in this worthy purpose. Only her District Superintendent and her brother sought to discourage her.

When she first declared her intention to me, I responded by saying, "Lunnie, it will kill you. Going back to school, study and preparation of sermons, riding a circuit, meeting appointments, dealing with the pettiness and human frailties of some laymen, bearing and sharing the burdens and sorrows of your parishioners, and ministering to the spiritual and material needs of your people will drain the life out of you." She stood straight and with a determined voice said, "If I die, I die in the service of the Lord Jesus Christ in the church of our father." Then I knew she could and would do what she felt she must, and from this moment I gave her my wholehearted support.

Responding to this call to ministry, she enrolled in Candler School of Theology at Emory University and attended the summer sessions for the required course of study. She was licensed to preach in Capitol Heights United Methodist Church, November 9, 1975. In 1976 she was received as a probationary member of the Conference and appointed to Mount Hebron Charge in the Dothan District. In 1977 she was ordained Deacon and appointed to New Bethel Church in Crestview in the Andalusia District. In 1979 she was appointed to McKenzie Charge in the Andalusia District. Fulfillment of a lifetime dream came in 1980 when she was received into Associate Membership in the Alabama-West Florida Conference.

But alas, it could not be. The stress of active ministry and the cumulative effects of a lifetime of illness began to take their toll. The doctor's advice of immediate retirement was reluctantly accepted in 1981. After serving McKenzie for two years, she retired to her home in Montgomery.

Lunnie's life from infancy was one of struggle and victory. While the vicissitudes of life brought ills to which human flesh is heir, her spirit soared in a vast experience of the love of God. She knew agony and ecstasy, depression and glory, denial and fulfillment, despair and hope. Her favorite passage of Scripture was the eighth chapter of Romans on which she based her whole experience of life. Here she found solace in deep sorrow and comfort in incredible suffering. Here she found assurance of infinite love and amazing grace for redemption. "When we cry, 'Abba! Father!' it is the Spirit himself bearing witness with our spirit that we are the children of God, and if children, then heirs, heirs of God and fellow heirs with Christ. ... Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? ... No, in all these things we are more than conquerors through him who loved us. For I am sure that neither death, nor life, nor angels, nor principalities, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord."

Because of this sure foundation, Lunnie had a unique capacity to minister to families burdened with sorrow, to all who were bowed down with trouble, and to souls lost in the abyss of separation from God. She called upon all her hearers to come to the source of all healing, the Love of God. Her favorite text was, "Love the Lord your God with all your heart, and with all your soul, and with all your mind, and with all your strength; and love your neighbor as yourself." She preached with conviction, sincerity, and integrity because of her own experience of the Love of God.

William Allen White said, "God always leaves an unfinished task on the workbench of the world." Lunnie had only five years of active ministry as a pastor in which she made her contribution toward the perfection of the Kingdom of God on earth, but that ministry continues to work in the hearts of those to whom she ministered. One of the last things I heard her say was, "God is not finished with me yet." As God did not lose her in giving her to us, so we have not lost her in returning her to God.

Lunnie went home to The Father on October 30, 1983. Her Memorial Service was held in Whitfield Memorial United Methodist Church on November 2 and was conducted by The Reverend Torrence Maxey, The Reverend David Chunn, and The Reverend John Lane. I have never known anyone who ever gave more to life or ever got more out of life than did Lunnie Bradley Capell.

DANIEL NORTON GUY**1899-1983**

Daniel Norton Guy was born March 30, 1899 at Cottonwood, Alabama. He married Grady Bell Shelley October 25, 1919. To this union seven children were born, five sons and two daughters. He is survived by his wife, three sons — Daniel E. (Danny), Dempsey D., and Herman P.; two daughters — Mrs. Edna Wiggins and Mr. Ruth Goldberger.

Brother Dan entered the ministry late in life. He began his ministry in 1946 in Black, Alabama. He also served Altha, Fla., Wausau, Fla., Coden, Ala., Ponce de Leon, Fla., Alford, Fla., Bruce, Fla., Highland Park of Panama City, Fla., Freeport, Fla., Cedar Hill of Brewton, Ala., and St. Stephens, Ala.

He retired in 1965. He moved to Marianna, Fla., and lived there the remainder of his life.

Brother Dan loved his people very much and was loved by them in return. He was both a good preacher and pastor, always concerned about his people. He was a good husband and father. He loved his family and always remembered them. They also had the greatest of love and respect for him.

I knew him as a fellow minister in the conference and counted him as one of my best friends. I knew him as my parents' pastor, and was his pastor (as he called me) at Grace United Methodist Church, Marianna, for almost four years. No retired minister could have loved the church more or been more loyal to its pastor than Brother Dan. The whole church loved him and he is really missed by us all. He often spoke to me about his other home. Brother Dan is now there waiting for us.

WILLIAM MELVIN HAAS, JR.**1919-1983**

William Melvin Haas, Jr., was born March 1, 1919, in Mobile, Alabama. Bill and Barbara Faye Price were married on January 29, 1955. His children are: William Melvin III, Pamela Lynn Sanford, and Harry Price.

For years Bill was a successful businessman, but in 1964 he surrendered his life to God for the Christian ministry. This required him to return to school as well as to serve as a student pastor. It was not easy for a man in his forties to do all that was required of him. He did it because he was certain of his call from God. With singleness of purpose he completed college and seminary, at great cost, because he was so grateful for God's amazing grace which changed his life.

Bill became a local pastor in the Methodist Church in 1964. In 1970 he was admitted to the Conference, and in 1973 he was received into full connection. He was ordained a deacon in 1970 and he was ordained an elder in 1973.

His service record includes Summerdale; Student at Duke Theological School, where he served Bethlehem and Shady Grove; Grace Church in Marianna, Florida, along with Cottondale; Gilbertown Larger Parish (Al.); Flomaton, Al.; Chisolm, Al. He retired on disability on October 1, 1979.

In 1964 he began serving his first church in Summerdale. Soon people of the community beat a path to his door. They found that he would give a helping hand, no matter what the need, nor status in life, nor creed, nor race. He jolted complacent church members into a realization of the needs of people at their very "back door." He brought an awareness of the acute needs of migrant workers, heretofore ignored, to the consciousness of Baldwin County Christians and thus was instrumental in initiating the Migrant Ministry.

Bill and his wife Barbara led a ministry of help and healing to persons of a nearby black community, enabling the children to receive a better education, the women to learn to cook and sew, men to obtain better jobs, and instilling a sense of hope and self-confidence in the people.

Three other ministries were developed later as a result of Bill's intense Christian leadership — again in the awareness of needs. Two church members were instrumental in obtaining the SAIL program (Senior Activities for Independent Living) for Summerdale. The lunch program proved to be a lifesaver for many of the elderly. With the help of Bill's successor, members of

the congregation participated in forming a chapter of CONTACT Teleministries in nearby Foley and establishing the Baldwin County Mental Health Center.

Bill's life was consumed by his special love for Christ as it was poured out in service to others. His fierce willpower was a result of this agape love. He was driven by it. The long hours of study, the endless hours of labor of love were the results of this strong love. His body was weak but his will, his love, were strong.

In spite of physical problems most of his life, Bill Haas kept the pace until it became impossible for him to do so any longer. His indomitable spirit was evident in his last illness.

Bill Haas died on June 28, 1983. His funeral service was held at South Brookley United Methodist Church, led by the Reverend Billy D. Gaither. The people give thanks to God for allowing their lives to be touched by Bill Haas.

ROBERT LEE HAGOOD 1918-1983

"Out of the love of God for man, from the struggle of man to find God, has been built the highway of life. It is the Road To Calvary. The silence of eternity washed the unborn shores of the universe and darkness was upon the face of the deep. Over the void yearned the creative spirit of the Divine. For there was, in the beginning, God."

These words were written thirty-five years ago by Robert Lee Hagood as the introduction of the Easter Pageant "The Road To Calvary." This pageant is held annually at The Mound State Park, Moundville. This phrase aptly expresses the lifelong philosophy of Robert Lee Hagood, who was a Methodist preacher of distinction, dedication, and keenness of perception as to the potential of individual Christians and of the local congregations he served.

First in this philosophy is the love of God for mankind. Robert knew this love in his own heart and he understood it in the largeness of his mind. He responded to this love with the fullness of his life. Robert knew God's love to be stern but yet tender and saving.

Second in this philosophy is the struggle of man to find God. It was precisely here that Robert Hagood sought to join hands with God in being of help to persons in their struggle upward. Robert realized constantly that he was himself making this struggle to find God, but always he sought to touch the lives of others, making their struggle more meaningful and more certain. In other words, Robert Hagood joined forces on the side of God and goodness and against the "powers of darkness" that are evident to sensitive minds and souls.

Thirdly, it was upon "the highway of life" that God's love for all persons comes into the struggle for personal and racial betterment. It was upon this highway of life that Robert Hagood fought the good fight of faith. Here he participated in the ongoing and upward struggle of humanity. His nature denied his having any of the feelings of the safety of the cloister. Upon the highway of life he lived out his days. Here Robert preached his gospel, performed his pastoral duties and executed his managerial activities as a Methodist preacher and as a servant of God. It was with keenness of mind, with vigor and with compassion he perceived the truths of the Christian gospel; and he presented these truths and exercised their implications among the people he served. Robert Hagood died as a Christian who served his Lord as a United Methodist preacher.

Robert selected, as the closing hymn of the Easter Pageant, "The Road To Calvary," "Sing With All The Sons of Glory." This glorious hymn is set to equally glorious music of Beethoven's "Hymn of Joy." This verse expresses Robert Hagood's victory in death.

*"Sing with all the sons of Glory,
Sing the resurrection song!
Death and sorrow, earth's dark story,
To the former days belong:
All around the clouds are breaking,
Soon the storms of time shall cease,
In God's likeness, man awaking
Knows the everlasting peace."* (William J. Irons)

Robert Lee Hagood was born December 12, 1918 in Arkadelphia, Al. He died July 8, 1983. He is buried in the Oak Hill Cemetery, Prattville, Al. His father was Benjamin Albert Hagood, His mother was Effie Savannah Pate Hagood. Robert was married to Elizabeth Virginia Shackelford, May 21, 1938. To Robert and Virginia were born five children: Elizabeth Virginia (Mrs. Richard D. Tucker), Bonnie Shackelford (deceased), Mary Martha (Mrs. Carlton Rhodes), Robert Lee, and William Albert. There are five grandchildren and one great-grandchild.

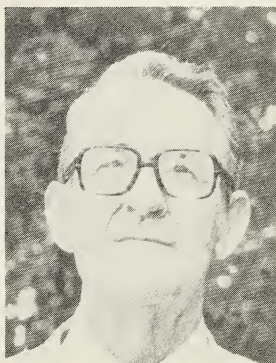

Robert graduated from Birmingham-Southern College in 1939 with an A.B. Degree. He graduated from Vanderbilt School of Theology in 1941 with the B.D. Degree. He returned to Vanderbilt for graduate study in 1968. He was admitted on trial into the Alabama-West Florida Conference in 1939 and transferred to the Tennessee Conference in that same year. He was ordained Deacon in 1940 and ordained Elder in 1941 and admitted into full connection. He transferred into the Alabama-West Florida Conference in 1946. The following are the appointments he has served: 1936, Oxmoor-Shannon, North Alabama Conference; 1939, Leoma, Tennessee; 1940, McEwen, Tennessee; 1942, Epworth-Trinity, Tennessee; 1943, Alexandria-Watertown, Tennessee; 1944, Decherd, Tennessee; 1946, Sweetwater; 1947, Moundville; 1950, Foley (where he began the Galilean worship service at the beach); 1954, Atmore; 1958, Fort Walton Beach; 1962, Milton; 1963, Trinity, Opelika; 1964, Pleasant Valley; 1967, Sabbatical; 1968, Chickasaw; 1971, Livingston; 1974, Luverne; 1975, Slocumb; 1978, Samson; 1979, disability leave.

ZELL GASTON POPE 1898-1983

Brother Zell was born February 8, 1898, in a community called County Line where Butler and Lowndes Counties join. His parents were John William and Clara Lester Pope. At the age of nine his family moved to the Sandcut Community of Butler, where he lived until he married Jewel Wesley of Bolling. Bolling became his home for the remainder of his 85 years.

While always active in the church, he gave credit to Brother Sam Hudgens for getting him started in the ministry by helping organize community prayer meetings and sending him out as a lay speaker. His first appointment was the finishing of the conference year for the Reverend N.P. Culp of the Georgiana Circuit, whose wife had become ill. At the age of 62 Brother Zell retired from Postal Service to give full time to ministry. He never took a vacation. His fifth Sundays he spent going to see his children, Phillip Wesley Pope and Jane Pope Blake. He did attend the Bethlehem Camp Meetings at Bonifay, Fla., each summer and rendered valuable service there. Of the more than 40 years which he spent in the ministry, more than half of it was spent with the Bolling Circuit.

At his funeral July 5, 1983, Dr. J.B. Nichole, his former District Superintendent, said in part:

"There was a man, sent from God, whose name was John. He came to bear witness to the light, that all might believe through him — John 1:6.

When a man has been born into a family whose parents love God and serve him in his church, and is set in the midst of godly sisters and brothers —

When a man is blessed with a good education and has fellowship with upright kinswomen and kinsmen and with many wholesome friends, and he finds a capable, industrious and loving wife, with whom he rears a splendid family of children and grandchildren,

And he finds an occupation that serves his government and his neighbors as a deliverer of communications, and is at the same time communicating Christian joy and counsel as he goes round and about the country,

And he feels the call to Christian discipleship early in his life, a call that blossoms into the call to preach the Gospel and serve in the ministry of word and Sacrament,

And he subsequently spends forty years as a lay pastor, a shepherd of souls,

And, finally, lives lovingly and happily beyond three-score and ten, and comes at last to die at the age of eighty-five years —

What can anybody say, but "Hallelujah!" That, in English, is "Praise God!"

There was a man sent from God, whose name was Zell. He came for testimony, to bear witness to the light, that all might believe, through him."

Dr. Nichols went on to say:

"I have never known any layman to exceed or even to match what this dear man has done. In a beautiful and effective manner he has blended *clerical* and *laical* aspects of ministry — preaching and pastoring, often plowing back into his work more than he received in salary, serving in small congregations as though they were First Church Jerusalem, and always with his understanding and supporting companion, a real Jewel, at his side.

Especially let the worshipers who come into this House of God at Bolling remember their obligation to this godly friend of us all, for he was not a peddler of God's word, but a man of sincerity, commissioned by God."

OMAR HIRAM VANLANDINGHAM 1900-1983

Omar Hiram Vanlandingham was born December 9, 1900, in Geneva County, Alabama and died November 17, 1983 in Pensacola, Florida following an extended illness. He was the oldest of eight children born to John Henry Vanlandingham and Else Whitaker Vanlandingham.

He was married for over fifty-six years to Katie Hughes, who continues to live in Pensacola, Florida. Their four children include Wilda Clark who died in 1962, Nelda Willis who lives in Louisville, Kentucky, Reverend Randall A. Vanlandingham who is a member of the North Alabama Conference and is now Minister at Ninth Street United Methodist Church, Decatur, Alabama, and Rebecca Taunton who lives in Pharr, Texas and is a missionary in Mexico. Randall and Rebecca are twins.

Bro. Vanlandingham attended Asbury College and was admitted into the Alabama-West Florida Conference in 1925. He served for 36½ years before retiring in 1962, including 10½ years in the Tennessee Conference. He later served several years as a Retired Supply Pastor.

Bro. Van was part of a family of ministers. At the funeral of a relative, a few years ago, a count was taken to see how many relatives in the family were ministers. A total of seventeen were counted at that time. Two of the closest relatives in this Conference were a brother, Rev. A.H. Vanlandingham, and a brother-in-law, Rev. W.J. Hughes, who has already gone home.

Bro. Vanlandingham was a strong believer in the scriptural teaching of the need for Christians to be filled with the Holy Spirit. He preached and taught this experience as emphasized by John Wesley. He was a strong supporter of camp meetings where this experience was preached. He was active from the beginning in Bethlehem Camp Meeting, near Bonifay, Florida, and served as its President for several years. He enjoyed preaching in revivals and camp meetings.

People in the churches where Bro. Van has served remember his strong Biblical preaching, his sincere concern for all people, and a custom he had of kneeling by the pulpit each Sunday morning to offer the pastoral prayer.

The funeral service for Bro. Van was a service of celebration of life. It was held on November 19, 1984 at Saint Mark United Methodist Church in Pensacola, Florida, with the Pastor, Rev. John W. Bryan, in charge. Assisting in the service were Rev. Henry Grayson, Rev. Percy Jernigan, and Rev. Randall Vanlandingham.

On the day of Bro. Van's funeral one of the nurses who had cared for him brought the following poem to Mrs. Van:

DON'TS

Don't spend too much time in mourning,
Tears are for the sad;
I left to be with Jesus,
And this should make you glad.

Don't waste your hours in grieving,
No need to feel distress;
I'm tired of life's frustrations
And had to get some rest.
Don't vex yourself with questions
Or try to reason why.
Life here for me was ended;
It came my time to die.
Don't lose the love I gave you,
Feed it with your care,
Grow it with devotion
And spread it everywhere.
Don't fret because my leaving
Came in such a way;
We'll have another meeting
In God's eternal day.

Christians never say goodbye for the last time. So to Bro. Van we say, "Goodnight, we'll see you in the morning."

DANIEL CLEVELAND WHITSETT 1909-1984

Daniel Cleveland Whitsett (Dan) was born July 12, 1909 in Millry, Alabama and served 10 churches in the North Alabama and Alabama-West Florida Conferences during his active ministry.

He was the son of Rev. John Allen Whitsett, who served many years in the Alabama Conference and the name Whitsett is well-known and loved the length and breadth of Alabama and West Florida because of the service rendered by these two men of God.

Dan was graduated from Birmingham-Southern College and Duke University. In 1953 he was awarded the honorary Doctor of Divinity degree by Birmingham-Southern College and in 1974 was the recipient of the first distinguished alumni award by Duke University Divinity School.

Married to the former Julia Shell, of Georgiana, Alabama the couple was among the most beloved of the Methodist ministry wherever they served, beginning with the Shady Grove United Methodist Church in Pike County. Then followed pastorates at Chisholm, Montgomery area where Dan doubled as the Director of the Conference Board of Christian Education; Demopolis First; St. Mark's in Montgomery; Marianna First; Sylacauga First; Harvard-Epworth in Cambridge, Massachusetts; St. Andrew's in Panama City; Pensacola First; and Andalusia First, where he retired in 1974 after 40 years in the ministry.

But, retire he did not! He was named as the Director of Church Relations and Financial Planning at Huntingdon College and for 10 years served in this capacity of securing scholarship funds for students. He was acclaimed by many for "saving Huntingdon College," as student enrollment at the institution had fallen to an all-time low and through his efforts funds were raised to establish scholarships for deserving students.

His longest pastorate was Sylacauga First where he served from 1947 until 1958. It was there he initiated the "Forward Movement Program" which included three gigantic phases of building development which comprises today's complex representing an investment of more than \$4 million.

He spent five years, 1958-1963 at Harvard-Epworth United Methodist Church adjacent to the Harvard University campus, having been called to that appointment by Bishop John Wesley Lord and he returned to the South because of his deep love and attachment to this region.

He died on March 21, 1984 in Jackson Hospital, Montgomery after an extended illness during which he demonstrated to his family and wide circle of friends not only a determination to serve his Lord to the end, but also portrayed a beautiful ritual of how a Christian may die. To

his last days on this earth, he maintained a sense of humor seldom witnessed, always seeing the best side of everything and he left humorous messages to be opened upon his death. One, a suggestion that "in lieu of flowers, you may wish to request memorials to go to the student scholarship funds at Huntingdon College," and then he added, "remember, too that I do have six grandchildren."

He had some tumultuous days during his ministry. In the early days of racial unrest when integration was effected in the South, he was in the forefront of those who spoke for the repressed. He served as Chairman of the Alabama Council on Human Relations and was widely respected across the country for his leadership role in the fight to establish better race relations in Alabama and the South.

He and Julia are the parents of three children, a daughter, Mrs. Margaret W. Abrames, Plantation, Florida; two sons, Daniel C. Whitsett, Jr., Huntsville, Alabama, and Dr. Stanley F. Whitsett, Calgary, Alberta, Canada. There are six grandchildren and three brothers, Charles E. Whitsett, Mobile, Alabama; W. Gavin Whitsett, Louisville, Kentucky and Paul T. Whitsett, Jackson, Mississippi.

Funeral services were held at First United Methodist Church of Montgomery on March 23, 1984 with Dr. Allen K. Jackson, President of Huntingdon College officiating. He was assisted by Bishop Frank L. Robertson; Rev. John Lane, District Superintendent of the Montgomery District; Rev. Welton Gregory; and Dr. Karl Stegall, Minister, First United Methodist Church of Montgomery. Interment was in Evergreen Cemetery, Sylacauga, Alabama.

A Tribute To The Rev. Dan Whitsett

The passing of Dr. Dan C. Whitsett, "Brother Dan" to those who knew and loved him in this congregation and city reminds us once again that nothing is immovable, indispensable nor eternal except the Almighty.

Reverend Betts paid a beautiful tribute last Sunday morning to the man who has meant so much to the First United Methodist Church of Sylacauga. It was outstandingly captured by one who loved "Brother Dan" as did thousands who came under his influence. He was one in a long line of outstanding ministers to serve this church, singular perhaps because it was under his leadership that the present physical plant became a reality.

In 1953, on the occasion of the 100th Anniversary of our church, he said, "Our people are not ready to rest on their laurels." This week, as the members finished paying over a quarter million dollars on the newly dedicated Education Activities Building the one voice seemed to be — "When do we start on the sanctuary?" And, so the "Forward Movement Program" continued with "Brother Dan" as the catalyst. Today, a three phase program of building is complete reflecting an investment of some \$4 million.

Reverend Betts pointed out that "Brother Dan" did not put great emphasis on monuments in stone alone, but worked at building up the Kingdom of God through the winning of souls to Christ. This is most descriptive of his life on this earth.

Another generation now lives which never knew this faithful servant of God, yet, his contribution to this church, this community, state, indeed to our present world have preceded him so that he is revered by those who knew him not, yet are aware of his having been in our midst.

Twelve families were re-located to America by his direction, the church assisting in seeing these displaced persons from Austria, Czechoslovakia, Kuwait, Turkey and other far-flung corners of the globe find a new life in Sylacauga. He led the way in the opening of doors for the human rights of those who had been repressed and he never shrank from the call of his conscience to assist the downtrodden.

Loving and forever kind, courageous and steadfast, ever courteous and always forgiving, he never lost his sense of humor — even in the days preceding his death, leaving humorous notes among his instructions for his last rites. These trademarks, combined with the outstanding trait of being able to lead others in a forceful and constructive way, made him a unique individual who leaves an indelible impression on all who came under his influence. Even those who disagreed with his ideas seldom questioned his motives.

The world can ill afford to lose men of the caliber of "Brother Dan." Reverend John Ed Mathison of Frazer Memorial United Methodist Church in Montgomery said to his three Sunday morning congregations last week, "Methodism has lost a giant" and certainly, in Sylacauga there are those who would say "Amen" to this statement.

But, when it happens it becomes our task to take up the gauntlet and using all our energies strive to become a bit of what he was about. This would be pleasing to him, one who always

endeavored to pass on to others all the good he was able to muster for the ongoing of His kingdom.

I shall miss him, as you will, but I hope I'm a better person because of the opportunity of knowing and loving him. We can do no less than honor his memory by constantly striving to do our best for Him.

EVA BAKER GLENN 1893-1983

Eva Baker Glenn was the widow of the Reverend Bascom Clay Glenn, Jr., a minister in the Alabama-West Florida United Methodist Conference. She died July 2, 1983 after a long illness at her home in Troy, Alabama, and was buried in the Family Plot along with her husband, parents, sisters and grandparents in the Louisville, Alabama Cemetery.

Eva Baker Glenn was married to the Reverend Bascom Clay Glenn in 1911. Their first charge together was the St. Stephens Road Methodist Church in Mobile, Al. Her husband preceded her in death by more than thirty years. They had no children.

For forty years Mrs. Glenn shared her husband's Methodist ministry fully and happily. She was a beautiful person and had literary and musical talents which had an important place in their lives. She made the many parsonages in which they lived throughout all the years attractive in the home, and her beautiful gardening added to the charm of their homes. Their Methodist parsonages became a place for gracious and generous hospitality.

In the ministry of the Glenns they served throughout the Conference in Alabama and in Marianna and Pensacola, Florida. After her husband was District Superintendent of the Troy District, he retired, and they chose to live in Montgomery. Upon his death, she returned to Troy, where she had sisters and built a home next door to the one sister who now survives her, Mrs. James Robert Shirley.

Eva Baker Glenn was the daughter of Dr. and Mrs. Calvin Wesley Baker of Louisville, Al., who were descendants of pioneer Alabama settlers who came into the newly opened up area from South Carolina before Alabama became a state in 1819. She was reared in a church oriented home where her mother and her six sisters were all devoted church women. The same devotion can be said for her nieces and nephews.

Mrs. Glenn is survived by three nieces and two nephews: Mrs. John Berry Clifton, Atlanta, Ga.; Mrs. James Joseph Albares, San Diego, Ca.; Mrs. James Howard Gullage, Dothan, Al.; Frederick Norman Stephens, Louisville, Al.; Bertram Baker Norton, Murfreesboro, Tn. Many great and great-great nieces and nephews all mourn her passing.

LUDIE WOODHAM HUGHEN 1902-1983

Mrs. B.I. Hughen was born Ludie Lee Woodham on December 31, 1902 near Samson, Alabama in Geneva County. She was the daughter of Martin Monroe (Bud) Woodham and Julia Greene Weeks Woodham. She had one brother, Roy Martin Woodham.

Ludie Lee Woodham joined the Methodist Episcopal Church South in the Summer of 1912 at Center Ridge on the Coffee Springs Circuit of the Dothan District, Alabama Conference. Coffee Springs is in Geneva County.

She received her elementary training in the public schools of Geneva County, Alabama, and graduated from Coffee County High School, Enterprise, Alabama. She received her secondary education from Troy Normal, Troy, Alabama in Pike County.

Ludie Lee Woodham and Bennett Ivan Hughen were married

December 27, 1921 at the home of Ludie's aunt, Mrs. Henry S. Nichols. Mrs. Nichols' husband, the Rev. Henry S. Nichols (Baptist Minister) was the officiating minister. Witnesses were Mrs. Nichols, Max Nichols, the bride's cousin, and Roy M. Woodham, her brother. The couple had one son, Bennett Ivan Huguen, Jr., born in Birmingham, Alabama on April 1, 1926, who resides with his wife, Minnie, in Andalusia, Alabama. There are two grandchildren and three great grandchildren.

Ludie Huguen was a Public School teacher, a Private School teacher and a wonderful homemaker.

Brother and Mrs. Huguen served many years together in the Methodist ministry, and they were loved and supported by all whom they served. There are several qualities which characterize Ms. Ludie's life.

The first and most important quality in her life was LOVE. She loved God with the deepest devotion. She loved her family tenderly and sacrificially, and her love for the Church was an inspiration to all who knew her. She especially loved Methodist ministers and their families, but her special love for Methodists did not minimize her love for the entire human family. She was a great lover of people. Her last words to her good friend, Mrs. Lawrence, were, "Kiss me on the forehead, dear, I'm so ready and Jesus may come before you return. I love you."

The next great quality that characterized her life was JOY. Ms. Ludie was one of the most joyful Christians that I have ever known. Her laughter was contagious, and the exuberance of her life was manifest even in the years of declining health and suffering. She always had a warm Christian greeting for everyone.

Carol Kinney of Wesley Manor said of her. "Ms. Ludie Huguen was a very special person to me. She was always bright and cheerful."

Another quality that so characterized her life was HUMOR. Whenever you visited Ms. Ludie, you never left without having gotten a good laugh about something. She could take the very ordinary things of life and generate fun. She spent her last days in Wesley Manor retirement home at Dothan, and in her declining years with much laughter she would say, "The ladies of Wesley Manor are the wealthiest in Dothan. They have silver in their hair, gold in their teeth, and gas on their stomachs." Such quips were very characteristic of her life to the very end.

Her funeral was August 17, 1983, in the Chapel of Foreman Funeral Home in Andalusia, Alabama, with the Rev. Lester Spencer, Pastor of First United Methodist Church, Dothan, Alabama and the Rev. Robert L. Wilson, Pastor of First United Methodist Church, Andalusia, Alabama, conducting the service. Dr. Wilbur L. Walton led the prayer. Mr. Henry Roberts, Administrator of Wesley Manor, sang at her request. She was buried beside her husband, Brother B.I. Huguen, who departed this life on February 23, 1968.

A person like Ms. Ludie will never die in this world nor the world to come. She has become so much a part of the lives of all who knew and loved her that all the beautiful qualities of her life will live on in us. When she passed from our midst, I thought of these words:

*"I know not how long my life will last,
But I only hope that when it is past,
Someone will smile and shed a tear,
And feel with assurance that Heaven is near."*

JENNIE LEONA TRIMBLE LYNCH

1886-1983

On October 20, 1886, a baby girl was born in Cullman County, Alabama to William Sidney and Julia Rollins Trimble. She was given the name Jennie Leona. At the age of thirteen, Jennie Leona joined the Sharon Grove Methodist Protestant Church near Cullman, but the thing that linked her so closely to Methodism for almost a century was her marriage on October 12, 1903 to Pickney A. Lynch. Sixteen years after their marriage, Mr. Lynch entered the Christian Ministry through the Methodist Protestant Church; and fourteen charges were to be blessed by the warm love, deep commitment, and challenging Christian ministry of this fine couple in both the Methodist Protestant and Methodist Churches.

To this union, five children were born: H. Oren Lynch, who preceded his parents in death in January of 1942; Mrs. Opal L. Fannin, Goshen, Alabama; Reverend Robert L. Lynch, Opelika, Alabama; Mrs. Rachel L. Rodgers, Brundidge, Alabama; and Martin Lynch, Pensacola, Florida.

This fine, Christian lady was an inspiration to all who knew her; she was a tower of strength to the weak; she was a true friend to the lonely and friendless; she was a source of genuine comfort to those in sorrow; she was never too busy to care, and never too tired to try to lift a burden; and these noble traits were expressed in such a humble and unassuming manner. Her devotion to, and love for her husband and her children was second only to that shown her Lord, and expressed in a lifetime of service to her Church.

Funeral services were held on October 29, 1983, at the Brundidge United Methodist Church where Mrs. Lynch had been a member since her husband's retirement, and where she had attended regularly until a few months prior to her ninety-seventh birthday. These services were conducted by her pastor, the Reverend Bruce Fitzgerald and Dr. Cecil E. Bradley. Her body was laid to rest next to her late husband in the Lakeview Cemetery in Brundidge to await the resurrection; but, her spirit was commended to God who must have awaited her entrance into that "City not made with hands" with those welcomed words, "Well done, thou good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of the Lord."

NONNIE THRASH MABREY

1907-1983

Mrs. Mabrey was a native of Chilton County where she lived most of her life. She met her husband, the late Reverend Solomon Frank Mabrey, when he came as pastor to the Jemison Charge. Later they moved to north Alabama where their daughter, Ruby Louise, was born. Their stay there was shortened by the illness and death of Mr. Mabrey, causing Mrs. Mabrey to move back to Jemison and the home of her parents and brother, C.T. Thrash.

Mrs. Mabrey received spiritual guidance from her parents and remained active in the Rocky Mount United Methodist Church as long as she was able. Through diabetes she became totally blind and suffered the loss of both legs. After the death of her parents, she was under the care and sponsorship of her brother, C.T. Thrash. She was buried at Rocky Mount at the age of 76. Her survivors are her daughter, who lives in Houston, Texas, and her brother.

SARAH ALICE CARROLL TATE

1891-1984

Sarah Alice Carroll was a young active member of Stewart Avenue Methodist Church in Atlanta, Georgia, when an Emory University student, Henry L. Tate came as student pastor to her church. With their marriage this couple formed a team that for many years served the Methodist Church in Alabama. In his Memoir Rev. Tate was described as one of the most gifted, trusted men of the Alabama-West Florida Conference: Dean, Registrar, Secretary, Treasurer, and the first Financial Secretary of the Conference. Mrs. Tate assisted him in every capacity.

To this couple were born two children: Virginia and Henry Lanford, Jr. Virginia is now Mrs. Henderson Herod of O'Fallon, Illinois; Henry lives in Rockville, Maryland. Both are talented and active in the ministries of the Methodist Church. Mrs. Tate also had three grandchildren: Alan H. Herod, Elizabeth Carroll Herod, and Jeffrey Brian Tate.

Mrs. Tate was a strict disciplinarian in her home. The family had to be on time for meals three times a day. Yet, in her busy routine, she had time for kindness and beauty at home. Her children's friends were welcomed even when brought home unexpectedly for meals. Her yardworker, Les, also was served as the family. Mrs. Tate had a garden, and flowers were always in evidence in the house. She was not especially fond of cooking but did manage to remember her neighbors with fresh-baked cake on special occasions.

In the many charges where Rev. Tate served, Mrs. Tate also served. She taught Sunday School classes, held office in the Missionary Society, joined the Garden Clubs, collected contributions for charities in her neighborhood, even in her last years. During her membership at Aldersgate in Montgomery she was twice President of the Woman's Society of Christian Service. She was a regular attendant at Sunday School and Church services. Very independent in spirit, Mrs. Tate was alert to the news of the day, kept a keen sense of humor, insisted on managing her house alone, and still touched her many friends with joy, day after day, by telephone. She will long be remembered with love and admiration.

FANNIE WRIGHT TURNER

1898-1984

Mrs. Fannie Wright Turner was born in Shreveport, Louisiana, to the parents of Joe and Mira Wright, November 21, 1898.

She joined Fairfield Methodist Church at an early age. While matriculating at Wiley College, she met the late Reverend Walter Lee Turner, whom she later married.

They became involved in Missionary work in many foreign countries, and lived in Africa for several years. After returning to the United States they made their home in Birmingham, Alabama. She was dutiful in her church duties with her late husband, who served as pastor of the Saint Paul United Methodist Church, Downtown Birmingham, Alabama; Warren Street, Mobile; St. Paul, Montgomery. For six years he served as District Superintendent of the Huntsville District in the Former Central Alabama Conference. Mrs. Turner was a devoted wife to her husband as they served the church together.

Mrs. Turner was the first President of the Women's Society of Christian Service of the Former Central Alabama Conference. After her husband's death, she continued her involvement in religious, social and educational activities, including matron at the Eighth Avenue Y.M.C.A., substitute teacher in the Jefferson County Public System and Miles College, Birmingham, Alabama.

She maintained active membership in Zeta Phi Beta Sorority, Periclean and Twentieth Century Clubs. Her church affiliation following her husband's death was with the Enon United

Methodist Church, Birmingham, Alabama. She was a member of the National Juvenile Society and Youth Council of the F.A.A.Y. Masons, where she worked faithfully for 36 years.

After living in Birmingham for several years following her husband's death she moved back to Shreveport to be near her sister, Maggie Wright. Shortly after returning to the city, her sister became ill, and while caring for her and continuing her other works, her health also began to fail. After Ms. Wright's death, while still experiencing declining health, she continued keeping in touch with her associations and church through writings and phone calls.

During her lifetime many honors and awards were bestowed upon her. The city of Shreveport named two streets in her honor; namely, Turner Lane and Wright Street.

She was a faithful member of Fairfield United Methodist Church until her death. Mrs. Turner will live on in the hearts and minds of those who knew her in the former Central Alabama Conference. She was a dedicated and consecrated Christian. She loved the church. She went about doing good. Sister Turner departed this life at 11:45 a.m., on March 31, 1984.

Her survivors include two nieces, Mrs. Mae Pearl Watson, Oakland, California, Mrs. Mae Francis Johnson, Los Angeles, California, a nephew, Henry N. Brown, who lived with her in Birmingham, Alabama and still resides in Birmingham and a host of other relatives and close friends.

Recommended Standards For Locating, Building, Furnishing And Maintaining Parsonages In The Alabama-West Florida Conference

The parsonage has long been considered an integral part of the religious establishment in the community. This, a suitable home for the minister and his family is an asset of very real value to the church and its work. If the minister and his family are comfortable and conveniently housed, his efficiency and emotional comfort are greatly enhanced. He should be relieved of the trying and expensive task of either acquiring or discarding certain furnishings and equipment each time he moves. The minister who most often experiences this is the minister who can least afford it.

An adequate, attractive and comfortable parsonage home for the minister and his average size family should be the goal of every pastoral charge of our Conference. Its standards and appointments should be at least commensurate with those of the community in which it is located. It is the responsibility of the pastoral charge to provide the basic furnishings and equipment for every parsonage. In addition to the standards for acquiring, building and maintaining a parsonage as set forth in *The Book of Discipline of The United Methodist Church*, the following standards are recommended as goals to be worked toward in building, furnishing, equipping, improving and maintaining a parsonage within the bounds of the Alabama-West Florida Conference. Upon adoption by the annual session of the Conference these standards shall become the policy of the Conference and shall be included annually in the summer mailing of the Council on Ministries of the Conference program sent to each pastoral charge. In each mailing there shall be a separate copy for each of the following: the chairperson of the Pastor-Parish Relations Committee, the chairperson for the Board of Trustees, and the chairperson of the Administrative Board.

RESPONSIBILITY

1. The pastoral charge shall provide an adequate, comfortable, and attractive residence for the minister and his family and maintain the proper upkeep and furnishings and equipment of the same.

2. The parsonage property shall conform to all the rules and regulations as set forth in *The Book of Discipline of The United Methodist Church*.

3. The parsonage is owned and maintained by the pastoral charge. However, the acquiring of a new parsonage, either by purchase or building, must be approved by the District Board of Church Location and Building.

4. The pastoral charge Board of Trustees, Parsonage Committee, or Pastor-Parish Relations Committee shall inspect the grounds, building, furnishings, and equipment annually to ascertain needed maintenance, repairs and/or replacement or improvement and up-dating. The minister and his wife should be included as part of the inspection team. A report will be made annually to the Charge Conference and to the congregation concerning the needs of the parsonage.

5. Both the Board of Trustees/The Parsonage Committee and the parsonage family should be furnished with a complete and up-to-date list of the furnishings and equipment.

6. The parsonage family should have the following information:

- A. Instructions for operation of:
- B. Location of vital switches and valves:
- C. Whom to call in case of:
- D. Where to find:
- E. How to fix:

7. The deposit for all public utilities (electricity, water, gas, telephone, TV cable service, etc.) is the responsibility of the pastoral charge Board of Trustees/Parsonage Committee and should be paid for from Church Funds. When there is a change in ministers these utilities should not be disconnected. However, the utility companies should be requested to read all meters to avoid confusion in an orderly change of ministers.

LOCATION

1. In acquiring or building a new parsonage or in the event extensive renovation is being considered, ask: (A) Will the location be conducive to good living on the part of the parsonage family? (B) Is the location convenient to shopping/schools?

2. It is generally felt that the parsonage should not be located next door to the church. When such is the case, there is often a tendency for the church membership to encroach upon the privacy of the home life of the parsonage family.

3. The location or site of a new parsonage must be approved by the District Board of Church Location and Building.

HOUSE ARRANGEMENT FURNISHINGS AND EQUIPMENT

1. No parsonage should contain fewer than six rooms. There should be a minimum of three bedrooms with ample closet space in each; living room, and/or family room, kitchen and two baths. Additional rooms might be: a half-bath, study, utility room, den, extra bedroom, and a garage or carport.

2. The living room should be large enough so that entertaining is possible, if desired. A minimum of 320 sq. ft. is considered practical. Ideally, the living room should be easily separated or closed off from the rest of the house so that its use can be versatile. Furnishings should include all heavy furnishings such as couch, occasional chairs, tables, lamps, pictures, rugs, or carpet, and draperies or curtains.

3. With respect to the dining room, it is desirable that the room be large enough to seat eight for a meal and that, if possible, it should be separate from the living room and kitchen. Furnishings should include all heavy furnishings such as dining table, chairs, china closet and/or buffet, and rugs or carpet, pictures and draperies or curtains.

4. Room arrangements vary from parsonage to parsonage, but where possible, there should be included an area where the family can be "at ease," whether it be a kitchen-family room, den or recreation room. Whichever it might be, it should contain a minimum of 224 sq.

ft. A fireplace in the family room is a real asset. Furnishings should include all heavy furniture such as couch, comfortable chairs, desk and table plus fire screen and tools, lamps, pictures, rugs or carpet and draperies or curtains.

5. There should be a minimum of three bedrooms. If possible, a private bath should be connected to the principal bedroom. Furnishings should include all heavy furniture such as beds (at least one bedroom with twin beds), good mattresses, mattress covers, bed spreads, pillows, box springs, dressers, and/or chest of drawers, plus rugs or carpet. At least one full length mirror should be provided.

6. Two baths are considered essential; and in larger houses an additional half-bath should be provided.

7. Kitchen floors and surfaces should be as easy to care for as possible (vinyl or suitable equivalent should be used). A complete minimum kitchen should include: an electric or gas range, hot and cold running water, a double sink, frost-free refrigerator with freezer compartment adequate for one week's supply of food, automatic dishwasher, 10-12 linear feet of built-in counter work surfaces of proper size and height, adequate storage cabinets or closet for food, utensils, linens, etc., breakfast table and chairs, good light, inexpensive dishes and silverware for use by incoming and outgoing families, an adequate number of electrical outlets, and curtains for all windows. In addition, the parsonage should contain as many labor-saving conveniences as can be afforded. The church itself will benefit from such arrangements. The following are suggested additions: serving table on wheels, and a step-stool for high places.

8. A utility area should be provided that contains a hot water heater adequate for six or more persons, automatic clothes washer, automatic clothes dryer, cleaning supply cabinet or closet, work table or area and sink.

9. A minister's study is desirable in the parsonage even when an office-study is provided in the church. This is a must if such provisions are not made for one at the church. Furnishings will include a desk and office chair, book cases, rugs or carpet, pictures, lamps, typewriter stand, chairs, and a studio couch which can be made into a bed for overnight guests (especially if there is no guest room). In the event there is no office at the church, additional equipment such as a typewriter, mimeograph machine, filing cabinets, storage closet for supplies and other necessary equipment will be required.

10. Other facilities:

A. An adequate heating and air-conditioning system; preferably a centrally located and automatically controlled system which should always be maintained in good working order.

B. Adequate closet and storage space throughout the house.

C. Adequate shelter for the minister's car, either a carport or garage providing space for two cars.

D. The parsonage should be equipped with an adequate TV antenna or Cable TV with two or more outlets. Reception would vary from area to area.

E. A vacuum cleaner should be a part of the parsonage equipment, especially if the house is fully carpeted.

F. Provisions should be provided for emergency escape from the house in the event of fire, especially if the bedrooms are on the second level of the house. Smoke/fire alarms are a must; and fire extinguishers are desirable.

G. All windows and doors should be in good working condition with glass and screens and, in light of the energy crisis, it will be helpful to provide storm doors and double-pane windows.

H. The busy minister's wife will appreciate a desk where she can care for her work.

I. There should be easy and direct passage, if possible, from the kitchen to the bedrooms without going through the living room or study.

J. Sufficient electrical receptacles complying with building code.

K. Two or more telephones and jacks.

11. Suggested room size, not including closets are (as adopted from Board of Architecture, National Division, Board of Global Ministries):

Room	Minimum	Good	Excellent
Living room	240 sq. ft.	280 sq. ft.	320 sq. ft.
Bedrooms	120 sq. ft.	180 sq. ft.	210 sq. ft.
Dining room	120 (for 6)	179 (for 8)	210 sq. ft.
Family Room or Den	224 sq. ft.	252 sq. ft.	320 sq. ft.
Kitchen	90 sq. ft.	140 sq. ft.	180 sq. ft.
Study	80 sq. ft.	96 sq. ft.	120 sq. ft.

THE MINISTER'S FAMILY WILL PROVIDE

1. Linens
2. Quilts and blankets
3. Dishes, China and Crystal
4. Silverware
5. Cooking utensils and small kitchen appliances
6. TVs, radios and family entertainment equipment
7. Personal items and special equipment needed
8. Insurance on all personal belongings

PARSONAGE GROUNDS

1. The parsonage grounds should include adequate front, side, and rear yards with a fenced-in area to provide play areas for small children.

2. All permanent planting such as trees and foundation shrubbery is the responsibility of the church and planned by a landscape architect whenever possible. A minimum of two outdoor water faucets should be provided for the watering of the lawn, plants, and other outdoor needs.

3. There should be adequate drainage of all surface water from the yard area; an adequate and good-working septic tank or public sewer connection; availability of all public utilities; and an outdoor clothes-drying line.

4. An adequate and good-working power mower is an essential part of the parsonage equipment if the lawn is not cared for by the church.

5. An outdoor patio area with some patio furniture is a happy addition.

6. Landscaping and exterior care of the parsonage should be a credit to the church in the community.

CARE OF THE PROPERTY

1. The minister and his family should care for the parsonage as good stewards for the Lord's property, carefully avoiding undue wear and tear, but at the same time they should "be at home" in the parsonage, knowing that the home and furnishings are to be used with inevitable and expected depreciation.

2. The minister and his family are responsible for the repair or replacement of furnishings when, through negligent use of furnishings, breakage results; however, ordinary wear and tear, such as is expected when a house is lived in, is the responsibility of the Board of Trustees/Parsonage Committee.

3. An adequate amount should be placed in the church budget annually for insurance of the building, furnishings, equipment and for public liability. The minimum amount of insurance carried on the parsonage should be equal to 80% of the replacement value of the building, furnishings, and equipment. The minister is responsible for insuring all his family's personal items.

4. There will be a natural depreciation of property and furnishings which calls for repairs and replacements.

5. It is extremely helpful to have a plan as to what repairs, replacements, or additions will be made to the parsonage, even if, for financial reasons, some of them have to be postponed. It is easier for the Minister's family to live in an adequate situation if they know there is an intention and desire for improvement on the part of the church.

6. Each pastoral charge should place an amount in the budget annually for normal maintenance and repairs to the building, furnishings, and equipment or the replacement of same if necessary. The minimum budget amount for the maintenance expenditures should be equal to approximately 20% of the value of the parsonage, furnishings, and equipment.

7. Time and funds placed in the parsonage to keep it in good condition are good investments and may very well serve as a preventive to even greater expenditures in the future.

8. All broken and worn-out furniture or equipment should be removed, and not stored in the attic or basement.

9. The Board of Trustees/Parsonage Committee are responsible for seeing that all necessary work is completed to keep the parsonage and furnishings in good repair.

10. The minister's wife should be consulted in the selection of furnishings and equipment. Moreover, her taste should be considered in determining color schemes and decor.

11. All electrical appliances, wiring and service panels as well as gas furnaces and appliances should be inspected periodically to ascertain if safe and adequate.

WHEN THERE IS A CHANGE IN MINISTERS

1. Serious problems arise at moving time when the time between departure of outgoing pastor and arrival of incoming one may be simultaneous. A clean parsonage is much to be desired by all. The following are set as guidelines so that we can more nearly arrive at some conclusion as to "what is a clean parsonage?"

2. It is urged that a minister's family try to do periodic cleaning so that when moving time comes, the task of leaving a clean house will not be overwhelming. Each family is urged now to clear out unusable items (lamps, chairs, old curtains, etc.) that have accumulated in attics, basements and garages; this being done with the approval of the parsonage committee.

3. As close to moving time as possible, each family should wash windows, screens and window sills, and leave curtains, draperies, carpets, shades and blinds clean. If needed, a professional cleaner should be used.

4. Special attention should be given to particular areas. Drawers and closets should be left empty and clean. Cabinets in bathrooms, kitchens, storage rooms and attics should be empty and clean. As already mentioned, mattresses and springs should be vacuumed and in good repair. The refrigerator and stove, as well as all other appliances, should be clean and in working order. Check light fixtures, exhaust fans, hot and cold air ducts to assure cleanliness.

5. Floors should be clean and waxed. Sanding and refinishing are the responsibility of the church. Walls and woodwork should be painted at least every four years, or more often if needed, especially in much-used rooms (kitchen, den, children's rooms) with care being taken by the parsonage family to clean areas where a little cleanser can do the job. Periodic pest extermination of both new and old parsonages should be made and the expense borne by the church.

6. The outgoing minister's family should be responsible for leaving the parsonage clean, and every minister should strive to leave his parsonage in better condition than he found it.

7. The Board of Trustees/Parsonage Committee should be responsible for thoroughly cleaning and preparing the parsonage for the reception of the new parsonage family.

8. All utilities should be in the name of the church so they are left connected when the outgoing minister moves.

9. Pets should be kept out of doors. Damage done to the parsonage or its furnishings by pets are the responsibility of the minister whose pet caused the damage.

10. The Board of Trustees/Parsonage Committee should tour the parsonage with the incoming minister to explain special situations, certain conditions and plans, and to ask if there are specific needs that he or his family has that are not provided for in the parsonage.

11. The District Superintendent will notify the churches in his District that it is Conference policy for the receiving church to pay the moving expenses of the incoming minister.

THE BOARD OF TRUSTEES/PARSONAGE COMMITTEE

1. The Board of Trustees/Parsonage Committee, or the Pastor-Parish Relations Committee should meet often enough and be familiar enough with parsonage needs to take the initiative in improving the parsonage. However, no inspection of the parsonage should take place without the common courtesy of first notifying the minister's wife of the date and time, and to ask if this is convenient. In fact, it is recommended that the minister's wife be a member of the Parsonage Committee.

2. It is suggested that this committee visit other parsonages, particularly those recommended by the District Superintendent as being representative of these standards.

3. Maintain duplicate inventory lists of furnishings and equipment, one at the parsonage and the other in the committee's records.

4. When a gift of furniture or equipment is presented, designate whether it is to remain in the parsonage or is a personal gift to the minister and his family.

5. Discarded furniture or equipment from member families of the congregation should not be accepted by the committee nor placed in the parsonage for use except in extreme cases of emergency and then only on a temporary basis.

6. Provide necessary food, help and counsel for the incoming parsonage family. Moving day can be a hectic day in the life of any parsonage family and thoughtful and helpful courtesies are genuinely appreciated.

7. Suggest that member families of the congregation give the new parsonage family time to "get settled" before calling on them in order that they might present their best selves.

OTHER SUGGESTIONS

1. The congregation likes to see the parsonage; therefore it is suggested that "open house" be held from time to time. The Parsonage Committee, the Pastor-Parish Relations Committee, or some other organization in the church might help the minister's wife sponsor such an event.

2. The parsonage is the home of the minister and his family during their occupancy, and their rights and privacy should always be observed by the members of the congregation. However, the parsonage family should take good care of all parsonage property, never abusing it and observing the rule to always leave the parsonage property in better condition than they found it.

3. If an adequate parsonage is to be provided and maintained there is involved a definite plan of procedure which is to be understood and observed by both the church committee and the minister's family. Best results are obtained as the minister's family and the church committee work together, feeling perfectly free to discuss the needs with each other. The adequate, comfortable and attractive parsonage is brought about by common understanding and cooperation between both the family and the church committee. Thus, the objective of the parsonage family will be to give the parsonage and its furnishings the best of care. The objective of the church committee will be to promote the living efficiency of the parsonage family and their comfort.

4. It should be remembered that a house reflects character, and that the condition of the parsonage is no negligible element in the reputation both of the tenant and the owner. Happy is the minister who can be proud of his church and for the kind of parsonage provided for his use. Happy is the church whose parsonage family cares for the home provided for them as good stewards.

It is clearly the responsibility of the local pastoral charge to give attention to the matter of providing an adequate, attractive and comfortable home for the minister. Let the pastoral charges accept this duty and render this important service to the minister's family to the very best of their ability.

Resolution

Whereas, during the year of 1984 we celebrate the 200th anniversary of Methodism.

Whereas, our church began as a movement taking the Gospel of Jesus Christ to people where they were.

Whereas, we have prided ourselves on being an inclusive, evangelical church — ministering to all regardless of race or economic status.

We have become alarmed at the rapidly growing rate of churches which are located in the downtown areas of the cities within the bounds of our conference which are selling their present church plants, and relocating in the suburban areas of the cities.

In most of these situations the reason for their relocation is the decline in church attendance. However, the population surrounding the church plant seems to remain stable. The reason for the decline in attendance seems to be related to the change in the race or economic status of the population surrounding the church.

Therefore, since we as a church are called to minister to all people, **be it resolved** by the 1984 Alabama-West Florida Annual Conference of The United Methodist Church, that we restrict the sale of United Methodist property in the inner-city areas of our conference to those situations that have changed from a residential community to a strictly commercial district, and that we make every effort to establish a viable ministry in the inner city areas of our conference.

If the property is to be sold we ask that the district superintendents show the annual conference why it would not be possible to carry on a viable ministry for our Lord Jesus Christ in that location.

We further urge that these situations be given priority attention in financial support from the District Boards of Mission and Church Extension, the Conference Board of Evangelism and if the situation warrants it, from the Ethnic Minority Local Church Fund and the Equitable Salary Fund.

We urge that every effort be made by the leadership of our conference to acquire ministerial leadership for inner city churches with the special commitment and gifts that are required to minister in these special situations.

We urge that equal concern be shown for re-organizing the inner city churches as well as establishing new churches in the suburbs. We encourage the lay leadership of other more stable churches, to offer their support to these struggling congregations as they seek to reach out to the communities around them with the message of "Grace and Freedom" that is so much a part of our heritage and which our Lord Jesus Christ has called us to proclaim.

Resolution

Whereas the World Service and Conference Benevolences is the basic financial support for the boards and agencies of the United Methodist Church and the Alabama-West Florida Annual Conference and,

Whereas program development by these several boards and agencies is largely dependent upon this fund and,

Whereas salary support for personnel employed by the boards and agencies of The United Methodist Church and the staff of the Alabama-West Florida Conference Program Council is provided by World Service and Conference Benevolences,

Therefore Be It Resolved that the Alabama-West Florida Annual Conference make the promotion of the World Service and Conference Benevolences program a major priority of this Conference and,

Be It Further Resolved that the District Superintendents be requested to make the World Service and Conference Benevolences apportionment a priority for every Charge Conference with a goal of 90% of the churches in each district accepting and paying this apportionment in 1985 and,

Be It Further Resolved that the District Superintendent's report to the Annual Conference in 1985 and 1986 indicate the effectiveness of this priority by giving the percentage of the Charges in each district that have accepted in full the World Service and Conference Benevolences apportionment.

Presented by the Executive Committee of the Board of Missions

Resolution

We move that this Conference instruct the Conference Council on Finance and Administration, in concert with the Conference Council on Ministries, conduct studies during the 1984-88 quadrennium in order to prioritize the financial goals of the Alabama-West Florida Conference for the next several quadrennia. We suggest the use of any expert means to complete this study.

Reports should be given to the Annual Conference annually on the process and progress of the study. The final report, with goals and strategies should be presented to the Annual Conference at its 1988 session.

Respectfully submitted,
James Sidney Lock

Resolution on Hazardous Waste

Whereas, virtually every kind of hazardous waste except explosives, radioactive materials and infectious biological agents are brought into the State of Alabama by trucks, trains and barges; and

Whereas, this hazardous waste is brought from thirty-five (35) states, from Puerto Rico, from U.S. military bases in the Caribbean Islands and Cuba, and from more than one thousand sites in our own state; and

Whereas, one of the largest hazardous waste landfills in the United States is located in Sumter County at Emelle, Alabama; and

Whereas, the Emelle landfill is operated by the Illinois-based Chemical Waste Management, Inc.; and

Whereas, Chemical Waste Management, Inc., and subsidiaries have been charged with violating toxic waste regulations in at least seven states and are presently faced with numerous lawsuits and indictments; and

Whereas, the U.S. Environmental Protection Agency has presently cited Chemical Waste Management, Inc., for the illegal storage of 2.5 million gallons of toxic PCB's in our own state at the Emelle landfill; and

Whereas, a 1983 U.S. Geological Survey Report questions the safety of the Emelle landfill because "in places where the chalk is fractured, the water resources of the area may become "polluted"; and

Whereas, the first disposal cell dug by Chemical Waste Management, Inc., in August of 1977 was 50 feet by 200 feet and 35 feet deep; and

Whereas, the nineteenth cell currently being dug is 600 feet by 600 feet and 150 feet deep; and

Whereas, Bodka Creek, which is one-half mile from the landfill, flows into the Tombigbee River which is only eleven miles from the landfill; and

Whereas, contamination of this river would endanger numerous communities along the Tennessee-Tombigbee Waterway; and

Whereas, Chemical Waste Management, Inc., has also conducted two "test burns" of some 1.6 million gallons of mixed toxic chemicals aboard incinerator ships operating out of Mobile; and

Whereas, there is reasonable suspicion to believe that this company did illegally burn dangerous dioxins on these test burns two years ago; and

Whereas, Chemical Waste Management, Inc., is proposing to further burn in the Gulf of Mexico 79.7 million gallons, or 330,000 tons of these toxic chemicals aboard the ships Vulcanus I and II, and

Whereas, their control of hazardous waste disposal in the State of Alabama presents a profound threat for a major environmental accident,

Therefore:

Be It Resolved that this session of the Alabama-West Florida Conference support the civic and religious leaders in Sumter and Mobile Counties who are seeking to protect our environment from hazardous waste disaster; and that

We implore the Legislature of the State of Alabama to enact legislation which would bring state regulation in line with federal regulations regarding hazardous waste disposal; and that

We offer our support and commendation to such political leaders as Mr. Charles Graddick, Mr. Don Siegelman, Mr. Jimmy Evans, Mr. Michael Box and Mr. Perry Hand who have taken a strong advocacy role in the matter of hazardous waste regulation.

1988 HYMNAL OF THE UNITED METHODIST CHURCH

Whereas, The 1984 General Conference meeting in Baltimore, Maryland, May 1-11, 1984 approved the publication of a new hymnal to be presented to The 1988 General Conference for final approval, and

Whereas, the Hymns of Charles Wesley, numbering more than 6,000 texts, are the single best source of Wesleyan Practical and Doctrinal Theology, and

Whereas, *The 1984 Book of Hymns* of our church contains seventy-two (72) Charles Wesley texts, a decrease of considerable number from previous American Methodist Hymnals, and

Whereas, *The 1984 Book of Hymns* of our church contains an incomplete psalter,

Therefore, Be It Resolved By The Alabama-West Florida Conference meeting in Annual Session May 29, 1984 to relate to our United Methodist Publishing House and The Section on Worship of The Board of Discipleship our hope that no fewer than 72 Wesleyan texts and a full and complete psalter be found in The 1988 Hymnal of The United Methodist Church.
